# BIG-CAR QUALITY AT LOW COST

World's Champion Valve-in-Head Design!

Your new Chevrolet is the lowest-priced car with a Valve-in-Head Engine—the type of car engine which holds all records for efficiency—for giving maximum power from every ounce of fuel. And your Chevrolet Valve-in-Head Engine is the "champion of champions" on all these counts: (1) Valve-in-Head performance at lowest prices; (2) billions of miles of service to owners; and (3) number of owners served. In fact, this sturdy Chevrolet Valve-in-Head Engine has delivered more miles, for more owners, over a longer period, than any other automotive engine built today, regardless of type, size or price!

A PRODUCT OF GENERAL MOTORS

You can't match Chevrolet's BIG-CAR COMFORT at low cost, either, for it brings you the higher degree of riding-smoothness and road-steadiness imparted by the famous Knee-Action Gliding Ride—and this, too, is exclusive to Chevrolet in its price range.

Be wise! Keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, until you secure delivery of your new Chevrolet. Come in—today!

# CHEVROLET

Claremont Chas. Cooper Ontario

You and your family want real motor-safety, and here again your choice is Chevrolet. It's soundly and sturdily built, with BIG-CAR QUALITY through and through, typified by Fisher Unisteel construction, the Knee-Action Ride and Positive-Action Hydraulic Brakes. That's a combination of safety factors found only in Chevrolet and higher-priced cars.
