SON SAVES FATHER FROM SCUGOG'S ICY WATERS IN TWO-HOUR LONG STRUGGLE

Messrs. John and John Roach—father and son had a narrow escape from drowning in the Scugog River at a point opposite the farm of Barney McGeough when their provision-loaded canoe capsized in the ice-infested waters, late Friday afternoon. Cause of the accident was the canoe running onto a partially submerged cake of ice which the two right-handed paddlers had been trying desperately to avoid.

According to the son the mishap occurred shortly after 5 p.m. while they were returning from Lindsay with provisions for their snow-bound farm home which is located off the Lindsay-Little Britain road. He says that when the canoe overturned his father was momentarily caught by the feet and it was some minutes before he could free himself and grab hold of the side of the canoe. After manoeuvring for a long time he says he was finally able to get the partially submerged canoe over to the ice at the edge of the river and climb out on it. By this time he says his father was so chilled and weakened that he could not walk and had to be placed in the canoe, which he had emptied and hauled well up onto the ice, until he could go and summon help.

Mrs. Les Wagstaff said the son reached her home at about 7.45 in a state of near collapse. He apparently not seen two unlighted farm homes while on the way from the scene of the near-tragedy through the deep snow. She stated it took some time to get the youth in a condition to explain what had happened.

Mrs. Wagstaff called Don Tully and he and another man found the canoe, with John Roach Sr., then unconscious, and pushed the canoe which had steel runners on the bottom, to the Wagstaff home.

Births

BURNETT—Mr. and Mrs. Stewart Burnett (nee Helen Preston) are happy to announce the birth of their daughter, a sister for Bobby, on March 21st, at Newmarket Hospital. Both doing well.

KENNEDY—At the Brierbush Hospital, Stouffville, on Thursday, March 20, 1947, to Mr. and Mrs. Gordon Kennedy, Stouffville, a son Robert Gordon.

The North York Poultry Association plan to have a good speaker at their monthly meeting to be held in the Orange Hall, Markham, on April 10. You will read more about it next week.

LET'S GET THIS SUGAR STRAIGHT

(by Edna Jaques)

Recent notices in the press have set Canadian housewives in a tizzy over the amount of sugar each person is entitled to. These notices read "Canada receives 71 pounds of sugar per capita."

The words "per capita" bogged everyone down. Housewives stormed the shops demanding their right, letters poured in asking where the rest of their sugar had gone, as they only received 41 pounds of sugar with their 41 coupons, and who got the balance of their rightful share?

The words "per capita" don't mean "per person". This means that according to the population of the country we are allowed 71 pounds for each citizen, that 71 pounds covers the amount covered by personal coupons, also sugar used in hospitals, asylums, jails, institutions, colleges, boarding schools, manufacture of soft drinks and candy, bake shops, hotels, restaurants, snack bars, lumber camps, police outposts, Indian schools as well as the far Northern parts of Canada where rationing is impossible because a year and often 2 years' supplies are taken in by steamer in the summer over rivers and lakes that are ice bound eight months of the year.

In places like that, it is impossible to ration it by coupon. But all these have their sugar allotments as well as the housewife serving her individual families from sugar rations by coupon.

Now some more good news comes along. On March 12, the Hon. D. C. Abbott gives a new picture of the sugar situation, here is what he says:

"The sugar committee of the International Emergency Food Council of which Canada is a member, has recently completed its review for 1947 and the total available supply of sugar shows an encouraging improvement over 1946 but still falls considerably short of meeting current world requirements."

On the most optimistic assumption relating to crop out-turns the 1947 allocation to Canada (which for statistical purposes includes our domestic beet sugar production) will provide us with 93 pounds of raw sugar per capita which is equal to 87 pounds of refined sugar.

In other words, we can expect an improvement in 1947 of not less than 12% and probably not more than 20% compared with 1946. But even this improved rate of supply will be at least 20 to 25% below what I might call the unrestricted

or unrationed demand. It will therefore, be obvious that we cannot anticipate the elimination of sugar rationing for at least another 12 months."

Industrial users, such as candy and soft drinks manufacturers, bakers, hotels and all eating places, biscuit and cereal manufacturers, jam and confectionery makers, as well as all institutions will get their increased quota according to the family ration supply.

Newmarket Sports Columnist Issues All-Star Selections

Ab. Hulse, well-known Newmarket sports columnist came up last week with his all-star Junior hockey selections which were chosen by majority vote of following: coach Fred Collings, Bradford; coach Doug. James, Markham; manager Geo. Haskett, Newmarket; president Len Simmons, Aurora and coach Ike Harper, Stouffville, along with Mr. Hulse.

The total vote gave the following:
First Team
Goal, Smith (Aurora); defence Boychoff (Bradford), Clement (Stouffville); centre, Forgie (Markham); right wing, Pascoe (Stouffville); left wing, Minton (Stouffville).

Second Team
Goal, Moore (Stouffville); defence Cardonna (Newmarket), Atkinson (Aurora); centre, Simmons (Aurora); right wing, Mundell (Aurora) left wing, Jewett (Stouffville).

A number of comments regarding the players were included in his column, but we will only mention those concerning hometown players which are of most interest here.

"Doug. Moore, who has just turned 16, is a remarkable performer for his age, and is bound to go places."

"Mac Clement is a splendid all-round athlete, and was probably the most dangerous player on the attack. He was especially prominent in the playoff series with Aurora. Two years ago he suffered a broken leg but has completely recovered and with the exception of Harry Cardonna of Newmarket, has had more experience than any other rearguard in the top."

"Campbell of Stouffville and Brinkos of Bradford were two other outstanding defencemen. Neither was as flashy as the winning quartette but were as valuable to their teams as any players, being always dependable, and drawing few penalties."

