Sparkling Comedy Gets Headlines in London Paper

Embro Continuation School in the London district staged a fine comedy last week, entitled, "It Can't be Done." Carmen E. Powell, former principal of Stouffville and now principal at Embro, personally supervised the comedy and those who remember him will know how well he could be master of ceremonies for such an occasion. Illustrated with nearly a half page of pictures. The London Free Press said in part: The Embro Continuation School sparkling comedy was staged at the annual commencement, and will be repeated. An example of school enterprise, the production gave every pupil in the school a part. The play was under direction of Principal C.E. Powell. It was the culmination of weeks of hard work, and was capably handled.

The Stouffville Junior Hockey Club, wish to acknowledge the receipt of a fine donation of \$10 from Dr. S. T. Bodendistel of this town. While the club has never solicited donations, a number backed the local executive in this tangible manner. Although the expenses incurred in operating the O. H. A. entry this year have been heavy, the season's financial finish looks quite favorable, thanks to a number of such donations as that mentioned above, and the fine efforts of the members of the team themselves going through the year in such winning fashion.

WEDDINGS

A quiet wedding was solemnized at the home of Rev. E. Morton on Saturday, April 5, 1947, in the presence of the immediate families, when Janet Woodland was united in marriage to Vincent Earl Wagg both of Stouffville.

The bride looked lovely in a dress of printed silk jersey with matching accessories. She was attended by Mrs. Leo Wagg, who also wore a printed silk jersey dress. Mr. Leo Wagg brother of the groom was best man.

The reception was held at the bride's home. Afterwards the bride and groom left amid showers of confetti.

SANDERSON—BRILLINGER

On Saturday, April 5, in Stouffville, a quiet wedding was solemnized at the home of the bride's parents, when Beryl Isabel Brillinger, daughter of Mr. and Mrs. Walter C. Brillinger, became the bride of Robert Lindsay Sanderson, son of Mr. and Mrs. William G. Sanderson. Rev. Douglas Davis officiated. The bride, given in marriage by her father, wore a dusty rose silk jersey dress, matching hat and navy accessories. She carried a nosegay of white and rapture roses. Miss Barbara Brillinger, sister of the bride was her only attendant, wearing powder blue crepe with black accessories and a nosegay of daphne sweet peas and forget-me-nots. Russel Prouse was best man. The bride's mother chose a navy crepe suit with navy carnations. The groom's mother wore a brown printed silk with brown accessories and corsage of Johanna Hill roses. For travelling the bride chose a grey wool suit trimmed with Russian squirrel and navy accessories.

The open meeting in connection with the proposed TB survey to be conducted by the local Lions Club in conjunction with other towns and which was postponed a week ago owing to weather conditions, will be held at the Stouffville High School this coming Monday evening, April 14th.

Work started Monday morning on cleaning the accumulation of sand and dirt from the Main street pavement that had gathered there over the winter season. After the new fire truck arrives, the town will have its own truck for removal of dirt, when they take over the present chemical truck at the fire hall that will be released when the new equipment arrives.

Toronto daily newspapers will no longer permit the news boys selling papers in the evening to litter the streets with the wrappings. Both the Star and Telegram have written the reeve assuring him that the trouble will be remedied at once. A container for old papers is being provided and the lad who fails to use it will not hold his job. The newspaper in question will take care of the small charges incidental to keeping the papers burned from time to time.

The April meeting of the Stouffville Women's Institute will be held at the home of Mrs. H. Walsh on Thursday, April 17, at 2.30 o'clock. Motto will be given by Mrs. T. Jennings. Roll Call—My garden experience. Agriculture and Canadian Industries is in charge of Mrs. F. Fairies. Reading will be given by Mrs. T. Baxter. Mrs. Hugh Taylor, Foreign Secretary of the Dominion Board of the W.M.S. of the United Church of Canada, was the special speaker at the Easter Thankoffering meeting held in Stouffville United Church last Thursday afternoon with Mrs. Gunn president, in the chair. Mrs. Taylor returned recently from Africa, where she went as a representative from our church to the First Post-War International Missionary Conference, and therefore was well fitted to bring to us first hand information on her topic "Africa." She had the privilege of visiting many parts of that land and of seeing living conditions in outlying districts which are still of the most primitive type. Mrs. Taylor stressed the great desire of the people for education and the crying need of literature for those who have learned to read. For the first time African delegates to this conference were treated on an equality with representatives from European and American countries. We were given a vivid word picture of the progress being made at our mission stations in Angola through the tireless efforts of our missionaries along evangelistic, medical and educational lines. Native workers deserve great credit for carrying on the work so faithfully against great odds. The program of the meeting was planned and carried out by the group of which Mrs. Riches and Mrs. Percy Stover are leaders. Mrs. Spofford rendered a solo accompanied by Mrs. C. Nolan. Mrs. Thomas, assisted by Mrs. F. L. Button, gave an inspiring Easter message in the worship service. Mrs. Hastings introduced the speaker in her usual capable manner and Mrs. Clayton Baker very fittingly expressed the thanks of the meeting to all taking part. Visitors were present from out of town as well as local organizations. At the close of the meeting refreshments were served in the school-room and a social hour was enjoyed. Contributed.

