WEDDINGS

WALLACE-BROWN
A pretty wedding took place January 18, 1947, at the home of the bride, when Zella Florence Brown, youngest daughter of Lloyd and the late Mrs. Brown of Toronto, was united in marriage to Mr. John Beverley Wallace, son of Mrs. and the late Robert Wallace. Rev. W. J. Byers officiated. The bride who was given away by her father, wore a gown of ivory satin with a long train. She carried yellow roses blueish tinted mums.
Maid of honor, Miss Dorothy Swinford of Toronto, chose a gown of net over pink taffeta. Her head dress was of roses and a shoulder veil. She carried pink roses and mixed flowers. The best man was James Murray Wallace, brother of the groom. Over 100 attended the reception. The couple will make their home in Toronto.

BIRTHS

JOHNSTON—Mr. and Mrs. T. R. Johnston (nee Margaret Smith) are happy to announce the birth of their daughter (Margaret Maureen) on Sunday, Jan. 26th, 1947, at Peel Memorial Hospital, Brampton, Ont.

**County will Pay
\$108,750 of Total**

The County Road committee introduced a report at the final session of the January meeting of the Ontario County Council on Friday, asking permission to spend a total of \$216,000 during the year 1947 for the upkeep and construction of County roads. Chairman D. B. Annis, of the Road Board, introduced the report to Council and states that the reasons the estimate is up over last year is because of bridge building throughout the County to the extent of \$36,000, new equipment and higher snow removal costs.
It was pointed out by Chairman Annis that the County would have to pay a total of \$108,750 of this amount including the current deficit. This is expected to mean a mill rate of approximately 4.5 mills on the equalized assessment of the County of \$24,188,205.

GOODWOOD

There are two houses in Goodwood now for sale, awaiting purchasers to come and see them, if you are wanting a home. Goodwood is a good place to live, good train service, Provincial and County highways, 2 good general stores, garage, two churches (United and Baptist), good vegetable land. About 100 cars of vegetables each season shipped, besides what the trucks take away. We also have a good school. Our highways are kept clear of snow, so there is motoring all year, while some places have been blocked for over a week with snow. Goodwood has not yet been blocked one day.

Mr. A. Connor of Saskatchewan spent the weekend with Mr. Claud Watson.

Mr. John Davis, student minister, will preach and show moving pictures of mission work in the north country next Sunday evening in Goodwood United Church. This will be the regular evening service. Goodwood is always on the map in the newspapers and on the air. That five-legged calf at Findley Thompson's pictured by The Tribune was advertised on the air in the farm news, so Goodwood gets good advertising.

CHERRYWOOD

The sympathy of the community is extended to Mr. Alex. Lawson whose only brother, Mr. William J. Lawson of Petersburg, Illinois, died suddenly on January 24th.

Mr. and Mrs. Wm. Sinclair and Miss Purdon had dinner with Mr. and Mrs. Murray Hollinger on Sunday.

Miss Helen Sleighome who underwent a tonsils operation is spending a few days with her parents, Mr. and Mrs. B. Sleighome.

The sympathy of the community is extended to Mr. Edgar Pilkey in the sudden death of his sister at Hamilton.

Miss Elizabeth Armstrong entertained two girl friends from Toronto for the weekend.

Master John Torrance spent a few days recently with his grandparents, Mr. and Mrs. Gray of Toronto.

At the time of writing, Mr. James Ferguson is not as well as usual. Miss Margaret Teefy was guest at a wedding at Oshawa recently.

PINE ORCHARD

We are sorry to report Mrs. Geo. Woods has been ill, we wish her a speedy recovery.

Mrs. N. Crone and Mrs. J. Crone of Sharon, visited the Harper home on Saturday.

Mrs. Chapman, Mrs. Hope and Mrs. F. Sheridan were at a quilting bee at Mrs. J. Preston's last Tuesday.

**Ajax Costs Us Money
Says County Council**

The County Council Friday heard committee reports and passed several by-laws at the concluding session of the January meeting of the Council. Warden Thos. H. Harding presided.

The chairman of the Educational committee, Reeve F. Reesor, Port Perry, reported to Council saying that one of the major problems facing his committee was the finding of a solution to the problem of the expense of educating high school students from the village of Ajax. He stated that no taxes are collected from Ajax residents because the property is owned by the Crown.

He said that the estimated cost of education per child per day is between seventy-five cents and one dollar and that last year the Whitby High School had a total of 28 students attending from Ajax area. He stressed the amount of money that the County would have to pay out each year under this system.

Mr. Reesor recommended to Council that a special committee be appointed to go into the matter with the Dominion government because he said "it seems to the Educational committee that it is partially a matter for the Dominion government. He suggested that if Ajax was made a regular community it might be possible to collect school taxes from the residents.

Deputy-Reeve Wm. Westney of Pickering township stated that neither Pickering township or the County of Ontario derives any revenue from the Crown owned village.

Reeve Wm. Manning, Whitby township, said that the matter expense borne by the County for Ajax was steadily increasing. He stressed the point that in addition to educational expenses the County was forced to pay for children of Ajax residents who are made wards of the County. "In addition" he added "there is the cost of criminal trials, hospitalization, possible unemployment benefits and other matters that enter into the matter.

"Is it fair" he continued "to ask the County to pay Ajax's way in these matters when the community does not contribute a nickel towards County taxes."

It was finally decided to appoint a committee to look into the matter and report to Council at a later meeting. The committee will consist of Reeve Reesor, Reeve Manning, Deputy-Reeve Westney and the County Clerk.

The Chairman of the County Road Board, D. B. Annis, reeve of Pickering township, brought in the report for the Road Board and it informed Council that the estimated budget for the Road and Bridge work for 1947 would be \$216,000 of which the County would pay \$92,750. The city of Oshawa would pay \$4,250 and the Provincial Government would pay \$118,500.

In addition the report said that a Caterpillar tractor ordered in the winter of 1945 has been delivered during the month complete with a snow plow attachment.

FIRST TOBACCO PIPE

Tobacco dates from ancient times when priests used it in religious ceremonies, writes Dr. N.A. MacRae Tobacco Division, Experimental Farms Service. At one time, tobacco was believed to possess healing properties, and this belief contributed largely to its early introduction. The actual practice of smoking, however, was unknown previous to the discovery of America by Columbus. Indians smoked tobacco in religious ritual by means of a tube device forming a "Y". This tube was made of wood called "tobacco" and hence came the name for the tobacco plant. If this tobacco wood could not be obtained, inferior grades were used, but in that case a simple cylindrical tube was made instead of the pronged one. This instrument may well have been the ancestor of the present-day pipe.
