

# Top Crop Hybrid Seed Corn

Has dozens of satisfied growers

- TOP CROP 645**—Strongly recommended for Silage because of its leafiness and height.
- TOP CROP 606**—A very popular strain, will produce mature grain but can always be relied on for a good Silage crop.
- TOP CROP 355**—This grain corn had made **TOP CROP FAMOUS**. Has heavy, yellow long cobs.
- TOP CROP HYBRID SEED CORN**. It is put up in sealed 1 bushel bags, treated with Semesan Jr. against plant diseases.
- "RELIABLE" Brand**—Open Pollinated Seed Corn. This corn is selected by us for its reliability. Is grown from registered seed and every precaution is taken to insure a good crop.
- GLOW GLOW** (old Leaming), Wisconsin No. 7, Sweepstakes
- SWEDEN TURNIPS**—Registered Canadian Laurentain Turnip. The market turnip.
- FEEDING VARIETIES**—Canadian Gem, Perfection, Irish King, Lord Derby, Jumbo.
- MANGELS**—Stiver's Golden Gate Post, Mammoth, Long Red, Red Leviathan, Giant White, Sugar Mangel.
- GARDEN SEEDS and BOX PLANTS.**

### Governor Gives Lions Inspiring Address

Speaking before the Stouffville Lions Club on Monday evening, Dr. P. B. Rynard of Orillia, District Governor inspired his listeners with a challenge to continue in their work of charity and welfare, to be true to the Christian doctrine and by united effort further the welfare of all mankind. The Lions International has grown to be greatest service club in the world with 325,000 members in eighteen countries.

Three hundred and twenty-five thousand men working together for the good of the less fortunate, with no thought of personal gain, was a great force, he said. He spoke of the great superstructure of Canada ready to handle a much larger population and said he favored much greater immigration. Only one other country in the world has less population per square mile than Canada, and that is Australia. Dr. Rynard dwelt at some length on the battle being waged in Europe between the Communist and Christian doctrines, and the way in which certain labor unions are controlled by Communist agents.

The Governor was introduced by Deputy District Governor Fred Thompson of Newmarket.

Charles Lee, former road superintendent in Uxbridge township, and well known in Stouffville, has located in the town of Uxbridge where he purchased a house on Reach street, owned and occupied years ago by John Combe now of Claremont.

One of the outstanding meetings of the W.M.S. of the United Church was held last Thursday afternoon in the church, with the president, Mrs. Gunn in charge. They were reminded of the rural gathering to be held on Thursday, June 12th at Mt. Albert, when Mrs. Roger Self, President of the Dominion Board will be one of the speakers. It was decided to withdraw the meetings during July and August. Mrs. K. Campbell, leader of her group, presided during the remainder of the program, in which Mrs. Rae led in the worship service and made a passionate appeal to each woman to take her place in "standing in the breach" to help bring a better way of life to women everywhere. Mrs. Neil Smith reviewed the last chapter of the study book, "India at the Threshold," stressing the fact that every station and every type of work is understaffed and many rural areas are still untouched by missionaries of the gospel. Mrs. Campbell and Mrs. Stewart Stouffer sang a duet, "The Garden of Prayer." The W.M.S. honored with a visitor, Mrs. A. E. Mitchell of Vancouver, who has been fifty-five years in W.M.S. work, and has lost none of her enthusiasm for this great cause. She brought greetings from the most westerly province and spoke of the unity of purpose among members of the W.M.S. no matter where located. She has been in close contact with the work that has been done among the Chinese and Japanese in B.C. and was on hand to bid "Farewell" to many of our missionaries as they left Canada for the Orient. A temperance play "Can the Leopard change his spots?" was given by Mrs. Orchard, Mrs. B. Sanders, Mrs. Atkinson and Miss Bannerman depicting the evils to which the young people of today are exposed in beverage rooms, cocktail bars and as it is being served in many private homes. Women were urged to use their influence to protect our young people from this great cause. Mrs. Campbell closed the meeting with prayer.

# Local and Personal Happenings

**STOUFFVILLE BUSINESS MEN**  
An important meeting of the Stouffville Business Men's Association will be held in the Municipal Hall, Monday, June 16th at 8 p.m. Plan to attend.

Mr. and Mrs. Duncan Heise of Toronto were weekend visitors in Stouffville at the home of Mr. and Mrs. M. E. Watts.

Messrs. F. L. Button and E. A. Button also Norman Baker tried the fishing in the Haliburton Lakes during the weekend.

Horticultural members are asked to keep in mind the June Flower Show to be held in the United Church basement on Tuesday, June 17th. See prize list in this issue.

