BOAKE FAMILY HAS FIRST REUNION

On Monday, the first annual Boake reunion was held at the home of Mr. and Mrs. Sam Reaman, R.R.2, Uxbridge. Over 50 members of the family were in attendance,

coming from various sections of the province. The afternoon was spent in sports and games, after which a picnic supper was served. It was suggested the reunion would be held next year on the first Saturday of July in Mount Albert park.

JOURNAL CLAIMS GOOD MARGARINE EXCELS BUTTER

The current edition of the Canadian Medical Association Journal is an editorial says "From the economic and nutritional aspects, good margarine is superior to butter."

The journal, noting the defeat of margarine proponents in Parliament, refused to discuss the "political aspect of the question...beyond expressing the hope that the persistence in the advocacy of its use may have reward."

It adds: "Margarine is made from vegetable fats and oils of seeds, such as cottonseed, coconut and soybean. Animal fats may be added as well, but not necessarily. One criticism of margarine has been that vegetable oils may be lacking certain acids essential to nutrition which are found in butter fat, such as linoleic acid. As a matter of fact, some of the vegetable oils which may be used for margarine are richer in these essential acids than in butter. Again, the mixture of vegetable oils and animal fats in margarine would fully make up any such deficiencies."

The Journal adds that vitamin A can be added, "and so make the margarine contain even more of this vitamin than the richest butter."

The 5-cent cup of coffee in restaurants across Canada may still be absent but a move in this direction is the offer of many restaurants now of an extra cup of coffee without charge.

Stauffer Family Reunion Draws 500 to Waterloo

Nearly 500 attended the Stauffer family reunion held Saturday at Waterloo Park and attended by several Stouffville Stauffers of the family. Representatives were present from California, Texas, Kansas, Indiana, Illinois, Ohio, Iowa, Michigan, New York, Pennsylvania, British Columbia, Alberta, Saskatchewan and various parts of Ontario. Thirty of the family members travelled more than 1,000 miles and eight came a distance of 2,500 miles.

Reeve Vernon Snider, also a member of the reunion family, represented the mayor in welcoming the large gathering.

Speaks of Challenge

Dan. E. Stauffer, Plattsville, president of the organization, who presided, brought a challenge to the Stauffer descendants to show appreciation of the heritage made possible for them by a widow and her four sons who fled from Europe to America to seek freedom of religion.

Mr. Stauffer drew attention to the democratic background of the Stauffer name, saying that during the 1,100 years of recorded family history its members had always stood and died for freedom. Three Stauffers were elected to the first civil government in the world. He also pointed out that Switzerland, the family homeland, was the only country consisting of four nationalities that had been able to live peaceably in the midst of world wars.

Throughout the program musical selections were played by the reunion orchestra directed by past president Harley Stauffer of Waterloo. Dr. L. L. Stauffer gave a brief history of the family.

Greetings Extended

Greetings from various districts represented, were given by Menno Gingrich, California; Rev. Eli Hallman, Texas; John Stauffer, Michigan. Also introduced were Obal Stauffer, British Columbia; Arthur Stauffer, Washington, D.C.; Arthur Snider, Los Angeles; Dr. Milton Stauffer, New York City, who was to have been the main speaker, was unable to attend.

Dinner arrangements were in charge of Vernon Snider; registration, Ward Stauffer; history, Dr. L. L. Stauffer; recreation, Elmer Stauffer.

The executive will meet in two weeks to plan for the next reunion to be held in five years.

In Days of Yore

20 YEARS AGO

Ern. Lageer has exchanged his house on Church St. next to the United Church, for farm lands in Uxbridge township.

When in Toronto on Sunday, Mrs. E. A. Hutchinson had the misfortune to sprain her ankle. She was alighting from a street car at the time.

On Sunday Mr. and Mrs. Herbert Porter visited over on Yonge St. at the home of Mr. Richard Foote, one of our former residents.

Tax collector Harry Perry is distributing his annual tax demands.

Mr. and Mrs. Caleb March have moved back to Stouffville and are occupying part of Clavin Yake's house at the east end.

Winners of the York baseball league will either be Stouffville or Aurora, and they must meet Oshawa Intermediates on Saturday.

Mr. Simeon Stouffer has returned from an enjoyable trip to the mining country north of Sudbury.

Frank Baker received a nasty wound on the ankle the other day while setting up a new reaper.

There'll be a cattle sale next Friday at the C.N.R. stock yards.

Stouffville may shortly have a fourth dentist practicing here. Dr. J. R. Patterson of Toronto has purchased what is known as the Bray property just east of the Christian Church. Sale price to Isaac Parkinson, the vendor was \$5,000.

A number of town people are picking currants on the Geo. Colard farm, west of town. There are 1300 currant bushes there.

Work on the \$10,000 addition to the local school commenced on Monday. Sandy Jones has a gang of men doing the excavating.
