

FALL FERTILIZER

Supplies are definitely short again this year. Ample supplies of well-cured 2-16-6 are available. We are accepting orders for early delivery and advise ordering right away.
 20% Superphosphate Regular or Granular.
 0-14-7, 0-12-12, 2-12-6, 2-12-10, 2-16-6 Regular or Granular.

"CERESAN"

This ethyl mercury phosphate dry dust seed disinfectant controls bunt and stinking smut of wheat. It reduces losses from seed decay and damping off. Ceresan is double action, killing seed-borne disease organisms both by contact and vapour.
 ½ oz. per bushel of Wheat

FALL WHEAT PRICES are \$1.48 at elevator. We are in good position to handle your wheat from the field or barn. Empty sacks loaned. We are buyers of ALSIKE Clover, RED Clover, Timothy, Alfalfa, White Dutch Clover, and Ladino.

C-I-L PLANT PROTECTION SERVICE
 PEST Control is good insurance. Use Dusting and Spraying materials. Atox (Derris Dust), Bordeaux-Arsenic Dust, 3% DDT Dust, Deetrox (Fixed Copper Dust with 3% DDT. Mon-Ocop 26 (Copper-Lime Dust), Trox-ide (Fixed Copper Dust with Arsenic). Deenate 50w. wettable DDT powder.

STIVER BROS.

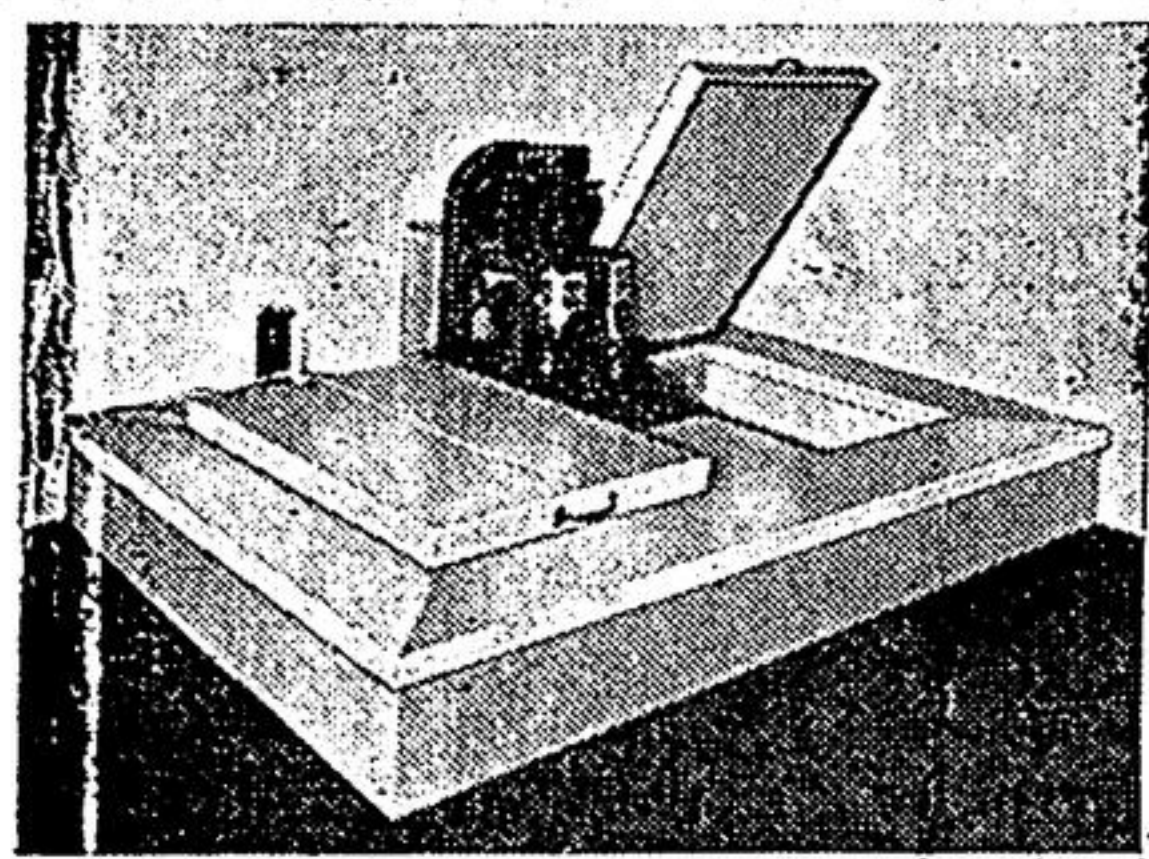

Mrs. Howarth of Toronto was in town a few days ago. She placed flowers on the grave of her father the late Rev. Alfred Ward, who will be remembered by residents of ten years ago. The Ward family occupied the present hospital property, and Mr. Ward was a prominent citizen and member of the municipal council, and retired Methodist minister. His widow resides in Toronto, but is at present on holidays at a summer resort. Mrs. Howarth, one of the daughters is presently leaving with her husband to reside in Huston, Texas.

Headquarters for Hot Weather Foods

Flavorful breads for tasty, tempting picnics... pastries for picnics and lunches fresh, choice... the finest on the market... and all at prices that mean real savings. Make our shop your headquarters for summer baked goods.

THE STOUFFVILLE BAKERY

Only
 2c
 TO COOL
 A CAN
 OF MILK

WOOD'S Milk Cooler

TAKES TEMPERATURES OF FRESH WARM MILK DOWN 50% IN ONE HOUR.

More Canadian farmers bought Wood's Milk Coolers last year than all other makes combined — evidence of the satisfactory service Wood's Cooler gives. Rapid circulation of the water by the Wood's design, Cools Milk Fast — brings milk down below 50 degrees in one hour. Accurate controls automatically keep temperature within 3½ degree range — avoid spoiled milk losses.

Wood's Milker

CUTS MILKING TIME IN HALF

Wood's Milking Machines cut the work and time of milking in half. These machines have a number of exclusive features: seamless one-piece pail, entirely rustless — easily cleaned. They are available for use with gasoline engines or electric power. In these days of help scarcity, make your electricity save you work and money. With a Wood's Milker one man can milk a herd that would take at least two men to milk by hand. The Wood's Milker is easy to operate, simple and trouble free in construction and attractively priced.

STOUFFVILLE, PH. 281

Local and Personal Happenings

Mr. and Mrs. Harry Ratcliff and Billy, Miss Grace Brown and Mr. and Mrs. Robt. Aberhart are spending a couple of weeks at Lake Couchiching.

Mr. and Mrs. Horace Greaves and daughter Lorraine from Toronto spent the weekend with Mr. and Mrs. Bert Tait.

Mr. and Mrs. Archie Stover and children motored from Milverton to spend the weekend here with her parents Mr. and Mrs. Harmon Hoover. Archie is the Milverton baker.

F. Mowder has been given the contract of redecorating the interior of the entire post office building. Work to be completed this year.

Mr. and Mrs. David Meyer, Toronto and two children, are holidaying at the home of his mother, Mrs. Edward Meyer, Rupert avenue.

Mr. and Mrs. Thos. Pherrill, Thornhill, were in town on Monday looking for a house or boarding place. Mr. Pherrill will be on the High School staff here beginning the September term.

Member of the municipal council Mr. Frank Rowbotham, has been ordered to remain in bed for two or three weeks, as a result of a heart strain received while assisting in felling a tree.

Dinner guests with Mr. and Mrs. H. Dishley and daughter Evelyn at their summer home at Ballantrae, were Mr. and Mrs. E. Wolfe and daughter Diane, Mr. and Mrs. E. Johnston, Mr. and Mrs. B. Wilson, Mrs. A. Waters and daughter Nancy all of Toronto, Mr. and Mrs. Harry Phoenix and daughter Mary, Miss A. Eggimann of Greenbank, Mrs. E. Gillion and son Lorne of Stouffville, and Mr. and Mrs. B. Bates of Ballantrae.

Rev. Hershey Sensing and Mr. Eli Knolt, with their wives are visiting at the home of Mr. and Mrs. Jos. Smith, Cedar Grove, and with other friends throughout Markham township. The visitors are members of the Mennonite faith located at Lancaster, Pennsylvania. They report crops in their home area probably a little more advanced than in this part of Ontario, where yields are much the same this year.

Janet Hope of Milliken has been visiting with Mr. and Mrs. Hugh Boyd. Owing to an accident last year Janet missed some of her high school term at Markham, but notwithstanding she carried off seven firsts it was shown when the final results were announced.

