Stouffville to Tangle with Newmarket for Ball Honors

The local Junior baseball schedule is coming to a hurried conclusion, owing to a "speed up" call from the O.B.A. who wish a winner declared here next week to advance into the Ontario Junior playoffs.

Aurora has decided to drop out of the running and concentrate on their Midget team which has a bye into the playoffs.

This leaves Stouffville and Newmarket to play a best, two-out-of-three series to decide the winner. The first game will be at Newmarket this Friday evening, with the second in Stouffville next Wednesday, Aug. 13th. Stouffville, having completed the schedule on top, will no doubt receive the preference, if a third game is necessary.

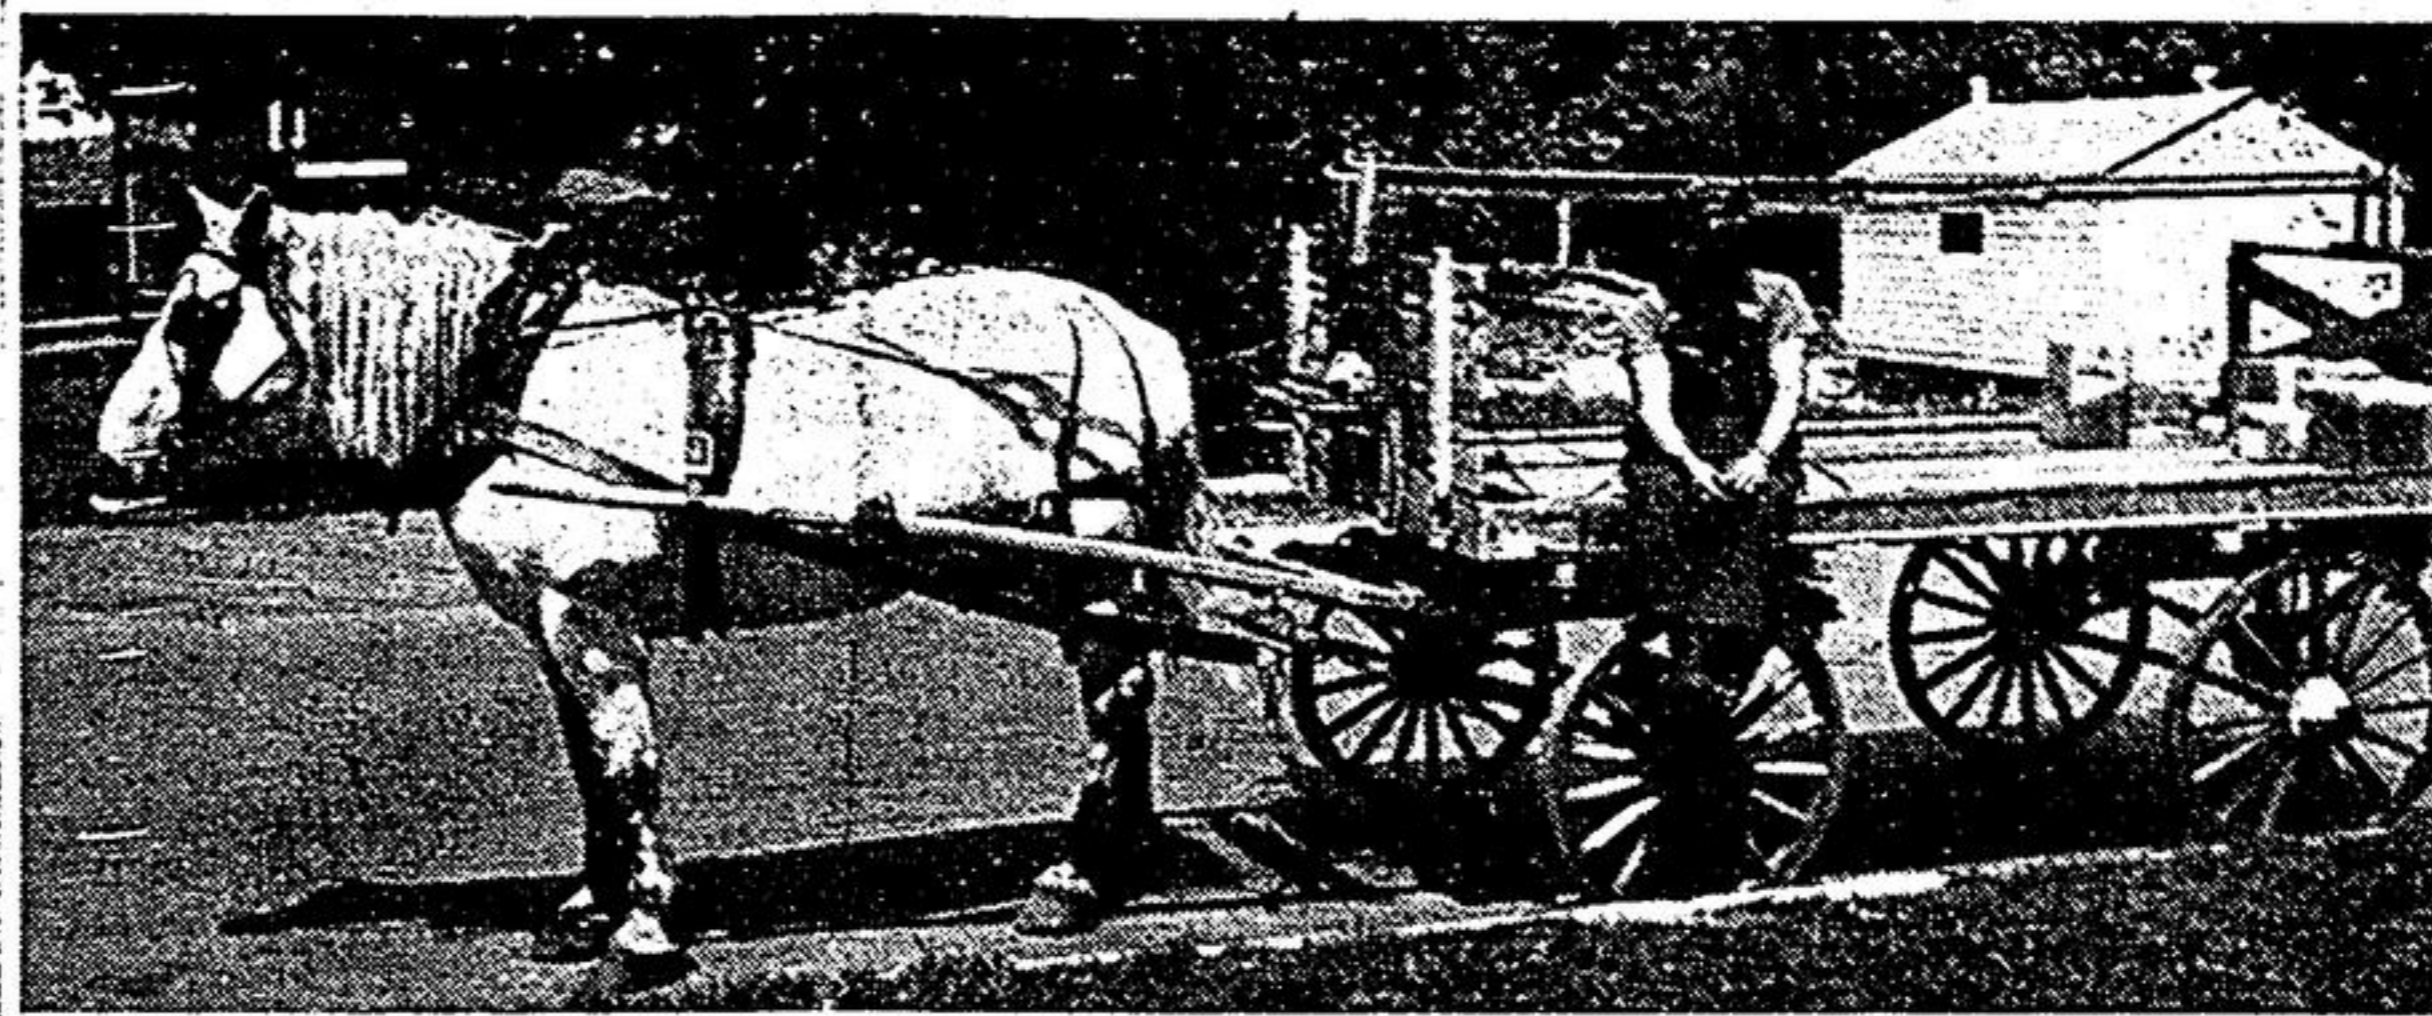

The game at Stouffville is scheduled to start at 6.30 p.m.

DOGS DEMAND EARLY SUMMER LAMB

Fifth concession farmer at lot 24, Markham township, R. E. Anderson, lost some valuable sheep last month, it was divulged at Markham township council meeting on Monday. Dogs attacked his flock and did an estimated \$35 flock damage, while three sheep killed were valued at \$54, and a purebred lamb \$15. Total loss allowed the farmer under the claim was \$104.

