Robert Case has been awarded a contract for the operation of the Aurora Arena this winter.

## Local Goalie Injured in Practice

Unionville Junior 'B's have been working out at Varsity owing to the crowded condition of Oshawa ice.

Doug Moore, plucky young net-minder with Stouffville Red Wings for his third season received a nasty cut on the chin during the practice at Oshawa on Friday night. He was removed to Oshawa General Hospital where the wound required five stitches to close. Jack Warriner, sub goalie filled in the breach when Moore was forced to retire.

George Chin, Lucknow hockey star, known to sports fans here will don a Goderich uniform this year with the Junior 'C's of that town.

The team was out in force and went through a strenuous workout. The last three weeks practice is beginning to tell as the boys are skating faster and getting more coordination into their play.

Murray Holden, one-time Stouffville Junior and Intermediate hockey player will take on the coaching duties of the Stouffville Midgets this season. The group includes lads 17 and under, age date being Nov 1st. A minor Bantam group will also operate, age being 14 and under. Ken Laushway and Don Lewis will handle this group.

Most of the club executive was on hand as well, including president Thompson and manager Snowball, and all were pleased at what they saw.

It would appear that this year's Junior hockey group was slowly taking shape with the entry last week of Newmarket. This puts Newmarket, Aurora, Whitby and the Victoria-Square-Stouffville entries in line. Newmarket will also have an intermediate entry, and Midget and Juvenile OMHA entries. Aurora Juniors expect to be in Barrie for their first practice this Wednesday night.

## LADY BOWLERS ELECT NEW OFFICERS

Grade 10 downed Grade 9 in an inter-form soccer match on Friday by the score of 2-0. Roy Ward and Ron Smith did the prize kicking for the winners, while Clifford Dunkeld was tops on the defence for the "Niners". Both teams turned in their best game defensively, and both stuck to their positions well. Jim Booth for Grade 10 had little to do at his end of the field, having only one shot to handle.

The Ladies Bowling Club held their annual meeting and election of officers for 1948 on Tuesday evening, Nov. 4th at the home of Miss Gertrude Todd when the following officers were elected. Pres., Mrs. Wm. Birkett, 1st vice, Mrs. Lud Hoover, 2nd vice, Mrs. Geo. Lee, secretary, Mrs. Geo. Storey, treasurer, Mrs. Fred Crossen, games convener, Mrs. A. Campbell, prize convener, Mrs. M. E. Watts, refreshment convener, Miss Gertrude Todd, Friday night games, Mrs. Fred Crossen; Monday night games, Mrs. Wm. Birkett; Social convener, Mrs. Thos. Jennings; Greens committee, Mrs. Lee, Mrs. T. Rennie; Supply convener, Miss Myrtle Watson, Membership committee, Mrs. Carl Boadway, Mrs. L. Wilson, Mrs. L. Hoover. The reports from all the committees were gratifying. Twenty-five members present. The social convener and her committee are planning a bazaar to be held on Saturday, December 6th, more detailed announcement will be made later.

The "heavy negotiations" which have been going on between Stouffville Junior hockey executive and Unionville for some time, reached an amicable conclusion last week, with the release to Stouffville of three of last year's players, Polly Minton, Keith Jewett and Don Campbell. Bill Collins, fast-stepping redhead who practiced with Stouffville and had signed with the local team, will now go to Unionville and put his signature to a Junior 'B' certificate. It is also expected that Norm Stunden on whom Stouffville had designs at the beginning of the practice season, may get a permanent goal-tending job for the Unionville 'B's'.

## FARR'S ELEVATOR CLAREMONT

ADDITIONAL CONTRIBUTIONS  
The North York Plowmen's Association wish to thank the following who made donations after the prize lists were issued for the annual match:

Phone Res. 38J—Farr's Elevator, Claremont. Office 38w.  
Robert Millar, Brougham.  
Special Large Coke at old price \$15.00 per ton

When feed is expensive it is more necessary to cull your Hens often Don't keep boarders.

Master Laying Mash is proven. Maple Leaf Feeds.

See us about Grain Prices.

Roofing and Insulation, Rolled and Insulated Siding, B.C. Shingles.

Stouffville Creamery \$5; D. L. Stouffer \$2; Henry Ogden \$2; G. O. Wright \$2; John Scott \$1; Roy Grove \$1.

"Three Came Home," Keith; "Inside the U.S.A.," Gunther; "Haida," Sclater; "London on the Saugus Branch," Paul; "Personality and its Deviations," Stevenson.

## WIDELY KNOWN SCARBORO DESCENDANT PASSES

Mr. T. A. Paterson, a descendant of an early pioneer family of Scarborough township passed away on Tuesday, Nov. 4th.

