# Claremont Mission Circle Organized Sixty Years

Last week the Claremont Baptist Church Mission Circle marked the diamond jubilee of the organization with a special meeting held in the church. The president, Mrs. Evans Ward presided. Present for the occasion was Miss Gerie Morgan, daughter of the only charter member of the Circle still living, Mrs. Minnie Morgan of Toronto. Mrs. Morgan was unable to attend the meeting due to illness. A corsage was presented to Miss Morgan on behalf of her mother and to retiring secretary, Mrs. R. E. Forsyth. A memorial service was conducted in honor of those members who had departed between the years 1937 and 1947, and their names were read out by Mrs. Jas. Coates. A solo, "Shadows" was rendered by Mrs. F. Binsted, and the benediction pronounced by Mrs. Evans Ward. Following the meeting a social hour was enjoyed by those present, and centered around a lovely birthday cake, decorated in pink, white and silver, and gracing an attractive bedecked table.

An interesting portion of the afternoon program was the historical review of the Circle from 1887 until 1947, given by Mrs. Jas. Coates and Mrs. R. E. Forsyth. Mrs. Coates reading covered the first fifty years and Mrs. Forsyth's the latter ten. Historical Sketch of the Claremont Mission Circle

When Mr. Timpany returned to Canada for his first furlough after almost ten years of difficult pioneering in India, he set to work with the same zeal to enlist the sympathy and support of the women of Ontario and Quebec, in behalf of India's women and children. In 1876 came the formation of the Women's Missionary Societies of Ontario and Quebec.

During the pastorate of Rev. E. W. Dadson at Claremont, the women of the Claremont church were called together and the Society organized on March 14th, 1887. The purpose was to give the gospel to the Telegn women and children in India and to establish missions in destitute places in our own land, the money contributed to be equally divided between Home and Foreign Missions.

The minutes of the first ten years are supposed to have been lost in the Forsyth fire at North Claremont, so that our information for that period is very limited. Through reliable information however, we learn that the following officers were elected at the inaugural meeting: President, Mrs. Dan Forsyth; vice president, Mrs. Alfred Tracey; secretary, Miss Mary Watson; treasurer, Mrs. John Barry. Although few in number, perhaps not more than fifteen, these women were filled with zeal and enthusiasm in the great enterprise of sharing the gospel with their sisters in India. The earnestness of these women was exemplified by the fact that in the first year of its organization, a mother and her daughter, Mrs. and Miss Carrie Newman contributed \$19.50 out of their meagre finances. Through this contribution they were able to send \$15 to both the Home and Foreign Societies in October of the first year, just seven months after its organization. For several years following this they sent \$20 to each society.

The money was not raised by free-will contributions as a good deal of our money is today, but the Circle and the Band worked together in giving the Mission Band Concert and was one of the outstanding events of the year.

The first contribution to the work in Grande Ligne was made in 1889 when \$7.50 was sent, followed by a box valued at \$23 in 1891. As early as 1895 the annual offering for the North American Indians was taken up. Mrs. Fred Farmer and Mrs. Wm. Graham were the first collectors.

Previous to 1916, the meetings were held in the school room of the church. The first meeting to be held in a home was Feb. 26th, 1916, Joshua Bundy invited the Circle to meet in her home. But it was not until October 1918 that it decided to hold regular meetings in the homes and Mrs. Bundy again became the first hostess.

The executive met first in 1919 to draft a program for the whole year. Knowing that not until they had a part in the work, and a deep and intelligent interest in it, could every woman become acquainted with every phase in the work. Following this the group system was adopted, when every woman had a definite part in the program. Mrs. Gibbons, one of the charter members, had the honor of being made the first life member of the Circle by Mrs. Geo. Found. Mrs. Found was at one time a member of the church. Following in inspiring map talk on Home Missions given by Mrs. King, Mrs. Richard Ward made herself a life member in 1922. This proved a great stimulus to the women in both finances and missionary education. It made it possible to make 43 of the members, life members of either the Home or Foreign Societies, and one of these, Mrs. Gostick, is a Golden jubilee member, and Mrs. Augustine a Diamond Jubilee member.