Dickson Farm on Market
 Mr. Roy Dickson of Toronto was in town one day last week. On behalf of the family he is offering the old farm property of from 14 to 17 acres for sale on Main street east. On the land is a good barn and other buildings. His two sisters Misses Bessie and Nellie who occupy the brick residence and garden adjoining reserve this, of course, from the sale of the farm. Front of the farm includes excellent building lots. Oldest residents of Stouffville recall when the late Mr. Dickson operated a blacksmith shop on the premises, but this has long been discontinued and the old shop removed. The farm was worked until recent years by son Walter Dickson, who is still a patient in the Brierbush hospital.

WEDDINGS

HAMM-FORSYTH.
 Rev. D. Davis of Stouffville United Church officiated at the marriage of Alice Norine Forsyth, daughter of Mr. and Mrs. Levi Forsyth, to Lloyd Donald Hamm, son of Mr. and Mrs. Garfield Hamm, on August 9th, 1947. The home was decorated with tall standards of pink and white August flowers. Miss Bertha Stouffer, cousin of the bride, played the wedding music and accompanied Mr. Lambert Stouffer, who sang the "Lord's Prayer," and "O Perfect Love" during the signing of the register.

The bride, given in marriage by her father, was gowned in white organza, with fingertip veil and wore pearls, the gift of the groom. Her flowers were red roses. The bridesmaid, Miss Margaret Stover, wore blue sheer, with Dutch lace cap and roses, and carried pink roses. The bride's niece, Elaine Forsyth, was flower girl, dressed in pink nylon, with head band of roses, and carried an old-fashioned nosegay. Kenneth Hamm was his brother's groomsman, and Floyd Forsyth, brother of the bride, acted as usher.

At the reception the bride's mother received in flowered pink jersey, wearing a corsage of delicate pink roses. She was assisted by the groom's mother in grey jersey, wearing a corsage of pink roses.

For her wedding trip to northern points the bride wore a silk jersey trimmed with black lace and black accessories.

Mr. and Mrs. G. Richardson and Mr. and Mrs. Thos. Richardson of Roanoke, Va., are visiting in town at the home of Mr. and Mrs. George Lee, and with other relatives at Claremont.

Mrs. P. F. Greenfield, Miss Joan Greenfield and Miss Allie Bragg of Bowmanville were weekend visitors at the home of Mrs. W. T. Byam.

Rev. D. Davis of Stouffville, chairman of Toronto East Presbytery, was in Markham on Sunday evening, where special services were being conducted following the re-decorating of the United Church there. Rev. G. H. Thomas, newly inducted minister there was the speaker, and Rev. Davis extended greetings from the Presbytery on this special occasion.

Sutton post office was robbed last week, when thieves forced a rear entrance. They made out with only \$30 in cash, about \$700 worth of postage stamps, and many blank post office orders which would be difficult to negotiate. The thieves are believed to have robbed other sections but no real clue to their identity has been obtained.

Since the foregoing was in type the thieves were apprehended right in Sutton, together with all the loot they made off with.

BORN IN WHITCHURCH

REBECCA MORTIMER DIES
 The death occurred in Glenavon, Sask., on August 6, 1947, of Rebecca Toole Mortimer. Mrs. Mortimer was born in Whitchurch twp. in 1855, the eldest daughter of Sophia Penrose and Allan Toole, Pine Orchard. She was 92 years old on June 26. She spent her early childhood in Whitchurch twp. and after her father died she moved to Glenavon, Sask., where she married Mr. Mortimer and farmed there until the death of Mr. Mortimer a number of years ago.

Mrs. Mortimer had never returned to the place of her birth since leaving 45 years ago. She is survived by one son, Whit Toole, two brothers, S. C. Toole, Ferrier Ave., Toronto, and George, Pine Orchard, two sisters, Mrs. Hattie Littlejohn and Mrs. Emily Stickland, the former who predeceased her 14 years ago and the latter six years ago. Burial was in Glenavon, Sask.

Lad Grabs Live Wire

Seriously Burned
 Playing about near his home on Victoria street little Jimmy Miller, son of Mr. and Mrs. Wm. Miller, received a severe shock and burn the other day, when he grasped a bare electric wire charged with 110 volts. The little fellow two or three years of age sustained a severe burn across the palm of the left hand, which if the wound does not improve in a few days will necessitate a grafting operation.

It was fortunate that the line carried only 110 volts, otherwise the accident could have been much more serious. In fact as matters now stand, the muscles of the finger are so badly burned that there may be a stiffening of them that will leave the lad with a handicap. The lad's father is an employee of Stiver Bros.

Mrs. Mabel Gillies of London has been visiting at the home of Mr. and Mrs. A. V. Nolan.

