

# Claremont and District

By Staff Correspondent

Local dealers—Madill's Store and Overland's Store.

Mr. Loss Hill has been in very ill health for a couple of weeks, following a severe nose hemorrhage at Markham fair.

## Aged Railway Man Buried on Monday

Mr. and Mrs. Robertson and two sons of Toronto visited over the holiday at the Benns home here.

Funeral services were conducted by Rev. Heal of Whitevale on Monday afternoon for the late William Shepherdson, Pickering Township, who passed away at his home on Saturday, Oct. 11th. Deceased was in his 90th year. The late William Shepherdson was born in England, and came to Canada as a young man. He married Mary Jane Hood, and found employment as a railway sectionman, where he rose to the office of foreman.

Some twenty boys turned out for the first get together of the newly organized Trail Ranger group. The boys are holding a corn roast this Wednesday evening.

Mr. and Mrs. C. A. Overland have been visiting over the holidays at Erin.

The late Mr. Shepherdson took up residence on the present place on the Pickering-Markham townline 26 years ago, and prior to this spent some time in Peterboro, Claremont and Whitevale. His wife predeceased him seven years ago.

Miss Ada Found of West Toronto visited relatives here one day last week.

Surviving are five daughters, Mrs. Frank Pennock, Green River; Mrs. Oscar McNeely, Mt. Dennis; Mrs. Russell Morden, Ballantrae; Mrs. Jack Simons, Peterboro; Mrs. Bert Jones, Green River; and one son, Clifford Shepherdson, Peterboro. There also survive 21 grandchildren, five great grandchildren, and one great grandchild.

Mrs. W. Miller of Pickering visited over the holiday with her sister, Mr. and Mrs. Geo. Scott.

Following the funeral service on Monday, interment was made in Brunswick Hill cemetery, No. 17 Highway.

Mrs. H. G. McIntyre and sister, Miss Brown, also Miss Margaret McNab visited during the holiday weekend with friends in Ottawa.

Mr. Reg. and Beverley Chandler of Toronto visited over the holiday at the home of Mr. and Mrs. Binstead and family.

Mr. and Mrs. Edmund Varden of Toronto visited on Saturday at the home of Mr. and Mrs. H. Boose. Jack Forrester of Blackwater, was a visitor in Claremont last week.

Mrs. Minnie Morgan of Toronto and a former resident, is in poor health, friends will regret to learn.

## Statement from Reeve Annis re Mass T.B. Survey X-Ray

Mr. and Mrs. Chas. Gostick were in Toronto on Sunday visiting with her sister who is at present ill in hospital.

Mr. and Mrs. Hugh Pugh and son of Dublin, Ont., have been visiting with Mr. Pugh's father, W. H. Pugh and at the Will Palmer home.

One of the functions of your Township Council is to make Pickering Township as attractive as possible with a view to encouraging new business concerns to establish themselves here and to keep our present enterprises satisfied.

Mr. and Mrs. Arthur Cox of Toronto spent the weekend and holiday with Mr. and Mrs. Melvin Johnson and her parents.

Fred Mowder's auction sale of farm stock and implement last week, drew a large crowd and good prices. Pork sales were perhaps outstanding, in that sows sold for \$11, and chunks of pigs \$11 to \$12 each. Sucking pigs went for \$5.10. The high cow of the sale brought \$120, young cattle \$55 to \$60, and good heifers \$110. Mr. Mowder who had rented the farm east of Claremont for some years is giving up this form of occupation.

A healthy community is a prime requisite if we are to be successful in our efforts and we must take steps to prevent a disease such as tuberculosis from endangering the health of our population. This is a liability which Pickering Township seriously intends to put out of business.

Join Pickering Township fight against TB. An x-ray clinic is coming to the community hall, Claremont on October 24th and Brougham, October 25th. Local canvassers will make a house to house call to personally interview and make appointments for you during the week. A 100% co-operation is essential to wipe out the scourge of TB. An excellent opportunity is being extended to you absolutely free.

Tuberculosis is no respecter of persons. There is a very definite danger of infection to our residents if active cases are allowed to go undetected. Eighty percent of those having tuberculosis in the early stages are not conscious of being ill and consequently see no reason to consult a physician until the disease has considerably advanced. The only certain way such cases can be discovered is by means of an x-ray of the lungs.

The Women's Missionary Society of the United Church held their October meeting in the school room on Thursday afternoon last. The president, Mrs. McIntyre had charge of the worship service and business period. Mrs. E. Carruthers favoured with a solo, accompanied by Mrs. W. Ward at the piano. Mrs. N. F. Tomlinson, Mrs. H. Johnston and Mrs. J. Peddie had charge of the study book, dealing with the translation of the Bible into the language of the Dakota Indians. This was followed by a quiz. The meeting closed with the benediction by the pastor, Rev. I. E. Kennedy.

Facilities are now available whereby all residents of a community may be x-rayed rapidly and with a minimum of effort. Such a program will be offered here beginning Oct. 24th. It is being sponsored by the Pickering Township Board of Health in co-operation with the Ontario Tuberculosis Association and paid for by funds from the sale of Christmas seals in this area. Everyone of High School age and over will receive a free chest x-ray.

County Crop Report  
H. L. Fair, Agricultural representative for Ontario County, reports that silo filling is about completed in Ontario County. Corn is going into the silo badly frozen and quite dry. Most of the husking corn is showing good maturity. Flax yields are being reported at 15 to 20 bus. per acre. Turnips are making good growth—some excellent yields of good quality turnips are anticipated. Turnips are being exported to the Southern States at 50 cents a bus. to the farmer. Digging of the late potato crop is now general. Yields generally are lower than anticipated earlier in the season. Potato prices have firmed up and now appear to be \$1.35 to \$1.40 per bag at the farm. Apple picking is general—apples generally have sized up very well.

