

Markham Students Graduate at Kitchener Bible School

Hundreds of visitors from the United States and all parts of Canada visited the Ontario Mennonite Bible School at Kitchener, which celebrated its 40th anniversary last week. The school was conducted for three months at the First Mennonite Church in that city.

During the anniversary celebrations, class reports were given revealing that during the 40 years, approximately 3,000 students have attended the school and about 500 have finished the prescribed courses. There were 185 students this year with 35 from the United States.

Bishop S. F. Coffman, Vineland, the principal, was presented with a brown leather portfolio from the faculty and the school presented him with a large flowered plant in recognition of his fine leadership for 40 years.

The alumni also presented Bishop Coffman with a purse and a donation from them and friends of the school. Rev. Oscar Burkholder, Breslau, spoke and Bishop C. F. Derstine made the presentation.

A feature of the three-day celebration was the attendance of the 24-voice chorus from Eastern Mennonite College, Harrisonburg, Va.

WOLVES SLAY DEER CLAIMS DISTRICT MAN

The owner of Pott's Lumber Camp in the Bobcaygeon area has come out with a story relating to the great increase in the number of wolves seen around his camp this year. He says they are vicious too and are slaughtering many deer. He has personally viewed the mauled remains of three deer killed by wolves and tells of coming upon a fourth badly wounded. They aren't lacking on the score of boldness either and he says he has witnessed them cavorting around in an open field.

Hundreds will testify to the good results obtained in Tribune classified ads.

Grimsby Takes Opener of Finals From Markham

Grimsby Peach Kings displayed more staying powers and finish in beating Markham Millionaires, 8 to 5, in the first game of their best-of-five OHA Intermediate "B" championship series at Oshawa on Monday night. The second game will be played in Grimsby, Wednesday night, with the third game back in Oshawa on Saturday night.

With George Zuke carrying the mail, the Peach Kings romped to a four-goal lead in the first period. The Niagara Peninsula team was head and shoulders over their opponents, who seemed unable to organize an attack, so closely were they checked. MacMillan, in the Grimsby net, had only six stops to make so well did his mates protect him.

In the early minutes of the second period, Grimsby ran into three costly penalties with Markham running in two goals while they had a man power advantage. The Millionaires showed a complete reversal of form and were the better team until the closing two minutes when they faded a bit. However, they managed to tie up the game, and but for tough breaks, would have had one or two more. Grimsby was still ahead at the end of the period, thanks to Tallman's goal with a minute and a half to go.

Dispensing a never-say-die spirit, Markham continued to exert pressure in the third period with Nick Bangay scoring on a pass from his brother Bob to again tie the score. However, condition told, as at the half-way mark Grimsby took command with Craig scoring one of the nicest goals of the night on a pass from Hale. Markham had little left and while they pressed, Hale and Warner broke away on solo efforts to sew up the game.

The game was cleanly played with only five minor penalties being imposed.

HEADFORD DUMPING GROUNDS TO OPEN FOR LIMITED TIME

The Headford dumping grounds on the 3rd concession of Markham township will be open for the residents of the municipality from May 1st to 10th for the reception of rubble, but not vegetable or decaying matter, old papers, feathers, or other materials that can be burned. Due notice will be given in the local press, and a caretaker will be on hand 24 hours a day to supervise the dumping, and to prevent materials not allowed from being deposited. The decision was made at the regular meeting of the council held last Monday afternoon at Unionville.

Warm welcome is in store for a delegation of Newfoundlanders expected in Ottawa this June to discuss the possibilities of becoming Canada's tenth province

Union with Canada might bring a new era of prosperity to Britain's oldest colony, which so far has lacked the capital to promote its great natural resources.

This fisherman's wife right is a citizen of St. John's, which would be the provincial capital if the island decided to join Canada. On the left a fishing schooner is seen entering Bonavista Bay, one of many excellent Newfoundland harbors. Fishing is the main industry.

Mr. and Mrs. Anthony Hoover accompanied Mr. and Mrs. Dave Stouffer of Stouffville to Edgely on Monday afternoon to attend the funeral of their cousin, Mrs. Wm. Locke.

Mr. and Mrs. Harley Wideman and Ruth spent a couple days at home during the Easter holidays. On Easter Sunday the Dickson's Hill Young People's Class sang hymns for Mr. Simeon Hoover who has been confined to his home for a few weeks.

Mr. and Mrs. Murray Smith spent Easter with her parents, Mr. and Mrs. Ward Hallman.

Again on Monday evening a number from here attended and enjoyed the Stouffville Business Men's meet-

ing in the Baptist church. Easter messages were given by our pastor, Rev. S. S. Shantz on Sunday to appreciative audiences.

The community was grieved to hear of the sudden death of Mrs. Garnet Kirk of Toronto, former Nellie Grove, so well known here. We extend our sympathy to the entire family. Mrs. Kirk was the former Nellie May Grove, and was buried at Peachs cemetery from the home of her aunt and uncle, Miss Ada Grove and Abraham Grove, Ringwood. Besides her husband, there are three children, Gordon, Grace and Florence. Mrs. Kirk was only 37 years of age.