Miss Gaye Rennie and Master James Rennie spent a few days at the home of their aunt, Mrs. J. W. O'Neill in Belleville recently.

Mrs. David Watson and Myrtle were visiting with the former's daughter, Mrs. Robt. Hynes, Toronto, for a few days last week.

Mrs. J. W. O'Neill and two children, Elaine and Diane from Belleville are visiting with Mr. and Mrs. W. T. Rennie.

Granville B. Forsyth has returned to his home in Chicago, after visiting his family here, and attending the wedding of his niece, Alice Forsyth.

Mrs. V. Blake who was formerly Miss Shirley Colclough of the Stouffville High School staff is making her summer home at Musselman's Lake, along with her two children. Mr. Blake is in the R.C.A.F. The Blakes are interested in securing a permanent home in Stouffville.

Dr. T. Watson and Mrs. Watson of Toronto have moved into their new home on Church St. which was recently purchased from Mrs. Peters. The place was most recently occupied by Mr. and Mrs. Jack Barkey and family. The new owner, we understand, will make extensive improvements in the property.

Last week this paper carried a report on the Booth "chicken palace" now being completed on the old Collins property on Main street east. In the large red brick residence owner of the "chicken palace" Delbert Booth resides with his wife and family, also his parents Mr. and Mrs. Douglas Booth who owns the large residence while, Delbert purchased the adjoining lands and developed the chicken business and feeds sales carried on. The large house has been modeled into a two-family apartment.

Several cases of whooping cough are reported in town, but have not come to the attention of the Dept. of Health. In other words the cases have not been reported to any doctor, otherwise the cases would be placarded and children compelled to remain on their own premises. No child will be permitted to attend school next month of course if he or she is suffering from or recovering from the disease. A check will be made, no doubt, when school opens. The trouble of placarding homes with whooping cough at present is that parents do not take the youngsters to the doctor and thus they escape the inconvenience of coming under the terms of contagious disease.

CUCUMBER COMPETITION

Who can grow the longest cucumber between now and Sept. 11, date of the annual Horticultural Exhibition in Stouffville. Start now and see what you can grow. A prize will be given. Those who were present at the show on Thursday evening were given some "tips" on how to grow 'em long.

Miss Margaret Neal has returned home after a visit with relatives in St. Mary's.

Mr. and Mrs. Ross Rardy of Hamilton, Mrs. E. M. Leith and Mrs. F. Garland of Toronto, and Miss Ethel Goudie of Stouffville were Sunday visitors at the Mertens-home.

Mr. and Mrs. Henry Madill of Amaranth township, in the Orangeville district were here over the weekend visiting his brother, Oliver, the Altona merchant. Henry is farming and recently acquired more land, now totalling 300 acres.

The heat wave of last week is over, and everybody is hoping for cooler weather. While a record was made, it was beaten back in 1936 when, weatherman tells us, it was even worse. We won't argue the matter, and do not want any further demonstration to prove anything.

There are no less than eleven new homes under construction in Stouffville at present, ten of them east of Church St. One new store block is also going up on Main St. To summarize, there are two new houses going up on Tenth street south, one on Tenth street north, two on Main street close to the school building, two on Baker avenue and one for Geo. Patton south of Miss Gertrude Todd's home. In the centre of town we have a new store building started, and in the west end a new house on Albert street south and the two on Brillinger avenue now enclosed receiving interior trim.

VETERANS' NOTICE

Spend Warriors Day at the Exhibition. A chartered bus will leave Stouffville on Saturday, August 23 at 8.30 a.m., returning at 11.00 p.m. for Veterans and their families. Return fare \$1.50. Bus tickets can be bought at the bus station or Shiner Davis'. Exhibition tickets may be secured from the secretary. Dress for Veterans—berets and medals, or service ribbons.

New Permanent Main Completed, Baker Ave.

A permanent water main was completed this week on Baker avenue, where two small pipe lines have been serving the street for years. Had a permanent job been done at the outset the cost would have been less than half the money spent for laying pipes in that area. However, no doubt the council of that time did not envision the growth that has since taken place. Present service could care for a number of new homes, yet unthought of. At present the foundation is in for John Lehman's house, and work is starting on one for Ira Rusnell next door to the Lehman's. Excellent drainage is obtainable in this section, and the street is on an altitude that provides a lovely outlook over the town. This week the digger is opening a trench from Baker avenue east on Main street to provide a north side main up as far as the residence of Bert Tait. These properties have been serviced from small pipes crossing the road, which frequently freeze in winter and leave home owners without a water supply.