E. A. Grubin, R.O., Optometrist, will be at his office in Stouffville on Monday, April 14th.

Easter weekend guests at the home of Mr. and Mrs. Thos. Jennings were Mr. and Mrs. J. Hamilton and Mrs. Doris Johnson and Heather of Toronto.

Miss Muriel Spofford from Kirkland Lake is spending Easter holidays with her mother, Mrs. Robt. Spofford.

Mr. Arthur Harding, Fenelon Falls, is still a bed patient at his home in the northern town. His barbering business there is not operating during the interval.

Bank clerks and school students and teachers had the edge on people of other occupations Monday, as this was a public holiday for them, whereas all other lines of business were functioning in town as usual.

Curriers! The members of the Stouffville Curling Club are asked to assemble at the club house this Friday night, at 8 o'clock to hear the year's financial report and complete the business of the season just closed.

Mrs. Robson Nichols is in town staying at the home of her daughter and son-in-law Dr. and Mrs. Freeland. Mrs. Nichols who is 87 flew from Vancouver. She found it necessary, however, to break the trip by staying over in Winnipeg a couple of days.

Wet cellars have been the thing the past week, many reporting water seeping for the first time in years. The absence of frost in the ground is no doubt the prime cause for the soakage this spring, plus the great depth of snow. Homes that are provided with good drainage have a real asset that is especially appreciated at this season of the year.

Salesmen for radio licenses were in town on Good Friday doing a house-to-house canvass. Since renewals for licenses were only due April 1st nobody had attended to the detail, and the salesmen did a good business. Just what the government get out of this after paying men to race around the towns and villages collecting a paltry \$2.50 at every door is not known to us, but it certainly looks on the cheap side for the Dominion government to have men out in this fashion. Those who did not procure their renewals at this time should do so without delay from issuers in town.

Mowder House Still for Sale

A home that was established during the first great war was broken up last week when the household effects of the late Mr. and Mrs. Jos. Mowder were sold by auction. The two occupants of the home since the death of Mrs. Mowder, Frank and Mae, found accommodation elsewhere. Miss Mowder has taken an apartment with Mr. and Mrs. Birkett and Frank is with Mr. and Mrs. Grant Turner who are just starting housekeeping on Church street in the former Williamson house. At Saturday's sale bidding for the property was not too brisk and the place did not come near the reserve bid. The property is a solid brick in good repair well located, and the absence of buyers who could obtain immediate possession was a surprise. However, there was private offers for the place before the sale and this kind of buyer will now have an opportunity to buy.

Miss Ted Hoover spent the holiday weekend at her home.

Mr. and Mrs. Clark, Dorothy and Cameron of Peterboro spent the weekend with Mr. and Mrs. Frank Rowbotham.

Weekend guests with Mrs. Robt. Young were Mr. and Mrs. Frank Young of Aurora and Mr. and Mrs. Lawrence Dack of Toronto.

Mr. and Mrs. Archie Niel and little daughter of Toronto spent Good Friday with Mr. and Mrs. Frank Baker.

Miss Mabel Edwards of the Toronto public school staff was the guest of her sister Mrs. Wm. Waddell over Easter holidays.

Mr. Don Chadwick and Mr. Jack Smits were in Ottawa and Montreal for a day or two last week on a business trip in connection with the Stouffville Machine & Tool Works. Mrs. Smits and Mrs. Chadwick accompanied them for the drive.

Pastor of Chalmers' Presbyterian Church, Uxbridge, Rev. Robt. McDermid will be honored with the degree of Doctor of Divinity this week. The degree was conferred by Knox College at its regular convocation on Tuesday. Comparatively new in Uxbridge Mr. McDermid has a good following in the old established church in the northern town.

The new town maintenance man Harry Vanneno is now in his new employment, and no doubt will do a good job as he is a splendid worker and very capable. He will keep the pavement clean, repair the leaks in water system should there be any, and generally attend to the duties arising about town and which are the liability of the municipality.

Easter services were well attended in the town churches, and in those in the surrounding townships, pastors of the various charges report too many in attendance were making their all too infrequent visit to church, said one pastor. We have the "onces," which means once a Sunday, and no more. Then we have the "oncens" for whom the term means once a year and no more.

Brother Passes Suddenly

Mr. Charles R. McMullen, Unionville, brother of Mrs. Harmon Hoover of Stouffville, passed away suddenly on Tuesday, April 1st, while riding on a milk truck with the driver Jack McCarthy on his milk route with Silverwoods Transport. Mr. McMullen had not been in good health for some time, though had often taken the trip to Toronto with the milk truck.

On Tuesday he seemed in usual health and was expecting to make the round trip. As the truck was proceeding along the highway toward Markham, at the tenth, the passenger collapsed and was dead in a few minutes.

Mr. McMullen was born at Dunbarton in 1891 and had lived the greater part of his life at Unionville. He was a veteran of World War I. He is survived by two brothers and one sister, Herman of Unionville and Ezra of Toronto, and (Edith) Mrs. Harmon Hoover, Stouffville. The funeral was held Friday from Clendening Funeral Home with interment in St. Philip's Cemetery, Unionville.