A number of friends met at the home of Miss Margaret Stover on Tuesday evening to tender a shower to Miss Alice Forsyth in honor of her forthcoming marriage this Saturday.

FAMILIAR OUTFIT GONE FROM STREET

Joe Cadieux and express wagon are gone from Stouffville streets. After twenty-four years, the Cadieux family has given up the position as express carriers. Four members of the family have handled the work and have used five horses on

the wagon over that period of time. The late Cyriel Cadieux, the father, was the first driver, followed by sons, Charles, Don and Joe who is seated here on the wagon, has delivered the express for over ten years, and were always faithful to their

duty. The Cadieux boys are being followed by Mr. Fred Chessman who will employ a truck, thus removing Stouffville from the few towns or villages still using horses for express delivery.

Mystery Poisoning of Glen Alden Cattle

Five valuable Holstein heifers on Glen Alden farm in Markham township at Cashel are dead from poisoning, but the manner in which the animals came on the poison remains unsolved.

Dr. S. T. Bodendistel diagnosed the cause of the poison in death, and could be fairly certain about the nature of the poison, but no one is prepared to say how the cattle got the deadly stuff.

It was rumored that poison from spraying weeds was the cause, but so far this is not established. Markham township is doing municipal spraying which has been done in the region of Cashel. Glen Alden Farms is operated by Thos. McGrisken.

Mrs. Albert Cooper, Brooklin, and two children, also Mr. and Mrs. Wm. Birkitt and Miss Mae Mowder have returned from a ten day holiday at Cobocok.

Births

BARNETT—At the Brierbush Hospital, Stouffville, on Tuesday, August 5, 1947, to Mr. and Mrs. B. Barnett, Toronto, a son.

DAVIES—Mr. and Mrs. Vernon Davies, Stouffville, Ont., (nee Audrey Prothero) are happy to announce the birth of their son, George Edwin, at Newmarket Hospital on Saturday, August 2, 1947. Mother and baby doing fine.

REESOR—Mr. and Mrs. Carl Reesor of Stouffville, announce the birth of their daughter on July 31st, 1947, at York County Hospital, Newmarket. (pre-mature).

A SOCIAL SURPRISE AT LAKEVIEW HOUSE

We hear that the guests at Lakeview House, Jackson's Point, took the proprietor Mr. H. W. Sanders and Mrs. Sanders completely by surprise the other evening, when they descended on their private cottage to offer congratulations on their 50th wedding anniversary, which passed during the recent months. A suitable presentation accompanied the gift and many flowery and sincere remarks were bestowed on the popular Stouffville couple who spend their summers at the point.

Guests at Lakeview House come from as far as Havana, Cuba, and many of the guests have been spending their summer at the Sanders place for many years. In fact second generations of some families are an annual fixture among the guests.

JUNIOR FARMERS' CHURCH SERVICE AT UXBRIDGE

Rev. L. E. Atkinson former Stouffville pastor and Whitechurch township boy, will be the speaker for the Ontario County Junior Farmers' annual Sunday service to be held on the church lawn in Uxbridge on August 10 at 7.30 p.m. All junior farmers are invited to attend this open air meeting, which, in event of wet or cold weather will be held in the spacious United Church.

Next Thursday, August 14 is the date of the annual exhibition to be held in Stouffville United Church. Obtain a printed prize list and help boost the show with your exhibits.

Large Crowd for Legion Carnival

The Stouffville Veterans are highly pleased with the outcome of their street dance last week. Ideal weather, and many people turned up here Wednesday night, and the boys want to thank one and all who helped in any way. The net proceeds, a substantial sum, will go toward the construction of their new hall at the west end, which is now ready for the steel supports for the floor.

The handsome electric refrigerator in the draw won by Delbert Yakeley, R.R. 3, Stouffville. We hear he is going to require one shortly, consequently he was a popular winner.

The next prize, a combination radio and record player went to Dave Haslam who lives with John Scott in town.

The pressure cooker became the property of Mrs. N. Mackay of Stouffville, and the silver coffee set donated by veterans of World War I, went to Bernard Hood of Cedar Valley.

Caller-off Sheeha of Uxbridge township filled the bill to perfection the lads report and the music was all that could be desired, to complete a happy evening.

Farmers May Sell Even on Sunday

Roadside Booths Run by Farmers Exempt from Lord's Day Act.

The Attorney-General's department announced last week it had amended instructions to crown attorneys in the province, so that in future a farmer on Sunday may operate a roadside stand where he sells his own produce, without fear of prosecution under the Lord's Day Act.

