

MAN, 80, WILL WED WOMAN, 76, IN ODD ROMANCE
Salt Lake City, Utah, Jan. 19—An 80-year-old great-grandfather and a 76-year-old great-grandmother will be married tomorrow, culminating a seven-month romance.
The couple, Homer McCarty, 80, and Mrs. Esther A. Goudie, 76, met last June after McCarty had read Mrs. Goudie's name in an alumni bulletin of the Institute of Religious Science, Los Angeles.
"She was the only Salt Lake City resident listed in the bulletin," Mc-

Carty said, "so I decided to look her up. I did and I found that her philosophy of life fitted mine exactly."
McCarty, whose wife died in 1918, added:
"Eighty is only my calendar age. I've known many a young old man and many an old young man."

TURNIP GROWERS TO HOLD MEETING
Ontario turnip growers are planning to meet for a full day at the King Edward Hotel, Toronto, on Wednesday, February 11. The meeting has been organized by the Turnip Committee of the Ontario Crop Improvement Association. In an effort to promote improved production and marketing practices for this important Ontario crop. During recent years export turnip sales to the United States have increased until they now total between two and three million bushels a year.

ARAB LEADER
The Arabs' Higher Committee representative in London is Izzedeen Shawa Bey, the man who may conduct a holy war over the partition of Palestine. He is seen with his son, Marwan, 14, a Harrovian.

MRS. JACOB SEEBECK
Lavenia Rountree, beloved wife of the late Jacob Seebeck, passed away last week at the home of her daughter Mrs. Henry James, Scott Township, in her 86th year, after an illness of nearly eight months, following a stroke in June of last year. The funeral took place to Uxbridge cemetery on Friday, services being conducted in Trinity United Church, Uxbridge, by Rev. L. E. Atkinson, and interment being made in Uxbridge cemetery.
The late Lavenia Rountree was born in Scott township in 1862 a daughter of the late William Rountree and Margaret Wilson and married Jacob Seebeck in 1888. For many years they farmed first at Pine Orchard and later in Uxbridge Township and retiring in Uxbridge twenty-five years ago, where her husband predeceased her in November 1946.
Left to mourn her death are two daughters (Edith) Mrs. Henry James of Scott township and an adopted daughter (Lavinia) Mrs. Andrew James of Stouffville and a sister Mrs. Dodd of Toronto, to whom the sympathy of a wide circle of friends and acquaintances is extended in their bereavement.