The Tribune office is open every Tuesday and Saturday evenings for the convenience of our customers and for receiving subscription renewals.

Income taxpayers will be able to determine with a minimum of headache the amount of tax they will pay on their earnings this year, as a result of calculations included in the Income Tax Bill introduced in the Commons last week, and published in this issue. Retain this table and you can readily see the amount of tax you are liable for next January.

Friends of Mr. and Mrs. Bolton Slack gathered on Friday evening to honor this couple who are shortly to leave this community for their new home in Kingston. An evening dinner was enjoyed at Valleyfield Inn, Dickson's Hill, while the couple were given several presentations later in the evening at the home of Dr. and Mrs. Neil Smith.

### BOYS AND GIRLS PLAN FOR CAMP

The North York Boys' and Girls' Camps will soon be swinging into full operation for another season. Yearly they take care of some five hundred boys and girls from all over the county. The camps are usually of a ten day period with leadership well trained and experienced. Healthy wholesome meals are the first responsibility and they have good cooks. They endeavour to have one adult leader for every ten campers. This camp is operated under the direction of the Ontario Religious Education Council and is interdenominational. In the 16 years it has been in operation there has been no major casualty.

Camp Dates are: Junior Boys, age 9 to 11, June 27 to July 4; Boys' Age 12 years and up July 4 to 14; Junior Girls, Age 10 and 11, July 15 to 22; Girls age 12 to 14, July 22 to 31; Older Girls 14 and up, August 20 to 30.

This is a splendid opportunity for boys and girls to get a good healthy holiday with a planned program, supervised bathing and safe swimming. Register early—the boys with Rev. D. Davis, and the girls with Mrs. Walter Atkinson of Stouffville.

Mrs. Robert Hynes, Toronto, spent the weekend with her mother, Mrs. David Watson.

Mrs. Henry Hill and son and his wife, all of Newmarket, were guests of Mr. and Mrs. E. J. Davey on Sunday.

The Ladies' section of the Bowling Club are holding their first tournament of the season this Friday evening, June 13th, at seven o'clock sharp, which will take the form of mixed trebles.

The ladies will also hold an afternoon tea at the club house on Wednesday, June 18th for the reception of new members for the season. Please come prepared to play at 2:15 p.m.

Banks, stock markets, school and government offices were closed on Monday, the King's birthday. Otherwise it was just another business day. The 24th of May is observed as a holiday in honor of the queen's birthday, something that was determined some years ago, and as a consequence the king's birthday is not generally recognized. For what reason the financial world and government employees should recognize the day is not clear. There is always a certain amount of confusion each year about the situation.

### Public School Open Air Concert

A school concert with an unusual and pleasing setting was enjoyed on Friday evening by the parents and scholars of Stouffville public school. The program was staged on the front lawn, from a large platform decorated with apple blossoms. Little June Smith, a pupil of Miss Hosie made an efficient chairman, and each number on the program seemed to mount with interest. A mixed choir from Grades IV and VIII sang several selections and a rhythm band was developed out of grade 1 scholars. The address of welcome by Marie Stover was well given, then came a piano solo by Joanne Bodendistel, followed by a cornet solo by an x-pupil Alice Forsyth. Songs were rendered by students of grade 1, and an interesting address given by Edna Sanderson on the "Founding of Stouffville." Pupils of grade II rendered a combination number in four parts, and another x-pupil Gary Lewis played an instrumental solo, and other instrumental numbers came from Helen Paisley, June Smith and Marion Atkinson. Nancy Barry provided an amusing speech entitled "Roller Skating," and sister Grace spoke on "Tobacco." There were trios, double duet numbers and still another address this time by Doreen Ogden entitled "Alcohol." A drum-bell drill completed a very full program. Later the parents were invited to visit the classrooms. Principal Cedric Watson and Miss Harlock, Miss Brooks and Miss Hosie were responsible for the splendid arrangement while Miss M. Beck was in charge of music which was a very successful part of the program.

George Lawson was home from Quebec last week on a brief visit to his mother here.

Mrs. T. H. Somers, mistress at the Kirk House, Charlottetown, is home on a visit to her mother Mrs. Edward Walls.

Miss Corine King of Ringwood who is completing four years as public school teacher at Mt. Joy will transfer to the Agincourt school next term.

Miss M. Beck who recently resigned from the public school staff will take a similar position on the Toronto staff. Her ability as a teacher of music was brought to the fore last Friday evening at the school concert where the scholars made such a good showing during that part of the entertainment.