Previously Attorney-General L. E. Blackwell had issued orders calling for the closing of all wayside markets on Sundays, in order to put a stop to this form of unfair competition with merchants in cities and towns.

In the new orders, however, it is stated that "wayside markets should be closed on Sunday except in the case of wayside stands operated by a farmer, including members of his family and regular farm help, for the sale of produce grown on the farmer's farm."

Saturday Night Fracas Results in Arrest

Charged with assaulting a police officer, a local man was placed under arrest Tuesday by Constables Rusnell and Wideman and allowed out on bail Wednesday in county court at Adelaide street. Warrant for arrest was sworn out by Constable Ira D. Rusnell, who said that the offender "jumped" him when he was undertaking to confiscate cases of beer in a car on Saturday night.

During the melee the uniform of the constable was practically ruined. Constable Rusnell, reported that he was called to the 9th where a car had taken to the ditch and snapped off a pole. Crowd in the car were said to have been drinking. When the cop arrived the car had gone, and while looking about the chief ran into a group at corner of Main street and ninth. A local man with a bottle of beer in his hand, resisted the officer, and is alleged to have committed the assault which resulted in an arrest being made. Charges will also be laid against the occupants of the car, said to all be Toronto chaps.

Haul Two into Court Breach Local Bylaw

When two persons in the Township of Markham brazenly proceeded to erect a dwelling not in accord with the township bylaw by a long way, and without getting a permit to erect a dwelling, occupants of both places were summoned to court, Archie Fleming, building inspector, told the council on Monday.

"That is the right thing to do," declared a councillor, and all were agreed that persons who flout the township bylaw should be brought to time.

Mr. Fleming said that he warned one fellow, but despite the warning he is proceeding with footings for a house, or garage, or something. (These cases will be looked on as test cases, but the council thought there is no use making bylaws if they are not obeyed. The case will be prosecuted in court on behalf of the township by the solicitor D. Lucas.

COUNCILLOR'S DAUGHTER WEDS WM. PROCTOR

A very pretty wedding was solemnized on Saturday, July 26, in Pine Orchard Union church when Irene Nora, younger daughter of Councillor and Mrs. Leslie Harper, became the bride of William Millard Proctor, eldest son of Mr. and Mrs. Fred Proctor, Yonge St. The church was decorated with banks of summer flowers and ferns.

Rev. D. C. Soules, Toronto, cousin of the bride, officiated assisted by Rev. R. R. McMath, Newmarket. The wedding music was played by Mrs. Albert Ridley, sister of the bride. Miss Florence Johnson,

Orangeville, was soloist.

Given in marriage by her father, the bride wore a gown of white Swiss embroidered taffeta with short train, and a long veil of embroidered tulle flowed from ma tiara of lilies. She carried a white Bible with streamers of sweetpeas, and wore the groom's gift, a strand of pearls.

Mrs. Kenneth Shaw, Sharon, matron of honor, and Miss Margaret Proctor, sister of the groom, bridesmaid, were in floor-length gowns of blue and pink nylon taffeta, respectively, with matching headresses. They carried nosegays of sweetpeas and cornflowers. Little Nancy Ridley, niece of the bride, made a charming flower girl, gowned in white taffeta and carrying a nosegay of sweetpeas.

Mr. Harrison Proctor, Toronto, brother of the groom, was groomsmen. The ushers were Ross Proctor, Albert Ridley and Roy Harper. At the reception, held in the social room of the church, Mrs. Harper received wearing an afternoon dress of navy blue crepe with pink corsage. She was assisted by the groom's mother, wearing Alice blue faconne crepe with corsage of pink roses.

The couple left for a motor trip to Muskoka and other points.

PRESENTED WITH SANDWICH TRAY

Mr. and Mrs. Vincent Wagg were taken completely by surprise on Friday evening, when about 65 friends and neighbours gathered to welcome Mrs. Wagg to the rural district north of town and wish them health and happiness. They were presented with a lovely wall mirror and sandwich tray. A nice program was provided followed by a dainty lunch.

Girls Struck Motorist Disappears

A Toronto driver ran into three girls at Musselman's Lake on Sunday late in the day and was the means of causing a nasty foot injury to one, and bruising the other two quite severely. All three were taken to the Brierbush Hospital, for attention, and one later was taken to Toronto. The girls were walking on the narrow road when the accident happened.

While the motorist stopped and assured the girls they were not hurt, he drove away.

WHITCHURCH MEETS SATURDAY

Whitchurch Township Council will meet in general session next Saturday at Vandorf, for the regular August meeting. L. F. Evans, reeve, will preside and all members are expected to be present.