Mr. Paterson farmed in his early days, moving to Agincourt in 1916 where he and his wife, the former

Ida Carnaghan, also a member of a Scarboro pioneer family, built up the widely known lilac gardens. They both were greatly interested in the pioneer history of their native township, culminating in the rebuilding on their grounds in Agincourt one of the outstanding specimens of the pioneer log houses of the early 1800's.

A life-long member and Elder of St. Andrew's Presbyterian Church, Bendale, he was until his death a member of the choir and the choir-master for many years. While he ceased to farm in 1916 he took a keen interest in plowing. He was a director of the East York Plowmen's Association and at one time director of the Ontario Plowmen's Association.

He is survived by his wife and one son Frank G., of the staff of the Bell Telephone Co.

**NORTH PICKERING RED CROSS**  
The North Pickering branch of the Red Cross have announced that their project of distributing cod liver oil will be carried out through the 22 schools of Pickering Township again this winter, through the kind co-operation of the teachers and the public health nurse. A good supply of capsules and liquid is now

available, and now is the time to start taking that preventive dose. Another reminder might be in order, too. Wintry weather always brings illness in its wake, and the average family does not often possess the requisites to cope with an emergency, such as a hospital bed, a wheel chair, back rests, air cushion, rubber sheeting, etc. These sickroom supplies may be borrowed from the Red Cross upon application to Mrs. J. R. Rhoten, P. H. N. who has charge of the Loan Cupboard in which are kept in readiness for any emergencies, blankets, sheets, dressings, hot water bottle, etc.

## COURT OF REVISION

### Township of Pickering

TAKE NOTICE a Court for the Revision of the assessment roll for the Township of Pickering for the year 1948, will be held on Friday, November 14, 1947, at the hour of two o'clock in the Council Chambers, Brougham, for hearing complaints against the assessment roll for the said year.

All persons interested please govern themselves accordingly.

Lloyd Johnston, Clerk.

# REGULATIONS

## applying to certain uses of

# ELECTRICITY IN ONTARIO

WHEREAS the requirements of war production and the scarcity of materials since have restricted the construction of electric power developments;

AND WHEREAS the consumption of electric power has continued to increase at such an accelerated rate since the termination of the war that consumption demand of consumers now serviced, without taking into account pending applications for power, has increased by 25 per centum over the 1945 consumption demand and if the Commission were to carry the reserve of 15 per centum considered provident prior to the war and absorbed in meeting wartime demands, the increase in power requirements would in fact be 40 per centum;

AND WHEREAS the demand upon the Commission for electric power is substantially in excess of its electric power resources, and the Commission is of the opinion that a state of emergency exists and has so declared;

NOW THEREFORE the Commission makes the following regulations:

### REGULATIONS MADE BY THE COMMISSION UNDER THE POWER COMMISSION ACT

1. No municipality or municipal commission receiving electrical power from the Commission shall without the written authority of the Commission supply or use or permit to be supplied or used by any person the electrical power or any part thereof for the following purposes:—
  - (a) lighting of interior or exterior signs;
  - (b) interior or exterior lighting of show windows;
  - (c) interior or exterior outline or ornamental lighting;
  - (d) interior or exterior lighting for decorative or advertising purposes;
  - (e) out-door and flood-lighting for white-ways and for parking lots, used-car lots, service stations and out-door industrial premises above a minimum permissible only between sunset and sunrise, as follows:—
    - (i) parking lots and used-car lots, 2 watts per 100 square feet of space only while open for business;
    - (ii) service stations, 100 watts per gasoline pump standard, exclusive of lights in pumps, and only while the service station is open for business; and
    - (iii) out-door industrial premises, amount necessary for working areas only;
  - (f) the operation of air heaters, electric grates or electric boilers used for heating purposes in stores or offices;
  - (g) street-lighting between sunrise and sunset;
  - (h) lighting of marquees or sidewalk canopies except 2 watts per square foot of floor-space or sidewalk area covered by the marquee or canopy between sunset and sunrise;
  - (i) lighting of entrances or exits in excess of 5 watts per foot of width of the entrance or exit; and
  - (j) lighting of interiors of business premises after cessation of business with the public except the amount necessary to enable staff to work.
2. These regulations do not apply to,—
  - (a) (i) flood-lighting of airports;
  - (ii) lighting for police and fire services and protection;
  - (iii) lighting required by law; and
  - (iv) lighting of direction signs and signs designating the office of a medical practitioner; and
  - (b) the use of electricity for interior domestic purposes and in hospitals.
3. No person shall, unless under the written authority of the Commission, take from any municipality or municipal commission any electrical power received from the Commission and use it for the purposes specified in regulation 1.
4. No person shall, unless under the written authority of the Commission, take any electrical power generated or procured by the Commission and use it for the purposes specified in regulation 1.
5. These regulations shall come into force at One o'clock a.m. of the 10th of November, 1947.

If further clarification is required please contact your local Hydro office.
