

GREENWOOD

The Y.P.U. met last Sunday evening at the home of Miss Ilean Sadler.

The C.G.I.T. will meet this Saturday afternoon at the home of Miss Jean Pascoe.

The National Film Board were showing pictures on Wednesday night, assisted by local talent owing to the roads, the Red Cross canvassers were unable to get around, hence a collection was taken and will be forwarded to Pickering.

Mrs. Stanley returned to her home, after spending a couple of months with her daughter Mrs. Fawcett of the lake shore.

Mr. and Mrs. Percy Clarke were in Hampton last Sunday with relatives.

The Drama was presented at Kin-sale last Friday night to a fair audience despite the inclement weather. They have three of four invitations to give it in the near future.

The community extends their sympathy to Mr. E. Matt and family in the loss of a wife and mother. Mrs. Matt died in the hospital after a lingering illness. The funeral took place to Salem Cemetery last Monday.

Mrs. Walker returned to her home in the village last week, after spending the winter in the city with her family.

Mrs. F. Byers and Marjory were in Brooklin last Tuesday visiting with Morley and Mrs. Kivell.

The W.M.S. for the circuit will meet at the home of Mrs. A. Morden on Thursday, April 3rd, at 2.30. Mrs. Anderson is in charge of the program.

Mr. and Mrs. K. Beebly spent last Sunday with John and Mrs. Middleton.

The many friends of Mrs. Green were pleased to see her at church last Sunday morning.

Mr. and Mrs. K. Webb and family moved to their new home last week

WHITEVALE

Mr. and Mrs. Alfred Kayes friends were happy to hear of the birth of their baby daughter and are looking forward to seeing Margaret Isabelle soon.

Mr. and Mrs. Stanley Evans will be leaving the village the middle of April to take possession of the farm they have bought near Woodville. They have sold their house to Mr. and Mrs. Leslie Randall who have been living with his his parents.

Mr. Wm. Sadler visited friends on Sunday and attended the United Church service. He made an experiment by sowing sweet pea seeds late in November. The seeds have wintered well and there will be many bouquets for friends this summer.

The annual thankoffering supper in the Whitevale Baptist Church was a success in every way. Mr. Bunker, who has a summer home east of Cherrywood, and who is a naturalist, gave over an hour of moving pictures and comments on bird life, flowers and sunsets. Mr. Bunker must possess unlimited patience and perseverance to obtain such marvellous pictures of bird life which opened the eyes of every person in the audience to what is happening in our fields and woods during the nesting season.

FREE SEEDS FOR PENSIONERS
Old age pensioners in Scarborough will be provided with garden seeds free of costs, according to a decision of the Scarborough township council. Close to the city authorities are endeavouring to encourage these people to grow their own vegetables and thus make their pension money go farther. Also garden work is healthy occupation, and good for the pensioners as it is for other people.

which they recently purchased from Mr. S. Dix.

CREAM PRODUCERS TAKING VOTE ON MARKETING PLAN

During the month of April, the cream producers of Ontario will have the opportunity of voting on whether they favour bringing their product into a marketing scheme under the provisions of the Farm Products Marketing Act. The plan of the scheme follows very closely that of the Hog Marketing Scheme which was put into effect about a year ago. It provides for setting up a board to be known as the Ontario Cream Producers' Marketing Board. This board will have power to regulate and control the marketing of cream produced in Ontario and manufactured into butter, and to stimulate, increase and improve the marketing of cream for butter manufacture. Provision is also made for setting up county groups and district committees of producers, and the representatives of these district committees, nine in number—covering the whole Province—will each year elect the members of the Marketing Board. The scheme also provides for the licensing of all creamery operators, at a nominal license fee of \$1.00 and also licensing all cream producers, on the basis of a fee of one-tenth of a cent per pound butter-fat on all cream delivered to a creamery. There will be also a negotiating committee of ten, five to be appointed annually by the Marketing Board and five by the creamery operators. The negoti-

ating committee is empowered to negotiate and settle agreements respecting (a) minimum prices, (b) forms of contract, (c) conditions of sale, (d) grades and quality, (e) price differentials between grades (f) weighing and testing, (g) transportation. Further provision is made in the scheme for arbitration in the event that the negotiating committee fails to reach an agreement.

The vote of the cream producers of Ontario on this scheme is scheduled to take place between March 31 and April 30. Three alternative methods of voting are provided. All cream producers are required to register to be eligible to vote. They may register in person at the county agricultural representative's office, and vote at the time of registering, on any day between March 31 and April 30. The second method is by registering and voting with the Deputy-Returning officer in charge at public meetings which are being held in each county. This method of voting will apply only up to April 19, by which date all the public meetings will have been held. After April 19, any producer of cream may register by mail with his agricultural representative who will send out to the producer a ballot, which must be marked and returned to the agricultural representative not later than April 30, 1947. Any ballots received after April 30 will not be taken into consideration.

VICTORIA WANTS VOTE ON SWITCH TO DAYLIGHT TIME

Victoria County Council went on record at the current session as being opposed to the imposition of daylight saving time until it has been endorsed by a provincial or Dominion vote.

Members concurred in a resolution from Kent County that, "since the changes to daylight saving time in the urban centres represent the wishes of only a small minority of people in Ontario, that we therefore petition our Provincial Government to enact legislation prohibiting the changing of time until such time as Provincial or Dominion vote has been taken endorsing the same and that copies of this

CARTWRIGHT TO BATTLE WARBLE FLY

Port Perry, Mar. 24—Cartwright Township Council recently voted funds for the purchase of warble fly powder in sufficient quantities to treat all livestock in the municipality commonly attacked by this scourge. The powder will be distributed to all farmers who wish to avail themselves of this free treatment. One pound of powder is said to be sufficient to treat 20 head of cattle.

resolution be sent the Minister of Agriculture and to all the County Councils in Ontario.