One of the most outstanding meetings of each year since 1920, is the open meeting when the men of the church help with the program. The Board of the Church gave the Society the privilege of having one Sunday morning service during the year, at which time several of the missionaries, Mrs. Klockhoff, Miss Robinson, Miss Priest, Miss Maybee, Miss Janet Holmes and Mrs. Dingate, spoke. Another feature of the work is the

thankoffering meeting in November.

During the fifty years, it is interesting to note that there have been only four presidents: Mrs. Dan Forsyth 1887-1919; Mrs. A. M. Pugh 1919-1929; Mrs. Jas. Coates 1929-1930-37; Mrs. Evans Ward 1936. During this time there have been a great many officiating as vice presidents. Mrs. Alfred Tracey was the first. The next on the record book was Mrs. Fred Farmer who served for eight years. Then followed, Mrs. Jas. Paterson, Mrs. Gibbons, Mrs. (Rev.) Jas. Grant, Mrs. Robt. Bryan, Mrs. (Rev.) Mann, Mrs. Jas. Coates, Mrs. W. H. Willison, Mrs. G. M. Forsyth, Mrs. (Rev.) Harton and Mrs. Evans Ward.

The first secretary was Miss Mary Watson, followed by Mrs. Joshua Bundy, Mrs. Fred Farmer (18 yrs.), Mrs. Thos. Paterson for 10 yrs. and Mrs. R. E. Forsyth, who has been acting since 1931.

Mrs. John Barry was the first treasurer, followed by Mrs. Joshua Bundy, Mrs. Jas. Paterson, Mrs. Gibbons who served for 23 years, Mrs. Geo. Richardson for six years and Mrs. Walford for nine years.

A few of the charter members were: Mrs. Gibbons and Mrs. Minnie Morgan and both were present for the golden jubilee ten years ago. Only one survives, Mrs. Morgan. Others were: Mrs. (Rev.) E. W. Dadson, Mrs. D. Forsyth, Mrs. Alfred Tracey, Mrs. Joshua Bundy, Mrs. Wm. Evans, Mrs. Reuben Besse, sr., Miss Mary Watson, Mrs. Richard Ward, Mrs. John Barry, Mrs. Silvanus Sharrard, Mrs. Robt. Ward, Mrs. Geo. Bundy and Mrs. Ab. Bundy.

In 1903 the ladies of the Circle, receiving permission of the church, collected funds for the building of the kitchen at the back of the vestry, which stands as a memorial of their spirit of co-operation. In 1922 the Circle gave \$66 for kitchen and church repairs and in 1924, \$212.24 for repairs to the church and parsonage.

On the occasion of the fiftieth anniversary, there were eighty visitors and 21 members.

It was not the privilege of all the members to attend the conventions, but excellent reports are brought back by the delegates.

The social activities consist of entertaining Uxbridge, Whitevale and Stouffville Circles and the Mission Band of the United Church, also our Mission Band and Junior Congregation members.

Ten years ago there were 39 names on the membership roll, now there are only 25. Eleven members have passed away in the last ten years, others have left the community.

# FOR THE SAKE OF GOOD CLEAN SPORT

For Every Age Group in Stouffville and Immediate District - for Boys and Girls

That was the Reason for the Formation of the Stouffville Athletic Club.

They have made Memorial Park the busiest place in town this summer—they hope to make the Arena, the busiest spot this winter.

This summer the Stouffville Athletic Club has organized three baseball teams for boys, and one softball team for girls. They have provided these teams with uniforms, and provided the men to coach them. In addition the Club has assisted in bettering the baseball facilities in the Park.

Aside from baseball and softball, the game of tennis has been revived. Members of the club have renovated the Courts and spent considerable time and money in placing this corner of the Park at the disposal of tennis players, young and old.

Plans are to carry this same program into the Arena this winter, with organized hockey teams from the Bantam group up. This work has hitherto been neglected to some extent.

## IT'S A GREAT WORK

To support it the organization is holding a Carnival and Dance in Stouffville next Wednesday evening, August 13th, at which they will give away over \$500 in valuable prizes, including a new Deluxe Westinghouse Refrigerator. In addition they are bringing to town for a one-night stand, that famous name in old time dance bands; George Wade and his Corn Huskers.
