MOTHERCRAFT NEWS

Due to the increasing demand for Miss Graham's time, the local branch of the Mothercraft Society find it necessary to have the advice room open twice a month, instead of just the once. From now on it will be open the Second and Fourth Tuesdays of each month. We feel this will be more helpful, especially to mothers of very young babies.

Stouffville is to be congratulated upon the encouragement given this worth while project. Not many towns of this size attempt such a thing—a service which our city sisters take for granted. The cooperation of the local paper has been splendid. It has been more than generous in its space allotment. Signed on behalf of local committee, Mrs. Robt. Bone, Pres.

and Mrs. Allan Wideman.

Several ladies from our line spent Wednesday with Mrs. Geo. Hoover.