"Lewis has been effective every game for Stouffville, and has a fine scoring record. His size makes him look less flashy but there are few defencemen who care to tangle with him."

"Lloyd Pascoe, along with Forgie, possessed the greatest playing experience and the former Whitty player was a regular duckhawk. He was dangerous all the way, a nice stick handler and there were few games he didn't hit the paydirt. Pascoe, if he felt like it, could leave most players behind him on sheer speed."

Bill Mabbett, Jack Rummy and Bun Sellers were other fine performers.

"Gordy Minton and Keith Jewitt who were clubmates and took first and second team places, did high class jobs. Minton was really flying at the end of the season and possessed plenty of punch around the nets. Jewitt was rugged and aggressive and played most of the year at centre."

GORMLEY

Mr. Leslie Garwood of Toronto spent last weekend in the home of Mr. and Mrs. S. Doner.

Mr. and Mrs. D. Pickering and family had supper on Sunday evening with Mr. and Mrs. E. Hunt and Ruth.

Misses Jean Sider and Helen Doner of Toronto visited last weekend in their homes.

On Sunday, Mr. and Mrs. Aylmer Gray celebrated their sixteenth wedding anniversary. Twenty-three relatives of Mr. and Mrs. Gray were present from Barrie, Lansing and Hamilton.

Mrs. Helen Henry arrived in Toronto early Sunday morning, bringing to an end her trip to Australia. We extend to her a hearty welcome back to Gormley.

Mr. Paul Jones returned to his work with the hydro on Monday after a siege of the mumps. We might add that Mr. Elwood Patten has been the most recent to contract the mumps. Surely with the coming of the warm spring days the mumps will soon disappear.

The sale of Mr. Percy Cober was largely attended last Saturday in spite of our bad roads.

Mrs. Annie Schell called on some of her neighbours last Saturday evening.

The auction sale held by Percy Cober was a big affair on Saturday, attracting people for many miles. During the afternoon sales totalled \$7,500 were made by Mr. Farmer. We understand the tractor on rubber went for \$1295, and the rubber tired wagon was keenly bid at \$150. A new seed drill never used proved an interesting article and brought \$212. It had a power take-off. The threshing outfit realized \$400, and the best cow in the herd was dropped at \$160.

DICKSON HILL

Church services last Sunday including the Young People's in the evening, at Dickson's Hill were well attended by appreciative audiences. The Representatives of the Emmanuel Bible School of Kitchener gave out a very fine ministry in word and song. Rev. V.K. Snyder of the Faculty was accompanied by Clinton Bell of Stayner and a ladies' quartette Mary Honsberger of Vineand, Bernice Lageer of Owen Sound, Dorothy Phippen of Wingham, and Ruth Shantz of New Dundee.

Rev. Snyder spoke at Dickson's Hill and Mount Joy in the morning, and Clinton Bell spoke at the Young Peoples' at Dickson's Hill in the evening.

The Ladies' Quartette rendered several numbers during the day and Miss Phippen rendered two solos.

The next Young Peoples' will be held at Mount Joy next Sunday evening when Miss Edith Raymond will speak. Local talent will supply the music.

COUPLE MARRIED 50 YEARS

Mr. and Mrs. William Heacock celebrated their 50th wedding anniversary on Sunday at their home near Aurora, said to be in the family for 150 years. The bride was Lavina Heacock before marriage, the couple being cousins. Their great grandfather purchased the place in pounds, shillings, and pence. They have lived there 44 years.

They were married on March 17 at Aurora by Rev. E. H. Musson.

Their interests are their home friends and their gardens.

Mr. Heacock was born in King township, his wife in Whitechurch. They have a son, Emrie, Agincourt; a daughter, Mrs. Myrtle Morris, Aurora, and three grandchildren.

9th Line, Markham

On Monday of this week the Watt family took up residence in their new home at Bethesda. They will be greatly missed in our community.

Last Wednesday evening at the home of Mr. and Mrs. Louis Grove a farewell party was held in honour of Mr. and Mrs. Wm. Watt and Wilbur by their many friends and neighbors. A delightful evening was spent in games, contests and singing after which an address was read by Mr. Louis Grove and a presentation was made to the Watt family by Mrs. Louis Grove and Mrs. Fred Wicks of a beautiful electric table lamp, electric iron and toaster. Mr. Watt fittingly replied. The serving of dainty refreshments brought to a close a most enjoyable evening.

Mr. and Mrs. Allan Muirhead also Mr. and Mrs. Clarence Muirhead have taken up residence on the farm formerly occupied by Mr. and Mrs. Wm. Watt.

Much regret is felt throughout our community over the tragic death of Mr. Wesley Campbell, Ford dealer, of Markham. Our deep sympathy goes out to the bereaved family.

Mrs. Sloane of Churchill is visiting her daughter Mrs. Fred Wicks Jr.

Mrs. Jas. McCright visited friends in Orillia over the weekend.

8th Line, Markham

Mrs. Roberts and children were Toronto visitors on Saturday.

Mr. and Mrs. Phillips of Toronto, Mrs. Monger of Barrie were weekend visitors with Mr. and Mrs. Lorne Byer.

Mr. and Mrs. Geo. Sale and son of Toronto were guests of Mr. and Mrs. Spang on Sunday.

We are pleased to see Mr. Y. Robertson out again after being confined to his home for some time through illness.

Messrs. A. Blizzard and A. Wideman attended the big auction sale of Evans Bros., Mount Albert last Thursday.

Peaches Y.P.U. held their meeting on Tuesday evening at the home of Mr. Kirk.