Barber Over 30 Years Dies at Unionville

Funeral services were held at Unionville last week for Howard Finlay, who died on Wednesday in his 56th year, following a year's illness. He had been a resident of Unionville for more than 30 years, being employed in the barbering trade.

Mr. Finlay was born in Liskeard Ont., where he resided before coming to Unionville to enter into business with his brother, Milton.

He is survived by his widow, the former Mary Richards, two sons, Dean and Bruce, one sister, Mrs. Leonard Rainey of Unionville, and four brothers, Milton, of Unionville, Herbert of Collingwood, and Saunders and Talbert of Thornhill.

Retired M.B.C. minister, Rev. Samuel Goudie, will reach his 81st birthday next Monday, August 11. He cultivates a large garden and grounds, besides giving any assistance asked for by his good wife in the large home which Mr. and Mrs. Goudie enjoy on Mill street.

GASOLINE HOURS RESTRICTED IN NEWMARKET

It will be good news to outside vendors, but not to people who wish to do business in Newmarket, that a bylaw has just been passed there, requiring all service stations to close at six o'clock each evening, excepting Saturday, and on nights preceding a holiday.

No doubt the majority of vendors in Newmarket, petitioned for the short hours, otherwise the council would never have enacted such a bylaw. The arrangement in some towns is that certain stations remain open while others close, so that a continuous service is rendered somewhere in the municipality.

In Stouffville, service stations all remain open each evening, excepting on occasions where the owners are away or busy elsewhere. Then there is always some stations ready to serve the public.

Sells Homestead After 47 Years

Mr. Archie Stewart who acquired the old homestead on the 2nd of Uxbridge from the Stewart estate, sold the place recently to Mr. Edw. E. Ott of Toronto. The farm comprises 150 acres and being lots 9-10. Mr. Stewart bought the place two years ago, and the present transfer removes it from the family name after 47 years. It was acquired by his father the late Wm. Stewart who worked it until his retirement to Stouffville.

Archie held an auction sale last Friday, disposing of the farm stock and implements through A. S. Farmer, auctioneer.

Mr. Stewart may take a trip out west again where he farmed successfully at Isabella for a good many years. However, Mr. and Mrs. Stewart have no definite plans yet for the future.

Markham May Ban Narrow Building Lots

Building lots not less than 70 or 75 feet in width, with a total area of 12,000 square feet, may be the minimum size one can subdivide to, when a bylaw comes before Markham township council in the very near future. At a session of council Monday night, the clerk was authorized to have a land bylaw drafted for submission to council.

The issue was raised when a request came up to approve a plan or small sub-division for a land owner. The lots were shown on the plan as narrow as 50 feet. The plan was not given approval, and the owner will be notified to enlarge the lots before council will pass the plan.

Reeve Chas. Hooper said perhaps it was the heat or humidity, but council found it had to get into grips with heavy business, striking the tax rate, etc., which did not come forward on the agenda until nearly 11 o'clock. The bylaw was discussed, and given a hoist to a special meeting. There were so many minor matters to be dealt with that it took the whole evening.

Councillor Les. Couperthwaite reported that it had come to his attention that one or two township boys who served in the overseas army had not been recognized in the recent gifts made by the municipality. It was pointed out that the lists of those to receive gifts were widely publicized before finally decided on. When these lists were issued that was the opportune time persons, omitted, if such were the case, should have been brought forward. There were numerous Markham boys who enlisted and lived outside the municipality at the time, and these were not recognized, because it would have been a physical impossibility to do so. They were, no doubt, recognized elsewhere, and certainly all were cared for by the government. However, the matter will be brought to the attention of the committee, it was promised.

ATHLETIC CLUB BRINGING BIG BAND HERE

Stouffville Athletic Club are bringing at considerable expense, Geo. Wade and his Corn Huskers of radio fame, to town for one night, next Wednesday, Aug. 13th. In addition to this dance and games, lucky draw prizes valued at over \$500 are being given away, the first prize being a Philco refrigerator.

Dr. Oswald J. Smith comes to Gormley

Rev. Oswald J. Smith, D.D., Litt. D., L.L.D., F.R.G.S who has been the pastor of Peoples' Church in Toronto since 1930 will speak in the Gormley Menonite Brethren in Christ Church, Thursday evening at 8.00, August 7th. Dr. Smith has preached in the Spurgeons Tabernacle, Moody Church in Chicago, also in Great Britain, United States, Australia and New Zealand. He is a great missionary leader, and has led a program that netted over a million and a quarter dollars for missions. He has written over 500 hymns, poems and gospel songs. As a world traveller Dr. Smith has made six tours.
