WHITEVALE

Whitevale nearly lost one of its oldest and most historical buildings by fire last week. Mr. F.L. Wilson, the owner, was not able to enter because of dense smoke after being warned by Mr. Buckles. Mr. Orval Wilson in a gas mask courageously groped his way to the cellar and removed a smoldering tire. Flames had begun to creep up a timber frame work. Many neighbors and farmers were soon on hand and the fire was out by the time reels from Markham and Unionville arrived. Spontaneous combustion of dust is believed to be the cause. Many tons of flour went overseas from this mill during the war. Had it burned it would have been a great loss to the community.

Mr. and Mrs. Stanley Evans moved to Woodville this week. Their friends gathered at the home of Mr. and Mrs. Adam Spears last Wednesday evening for a farewell party and made them the gift of occasional chair and magazine table.
