

BROUGHAM

(Last Week's News)
Mrs. Henley of Stratford was a recent guest of her aunt, Miss Ida Bate.
Mrs. L. Hopkins has been spending a few days with her daughter Mr. and Mrs. Jas. Holtby and family of Whitby.
Miss Gladys Witter of Toronto visited on Sunday with her aunt, Mrs. L. Matthews.
The sympathy of the community is extended to Mrs. Gannon and family in the passing of Mr. Dan Gannon whose death took place in Toronto on Sunday.
The Progressive Euchre which was held in the hall on Monday evening and which was put on by the Women's Institute was enjoyed by all present. The attendance was not as large as was hoped for but was very good considering other

attractions. The prize winners were Mrs. Thos. Norton and Mrs. Wm. Gray. Mrs. Shep pard (who played in the gent's place) and Mr. Wm. Gray. The evening entertainment was brought to a close when thirty sat down to a dainty lunch of sandwiches and cookies served by the ladies.
The social evening which was held in the hall on Wednesday and which was sponsored by the Comrade Bible Class was well attended. This gathering took the form of a birthday party with twelve tables tastefully decorated to represent each month of the year. A short program of community singing and musical numbers was followed by slides after which all gathered around their birthday table and enjoyed lunch and coffee. These get-togethers are enjoyed by all and we are looking forward to more

such gatherings in the future.
A quiet wedding took place on Saturday afternoon, March 1st at the home of Mr. and Mrs. L. W. Sheppard, Brougham, parents of the groom, when Miss Alida Van Dijk, only daughter of Mr. and Mrs. J. D. Van Dijk of Amsterdam, Holland, became the bride of Mr. Caldwell B. Sheppard. Rev. I. E. Kennedy officiated.
Given in marriage by the groom's uncle Mr. J. J. Madden of Toronto, the bride entered the room to the strains of the wedding march played by Mrs. R. Birrell, and was gowned in hyacinth blue with apple blossom sequins and matching halo, and carried a nosegay of pink roses and forget-me-nots. Mrs. Jas. Carson, formerly of Amsterdam, was the bride's attendant, and wore pink faille with matching headdress and carried pink roses and sweet peas. Mr. Jas. Carson of Toronto, a friend of the groom while overseas, was groomsmen.
At the reception which followed the groom's mother wore a printed silk gown with corsage of pansies. A gray suit with deft blue accessories and brown top coat was worn by the bride for travelling to the United States.

SAYS BIG NEED THROUGH ONTARIO IS CONSERVATION
NIAGARA FALLS, Ont., March 6—Mrs. D.A. Gillies of Arnprior, Ont., president of the Ontario Horticultural Association, said at the opening here today of the association's 41st annual convention attended by delegates from Stouffville that conservation was one of the most serious objects confronting agriculture in the province at present.
She said, "Ontario is a great province. Over a period of 100 to 150 years, its resources have been partially wasted, many of its farms mined."
Quoting Professor Coventry, University of Toronto conservation expert, she said "In Southern Ontario there are 8,000 square miles of land unfit to grow anything but trees—but there are no trees there. Originally 80 per cent of Ontario was covered by forest. Then came the white man and radical changes. The result is an increasingly pronounced condition of actual and relative desert which is having a repercussion on the amenities of rural life and on the health of many."
Mrs. Gillies said "we must support the work of our conservation and reforestation committee, and see that it works in co-operation with the provincial conservation and reforestation committee. We

must see that every member of our societies becomes familiar with these conditions by lectures, pictures, posters and competitions."
J. A. Carrol of Toronto, secretary of the association, in his report to be read to the convention, said the war loss in membership has been recovered and stands at approximately that of 1939. The last available figures are for 1945 when, he said, membership was 25,047, an increase of 2,124 over the previous year.
TAKES FIRST TRAIN RIDE, GETS STUCK IN DRIFTS
STRATFORD, March 8—Paul Corrinveau of Zurich took his first train ride the other day and found himself stormbound for 51 hours. In his 20's, Corrinveau picked the time of the worst Ontario storm in 30 years to embark on his first journey by rail—if he tries it again it will be in the summer time.

RESCUE FARMER BURIED IN SNOW UP TO HEAD
DUNBARTON, Ont., March 10—When they heard cries for help and rushed to the scene, Ralph Mabley and Kenny Farquhar found a 40-year-old farmer in snow on the Fairport road up to his head.
As they approached through heavy drifts they could only see arms waving and they rescued the farmer by handing him a broom and tugging him to safety.

SOLD THEIR BABY FOR \$40, CHARGE
A man and wife accused of selling their infant son for \$40 and a woman charged with buying the child pleaded not guilty when arraigned on charges of violating the Michigan adoption laws at Detroit last week. They are Mr. and Mrs. Roman Adkins and Dorothy McCullough, each released on \$300 bail. Trial was set for March 12.

WEALTHY RECLUSE REFUSES \$25,000 STOCK DIVIDENDS
NEW YORK, March 6—A wealthy woman who has lived the life of a recluse for nearly 15 years in a fashionable New York hotel yesterday declined to answer a \$25,000 question—why she has refused to accept a fortune in stock dividends which may go to the State of Pennsylvania by default.
The woman is Miss Mary B. Powers, elderly resident of the Hotel Seymour. Officials of the hotel say she has not left her five-room suite for at least four years, has no relatives and sees only the representatives of her estate.
Her name figured in a court action Tuesday at Scranton, Pa., when the State of Pennsylvania attempted to claim under a 1937 law approximately \$25,000 in Glen Alden Coal Co. dividends belonging to her.
Company officials told the court that since before 1939 they had been sending dividend cheques to "Mary B. Powers, executrix of the Caroline Powers estate," who always refused to cash them. Now the State of Pennsylvania seeks the money because it has been unclaimed for six years.

TOOTH EXTRACTED, HE DIES LATER
Toronto, March 7.—Walter Gore, 27, of Toronto, who never felt quite the same after having had a tooth extracted last Saturday, died while visiting in Oshawa.
His brother, Anthony, said Walter, who had a local anaesthetic for the extraction, suffered afterward a swollen jaw which spread to his ear. He went into a coma and died. A post mortem has been ordered.

DWARF HEIFER 15 INCHES HIGH
Commission men at the stock yards in Chicago on Monday gapped at a dwarf Aberdeen-Angus heifer weighing about 200 pounds and standing about 15 inches high.
The tiny beef animal, was named "Shorty" by Maurice Meyer, a yards order buyer, who bought the oddity to "keep around for a while."
The animal was termed by farm authorities a freak or "sport" and not the forerunner of a new type of cattle.