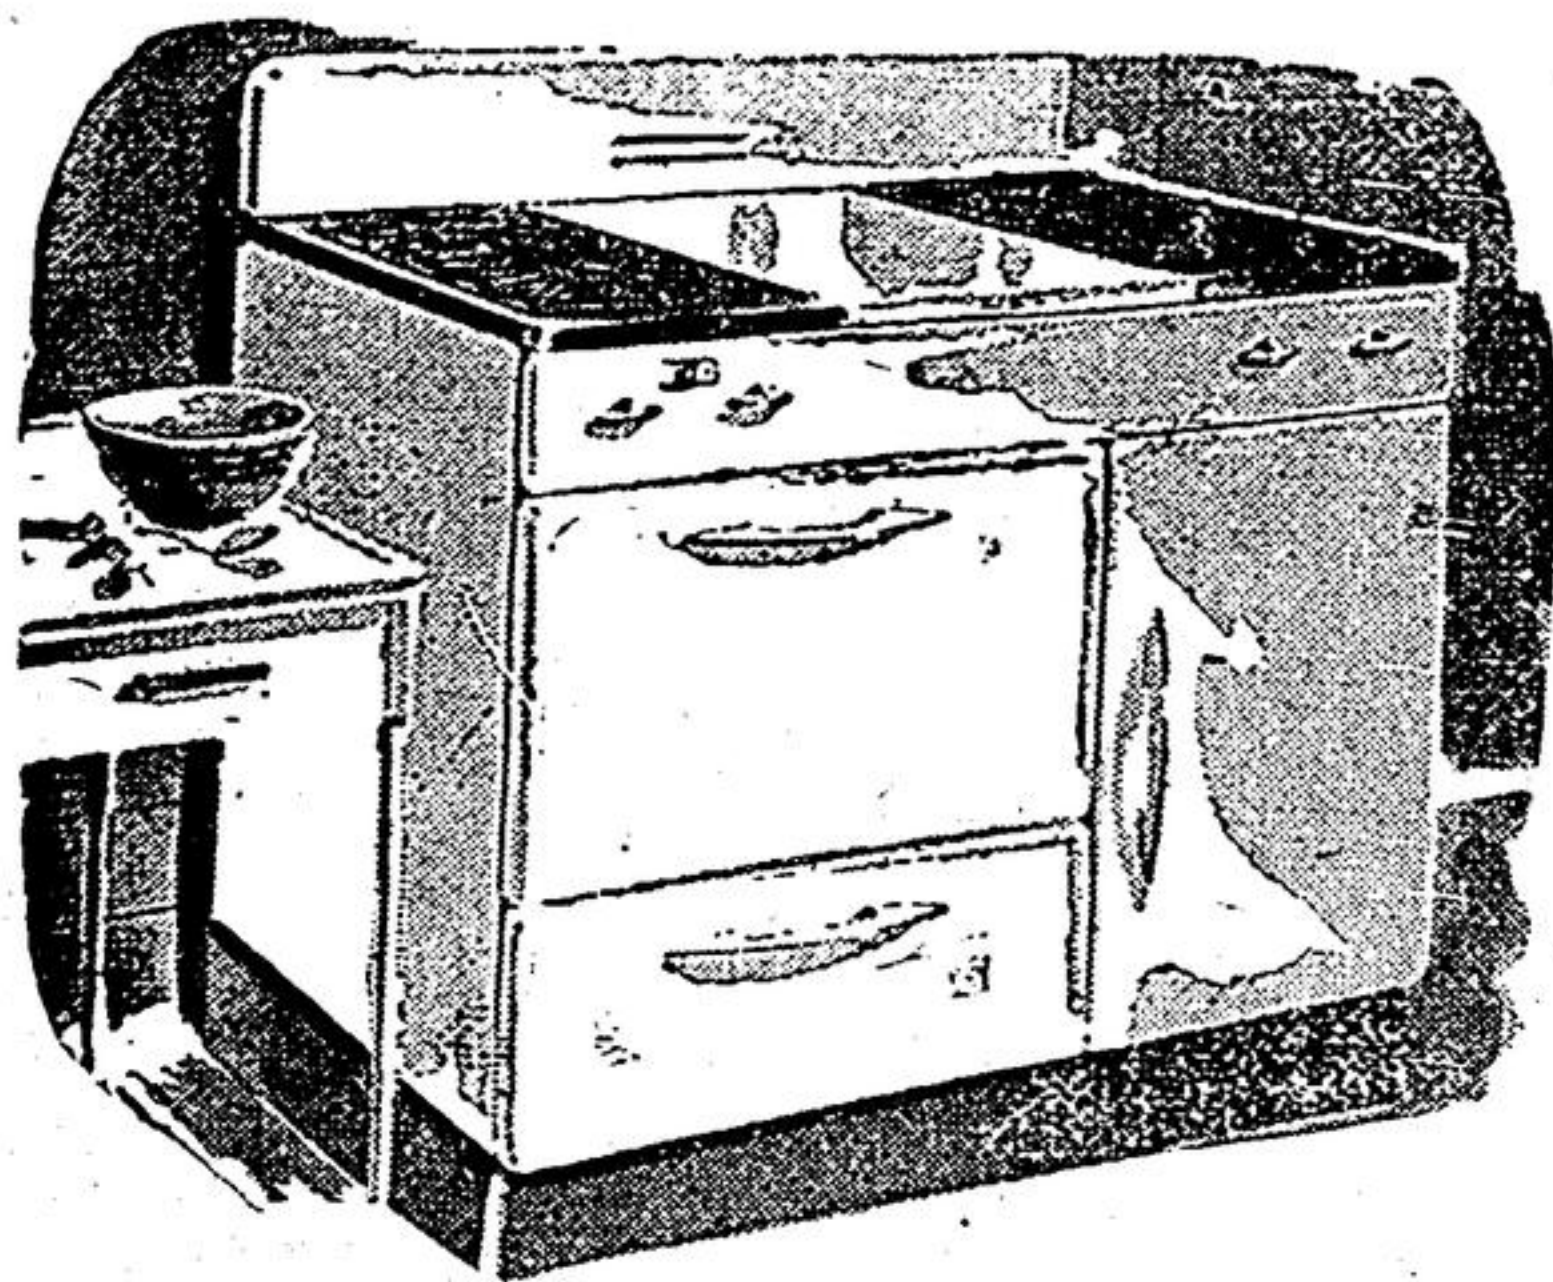

GUY WILSON DEAD
Guy Wilson, formerly of the 4th concession of King, died at the home of his daughter in Aurora, on Jan. 18, in his 70th year. Born in Scarboro township Mr. Wilson had farmed in King for thirty-five years.

and here's a "load" of reasons why.

Only Advance-Design
CHEVROLET TRUCKS
Have All These New
and Finer Features:

- ★ Cab that "breathes"
- ★ Flexi-Mounted cab
- ★ Uniweld, all-steel construction
- ★ Larger, more durable, fully adjustable seat
- ★ 22% greater visibility
- ★ New, rear-corner windows
- ★ Stronger, new frames
- ★ Full-floating hypoid and spiral bevel rear axles
- ★ Specially designed hydraulic truck brakes
- ★ Valve-in-Head 216, 235 and 248 engines
- ★ New, thorough sealing insulation
- ★ Standard cab - to - axle - length dimensions permitting interchange of bodies
- ★ . . . and MANY more!

CT-1483

Brother, how these stronger, new frames stand-up! Wheelbases are longer, too, for better load distribution. And the brakes are exclusively designed for greater brake-lining contact!

There's nothing like the cab that "breathes" for comfort! It's cushioned on rubber-Flexi-Mounted—with 12 inches more foot room and eight inches more seating space. There's 22% greater visibility, too, they tell me. The seat is fully-adjustable. Man, this is it!

*Fresh air heating and ventilating system optional at extra cost.

A PRODUCT OF
CHEVROLET
GENERAL MOTORS

Here's a special, heavy-duty job and an extra-special truck! There's one made for your special kind of job.

Look—rear-corner windows! Now it's a cinch to back up without jack-knifing. Yes, sir, these trucks are brand new—really different with Advance-Design. And they're packed with power in the world's most economical engine for its size—Chevrolet's Valve-in-Head engine.
