

AUDLEY

(Too late last week)

Jos. and Mrs. Jordan are in Elgin, Ontario, attending the funeral of a cousin.

Mrs. McBrady is visiting at her daughter's home here for a few days.

Mrs. C. S. Bryant was pleasantly surprised last week when her brothers from Winnipeg and Toronto called upon her.

George Blake and family have

moved to a house in or near Greenwood. We are sorry to lose them from our neighborhood.

We understand Godfrey Willis has gone to Toronto for the winter and Mr. Lyons is looking after his property here.

George Lawrence has purchased a lot near Dunbarton and purposes building upon it in the spring.

Miss Mildred Brown attended a meeting of the teachers at Brooklin on Tuesday last.

Gardner Winter has purchased a

lot in Pickering village and is starting at once on the erection of a dwelling.

Remember the school concert at No. 5 on Wednesday evening, Dec. 17th.

Several of our Jersey breeders attended the annual meeting at the Bokar farm on Wednesday evening last.

The Community Club, which has been in existence now for over 22 years met with a small attendance owing to the weather and road condition, but it was an enthusiastic gathering, when Pres. Bill Winters who recently obtained living rooms in Oshawa, opened the meeting with the usual theme. In being appointed to the chair to conduct the elections, F. M. Chapman, reviewed briefly the history of the Club, stating its objects and the work that had been done for community betterment. Many people who would like to be at the meeting were detained by nature of their employment at Ajax and Oshawa. Others just took it for granted that the work would go on without their active presence. Misses Dorothy Barlow and Joyce Duncan were named scrutineers and the elections resulted as follows:
