To The Electors of Stouffville

I appeal to you to support two fine gentlemen who served their country well in the armed forces, who will make great prospects for us as future Reeves in the names of Mr. Glen Ratcliff and Mr. Henry Ogden, as you all know Glen's father was one of our outstanding Reeves and I firmly believe Glen has the same ability.

My car is at the disposal of anyone who is unable to walk to the polling booth Monday, December 8, who are going to support these two gentlemen, regardless of whether you vote for me or not. As for the other six candidates elect two of which you think will have the time and ability to serve you best. Phone 17402 for taxi service.

Your Past Servant and Ex-Councillor,

WALTER C. BRILLINGER.
