

SPORTS

Stouffville girls downed the Uxbridge fair sex 19-5 in an exhibition game here on Thursday night.

Aurora Juveniles were eliminated from the O.B.A. running on Friday by Milton 6-4. Milton took the first game in Milton 10-2.

Stewart Beare, well-known radio repair man in Newmarket won first prize in the recent York County Police Association games at Jackson's Point, piloting his 15-foot motor boat with a 10-horse power outboard motor.

Mrs. Beauty's rink from the North Toronto Bowling Club were the winners on Saturday at Richmond Hill of the Clement Memorial Trophy, donated this year for the first time by Len. Clement, who incidentally is father of Mac Clement, popular Stouffville hockey player. An entry from the Stouffville club was received too late.

Harry Milroy, Markham hockeyist, is playing nice softball this year for Boyes of the Scarborough intermediate circuit. Jerry Junkin, another former Markham junior is playing with Boyes also, while Roulcliff, centre iceman with Markham a couple of years ago, is with the Nicodaemus team in the same league.

Markham Bantams dropped their third and deciding game with Collingwood Bantams on Saturday by the score of 19-10. This rubber game was to have been played on Newmarket grounds, but according to Markham officials, Collingwood came through with a \$25 expense cheque to have the game played back in their park, hence the shift.

After a week's layoff and considerable conjecture as to who they would play next, Markham Midgets, who incidentally are favored to take the Ontario championship in this department, have been slated to meet Collingwood Midgets, with the first game in Collingwood this Thursday, and the return game in Markham on Saturday afternoon at 4 o'clock.

JUNIORS BREAKDOWN IN SECOND GAME WITH BOWMANVILLE

Stouffville Juniors must have felt the shades of last season drawn over them in Bowmanville on Wednesday, as they went to pieces to lose 12-0. This was just half the score by which they dropped from the running before the same team last year.

The boys just couldn't seem to do anything right, while Bowmanville were hitting perfection stride behind the slants of lefty Sturrock, who held the home sluggers down to four hits, allowing only three men to face him in four out of the nine innings.

Clemence of Bowmanville who pitched in the first game with Stouffville in the Junior playoffs, and again for two innings in the final game, has visions of a professional ball career. The lanky right-hander tells us he will be given a chance with one of the farm clubs in the St. Louis farm chain of the Major League next year.

Charlie Hemstead, formerly of Markham, is kind of sorry the Canadian National Exhibition is ended. Charlie has been having some grand success at the Coliseum with his horses and has loved every minute of it. His King's Plate winner Paolita won the grand prize for mares and Fore Royal took the grand prize for studs. This is the one that R. S. McLaughlin brought out from England. Charlie also won a first for a yearling filly and also for a suckling. In addition he had some seconds, thirds and fourths. Now it's on to Thorncliffe for Charlie to see if he can do as well in the running game.

Gould Cup Finals Are Starting Now

The Goodwood boys captured the second round of the Gould cup series by eliminating the Jr. Farmer team at Uxbridge, Thursday evening and now meet in the final series with Greenbank who have won their games with Uxbridge.

Goodwood took the Jr. Farmers' team in two straight games and in the last game Al Cooper only allowed 9 hits against them. The boys after the first innings played fast ball and with only 3 errors tried to give the large Uxbridge crowd their money's worth.

Tuesday evening, Sept. 9th, Greenbank will arrive to play their first home and home games.

Goodwood—Foskett, Hopkins, G. Staley, G. Todd, W. Todd, S. Slack, Al. Cooper, S. McGuckin, Deb. Cooper.

Jr. Farmers—Johnston, Harwood, McNelly, Arnet, Armstrong, Acton, Kester, Cain, McGregor.

Umpire—Bradbury and St. John.

Goodwood had a fairly successful season and the sport club has in mind an outside rink for the winter season and to enter a team of local boys in the bush league. But with prices of lumber reaching up any ideas of how this can be accomplished will be welcomed as the club has only sufficient money to secure about half of the necessary material. Let's see what can be done to keep this community up with the rest of the sporting world.

Said to be the smallest Shetland pony on record, "Tiny Bit" is alive and frisky on a Texas farm. He weighed ten pounds at birth, and has not got much bigger, since he can be taken up in the arms of a young girl.

Pat McCloskey
Two of the group of hockey players who left last Saturday for Scotland are Pat McCloskey and Ron Lintner of Whitby. Both have played Bantam.

Ron Lintner
Junior and Intermediate. Other district players who went along were Mundel from Aurora, Forgie of Markham and Hockberg, Uxbridge.

Juniors Go Down 6-4 In Third Playoff Game

"Porky" Schell Turns in Another Nice Mound Effort, But Bowmanville Wins Game on Local Errors—Game Played in Sunderland

Bowmanville 6, Stouffville 4, is the way the score read at the end of the third game in their best of three O.B.A. Junior 'B' baseball playoff series, but for local fielding errors could have easily read the other way. "Porky" Schell turned in his second nice mound performance of the series, setting down Bowmanville with seven safeties. In addition he collected two singles, the best batting performance of any player on the team.

Bowmanville used southpaw Sturrock to tie up the local batters as he had done in the second game down in Bowmanville. He allowed just six hits up until the seventh innings, when he was relieved on the mound by Clemence, the losing pitcher here in Stouffville in the first game.

Bowmanville got one hit in the fourth innings, but put two more men on bases through errors and two runs scored, to open count. Stouffville came right back in their half to score one run on a hit by catcher "Butch" Schell. Bowmanville added another in the sixth and three in the eighth Stouffville capitalized on an infield error in the seventh to score another, and pushed two across in the eighth.

Local fans thought the home-townners had started to roll along and were confident of tying the score in the last of the ninth, but their hopes were short-lived.

Pitcher Clemence saw the series winner in sight, and bore down with everything he had. To add to this was the nervous tension of the Stouffville batters, who had their backs to the wall. Both "Porky" Schell and Prosenko went down swinging, while Jewett lined to the pitcher to end the game.

However, Stouffville fans are not too downhearted. They realized that the opposition was tough, and still believe they have a good ball club. Some mighty good baseball has been dished up for local ball fans this summer, and this column offers its congratulations to the team on their showing.