The local Baptist church was very well represented at the annual Association meeting held in Fenelon Falls Wednesday last week with afternoon and evening sessions. Rev. Graham Reive, pastor of Mount Albert and Queensville, was elected chairman for the ensuing year.

Malcolm Albright and Bruce Hill, a couple of young men from the 5th concession north Claremont, left on Tuesday for Western Canada where they intend to spend the summer, probably do a bit of farming before they return.

Mr. and Mrs. Lambert H. Malloy of Leaside motored to New York City recently, to meet F.O. Ralph Stevens and his English bride, who returned to LaGuardia Field by plane, from London, England. After several days in Ontario Ralph and his wife will leave for Fort Nelson, B.C., where he is stationed with the permanent air force.

### Final Week of Camp

This is the final week for the Pike's Peak camp meetings which conclude this coming Sunday with morning, afternoon, and evening meetings. Big youth rally Friday night. While weather conditions have not been all that were desired the attendance has been splendid. Mr. Huson, pastor, reports. Last Sunday forty persons knelt at the prayer altar, and over sixty during the entire meetings. Everybody is invited to attend so Mr. Huson hopes that with this invitation friends will increase to greater numbers.

The entire household effects belonging to Mrs. Willis Monkhouse will be sold by auction at the residence in the east end of Stouffville on Saturday of next week, June 21. At the same time three good building lots will be offered which are adjacent to the place of sale, also a frame house now on the property on the 3rd of Uxbridge, south of Goodwood. This house can be moved on skids. List of household articles to be offered by Mrs. Monkhouse will be printed in this paper next week.

Mr. and Mrs. Bolton Slack were in Kingston during the weekend. Mr. Slack will join the teaching staff of one of Kingston's High Schools this fall.

A former resident of Stouffville Jack Pennock, Aurora barber, landed a big trout last weekend while fishing at Lake Simcoe. The big fellow tipped the scales at nine pounds. Jack was along with Bob Snowball, Ken Laushway and Elgin Wagg on the expedition.

Mrs. T. Gostick, Stouffville, was in Toronto this week attending the funeral of her sister-in-law, Sarah Katherine Wright who passed away at her home on Friday, June 6th. The deceased was the wife of William Wright who will be remembered as a former Pickering Twp. resident. Interment was in Pine Hills Cemetery.

Eighty students obtained their year's standing at Toronto Normal School on their term work, thus evading the necessity of writing final examinations. Last week the paper stated only eight were thus so fortunate. Among the students obtaining this excellent standing were Bud Sanderson, Eileen Weldon, and Vera King from this locality. Good going, we say.

Over twenty-five were present to enjoy the recital and social hour at the home of Miss Myrtle L. Watson, A.T.C.M., last Saturday afternoon, when her pupils rendered piano solos and duets from their work. After the recital, June Smith on behalf of the pupils presented their teacher with a lovely serving tray with their best wishes, for which Miss Watson expresses to each one her sincere thanks.

**Markham Purchases Hall Site**  
Markham Village council last week authorized the purchase of a lot on the Robinson property adjacent to the C.N.R. for the erection of a community hall at such time as "labor" and materials are available. The site purchased for a hall in Markham is identical with the lot purchased by the Stouffville municipal council for the same purpose, in that both lots are adjacent to the railway. Neither town, however is contemplating erection of any hall immediately under the present inflated building prices.

Rev. Freeman F. Boothby and his wife left town on Monday after spending several days here at the home of Mr. and Mrs. H. Malloy and with other friends. They started their journey homeward to Everet, Washington, intending to make several stops enroute. Mr. Boothby is a native of Altona and his wife was a Miss Lynn of Goodwood. Besides many relatives they enjoy the friendship of many homes where they have retained contact down through the years. Mr. Boothby is a retired Methodist minister.

### ORCHID OF THE WEEK

According to the radio commentator on station CKDO Oshawa, The Stouffville Tribune won the "orchid of the week," in their judgment for best editorial. The subject was this paper's comment on dealing with the dumping problem in the district, a matter that has municipal officials worried in town and country, because of the contemptible tactics of Mr. John Public.

This Oshawa station CKDO broadcasts every Sunday afternoon at 4 o'clock the home news from the district east, and those who listen in tell us the station is really easy to find around 1240 on your dial, while the reception is excellent. Although "Visit with the Neighbors" is a new program, it is gaining in interest and popularity. If you wish to hear Stouffville and Claremont news over the air, tune in next Sunday.

Here are bins and shelves brimful of the choicest foods for your table—products that will bring you big returns in appetizing, healthful meals. Shop here today and everyday. We deliver
