Appreciation

During the brief two years which I have owned and operated Maple Leaf Dairy in Stouffville, I have enjoyed the wonderful co-operation and support of a wide range of friends, and have found a spirit of helpfulness at all times on the part of the dairy inspector Dr. Bodendistel, and others charged with carrying on the health department.

On turning over the Maple Leaf Dairy to my successors, I say "thank you", in the most sincere manner. I bespeak for them the same liberal support I enjoyed, and I feel that they will merit your support and patronage in every way.

Mutual Leader Honored

F. M. PUGH

The Mutual Life of Canada has released its Honours List, recognizing Mr. F. M. Pugh of Stouffville for outstanding service to his community in the Club Year recently closed. He has qualified as a member of the Leaders' Century Club.

Qualification for Club membership requires not only the writing of a large volume of new business, but, more important, the writing from year to year of "quality" business, that is, life insurance that is continued in force. These two factors, combined with a high personal standard of confidential service to policyholders, earn for Mutual Life representatives membership in the production clubs.