I earnestly request that every citizen respond most wholeheartedly to this campaign, first by having an x-ray and then by supporting the project among their friends and acquaintances by word of mouth. By so doing you will not only protect yourself and your family, but make Pickering Township a healthier place in which to live.

## Local Baptists Receive Appointments

Rev. R.D. Harmer of Lindsay was named moderator of the Whiteby-Lindsay Association of Baptist Churches last week at the association's 59th annual meeting, held in First Baptist Church, Oshawa. Mr. Harmer succeeds Rev. Jas. Taylor also of Lindsay.

Named to the post of vice-moderator was Deacon A. Gordon Davis, of Oshawa, Rev. P.C. Reed of Lindsay, continues as secretary-treasurer of the association.

Coming from eight entries including Lindsay, Whitby, Uxbridge and Reabro, some 150 delegates and members of the association attended the day-long sessions and a supper meeting at Adelaide House.

Officers of the Women's Missionary Council are as follows: Mrs. H. G. Burke, Reabro, president; Mrs. Morgan Pugh, Uxbridge, vice-president; Mrs. F. A. Reed, Lindsay, director; Mrs. S. R. Pitts, Lindsay, assistant director.

Executive of the Baptist Young People's Union for the coming year includes the following: Emeline Reed, Lindsay, president; William Davidson, Oshawa, vice-president; George Skuce, Reabro, secretary; treasurer; counsellors, Rev. R. F. Willson, Oshawa and Rev. L. Wenham, Claremont.

Road Disappears Baffles Engineers  
Teeswater, Oct. 11—A road which, on occasion, disappears overnight is perplexing engineers at nearby West Culross. Since August last some 35,000 cubic yards of gravel have been dumped into the section of the road where a sink hole once plagued would-be users. Tests show it is 72 feet down to solid ground and dump truck loads of gravel are unloaded daily in an effort to make the road stay put.

## Funeral of Late Mrs. Blake Annis Largely Attended on Monday

One of the most public spirited women in the community, Eliza Marie White, beloved wife of Reeve D. Blake Annis of Pickering Township, died at the family residence, Whitevale, Friday, October 10th, in her 57th year. The deceased had been in poor health during the past summer.

The daughter of the late Thomas White and Jennie Bruels, the deceased was born at Whitevale and was one of a family of seven children. A lifelong resident of Whitevale with the exception of four years in Hamilton, Mrs. Annis was active in the church work and life of the community. She was a former teacher in the Sunday School, church organist and was prominent in the work of the Women's Institute and the Red Cross.

Besides her husband to whom she was married 27 years ago last week, Mrs. Annis leaves three sons, Wilbur, Donald and Bruce. Also surviving are three sisters, Mrs. Lillie Poynter and Mrs. Arthur Pherrill (Flora) of Whitevale and Mrs. Levi Annis of Port Union, and four brothers, Orville and Lloyd of Toronto, Russell of Montana and Harry, Whitevale.

A family service was held at the family residence on Monday, at two p.m., followed by a public service in Whitevale United Church conducted by Rev. John McLaughlan, minister of Whitevale United Church. Interment in Whitevale cemetery.

Mennonites Arrive

Chilliwack, B.C.—First Mennonite family to be admitted to Canada

To my former Patrons of Claremont P.O. and Rural Routes 1, 2, 3.

May I take this opportunity to extend to you my sincere thanks and appreciation of the goodwill shown to me by the greater majority of the people, it has been my privilege to serve in Claremont Post Office over the past sixteen years.

I am enclosing one of the many letters I have received, which makes me feel that one's efforts to fulfil my duty especially during the strenuous war years has been appreciated.

The fact that I was only a voluntary applicant for military service, rejected for medical reasons and not a veteran of either World War 1 and 2, resulted in my application for position of P.M. being successful. Wishing you all the very best the future may hold. Yours sincerely, Ellen Pretty, Claremont.

Cedar Crest Farm, R.R. 1, Claremont, Oct. 4

Dear Mrs. Pretty,  
It was with surprise and also regret that we learned you had severed your connections with the post office. We feel, we cannot let this change pass without expressing to you our deep appreciation for the co-operation you gave us, especially during the years the boys were overseas. We sent 47 boxes overseas and save the last three we sent to Alvin, only one was left not accounted for. We always feel the main reason our boxes were lucky was due to your careful instructions and advice, you were always so ready to give. We have always found you kind and considerate in all your work. Yours sincerely, Mr. and Mrs. Wes. Lehman

from Europe under present immigration laws, Mr. and Mrs. Henry Rempel and their four children, have arrived here.

| To Claremont   | .75         | 1.40        |

Last week was observed as "Fire Prevention Week" across Canada, and Stouffville in common with other places took heed. This town put into operation a modern new fire fighting engine of latest design and equipment.

Stouffville Fire Brigade recently made an inspection of buildings, dumps, etc., and have notified owners about cleaning up and taking other steps for fire prevention.

Do your part to make Stouffville safe from fires which have taken a terrible toll the past year over the country.

Farm and city are equally exposed to the threat of fire; indeed, the farmer is in a much worse position because of lack of fire-fighting equipment and often of water. It is a good time to check electric wiring in barn and house, to get rid of cobwebs and to clean out dark corners where rubbish has gathered.
