### UNIONVILLE DOGS WAG IN GRATITUDE

After being tied up for several weeks as a result of a bylaw for bidding dogs to run at large, Markham Township Council Monday evening rescinded the bylaw, when village trustees who asked for its enactment, were present to urge its discontinuance.

Trustee Howard Stiver said the trustees recognized the claim of a large number of ratepayers, over half, who presented a petition to let the dogs run again. Unionville appears to be a village where there are many dog fanciers and they don't want their pups tied up as they have been.
