GORMLEY

The needles are flying at Mrs. Albert Heise's these days. Last week Mrs. Heise entertained a number of friends to a quilting. This week another group is meeting for another such occasion.

Mr. and Mrs. Dave Hiltz and Mr. and Mrs. Gerald Headley spent several days last week near Collingwood.

Mrs. J. Bond spent Monday in Toronto with her son Harvey. Rev. and Mrs. Archie Doner and Mrs. Katie Hoover spent Tuesday in the home of Miss Stella Heise.

Mr. Lorne Cross, a brother of Mrs. Will-Smith, was rushed to the hospital last Saturday. We wish him a speedy recovery.

Mr. Geo. Cober was welcomed home Tuesday after spending the past month in Florida. Mr. Cober travelling by train, visited friends in Tampa, St. Petersburg, Sarasota and Orlando where he visited with T. S. Doner, former residents of Gormley. He also made a brief stop-over at Daytona Beach and Jacksonville. Mr. Cober states that he saw thousands of acres of orange groves and the climate is reported to be ideal for wintering in that state. He made numerous trips by bus into outlying sections and is of the opinion that the expectancy of life would be lengthened by living in such a comfortable atmosphere. Native Floridians claim that Florida has more days of

sunshine in winter and more days with precipitation in summer than any other state in the union.

Congratulations to Mr. and Mrs. Jim Kennedy (Hazel Steckley) who were married on Monday. We wish them every success.

Mr. and Mrs. R. Wilcox entertained friends from Thornhill in their home for dinner on Friday evening.

A number of our young people from For Erie Bible School visited over last weekend in their homes here. Walter Brillinger, Norman Fretz, Mildred Brillinger and Alma Steckley were among the group. These with other members of the "Gospel Team" from the school provided the Sunday evening service at the Heise Hill Church.

Mr. Douglas Lorimer of Toronto spent Sunday with Mr. Ross Brillinger.

On Tuesday of this week, Mrs. J. Bond, Mrs. Haig, Mrs. Bennett, Mrs. Jones and Mr. Stevens visited in the home of Mr. Levi Heise and Stella.

A surprise birthday party was given Miss Clara Steckley on Monday evening by her relatives.

Mr. and Mrs. F. Warwick of Thornhill had Sunday evening supper with Mr. and Mrs. H. Schlieter. Mr. and Mrs. Orlo Heise had Sunday dinner with Mr. and Mrs. H. Steckley.

Mrs. E. Cherry of Barrie has been visiting with her daughter, Mrs. A.

DICKSON HILL

A number of ladies from this congregation were present at the Women's Day of Prayer service held in the Bethesda church last Friday afternoon. In spite of threatening weather, there was a fine attendance from the various churches that compose this division. The service was opened by the key-woman, Mrs. Fred Steckley, who called on Mrs. Chapin to lead the service, as outlined by the splendid program, arranged from the Lord's Prayer. Mrs. J. Winterstein and Miss A. Fockler sang two devotional selections. Mrs. Howard Ratcliff gave a piano solo; Mrs. Barley gave the address and the audience was led in prayer by individuals from different denominations. A beautiful christian spirit prevailed and we bespeak even greater interest for another year.

Miss Elsie Hoover has been confined to her home by an attack of erysipelas. We wish her a complete and speedy recovery. Miss Martha Hoover, we are pleased to report is recovering nicely from cold that laid her up for several days.

The weekly cottage prayer meetings are increasing in interest and attendance. Everyone is invited to share this service of petition and fellowship.

Residents of Dickson Hill have never witnessed such a long line of tied-up traffic as was occasioned by the ice last Friday evening. It was an unusual sight to see a string of gay lights from the top of the hill as far south as could be seen, while the sand truck was being awaited. This brought to our attention the amount of traffic passing along in an evening.

Gray, Mrs. Gray and Mrs. Cherry had supper on Sunday evening in the Gooding home.

Mr. and Mrs. D. Jones and Kenneth of Lansing had Monday evening supper in the home of Mr. and Mrs. A. Gray.

Miss Marie Pike and Miss Luelia Harper spent the week-end with Rev. and Mrs. Russel Pike, the home of the former, at Sundridge.

Mr. Steve Morrison, manager of the Brome Lake Duck Farm, in Knowlton, Quebec, is spending a few days with Mr. and Mrs. Ernie Wilson.

Mr. and Mrs. Clayton Davis and little son have returned to Forbes, Ottawa after spending a week with their respective parents.

The Young People enjoyed a box social and croquinoile party in the school on Monday evening.

The Altona Supper Club met again on Saturday afternoon. Making plain tea-biscuits and variations also judging them was the main item of interest. Then a social half hour was enjoyed by all.

We are sorry to hear that Fred Nighswander happened an accident by getting two of his fingers in the hammer-mill.

GOODWOOD

Funeral service for the late Miss Edna Mowbray, R.N. was held here on Friday at the home of her sister, Mrs. J. F. Reid. Interment was made in Goodwood cemetery. Miss Mowbray was born in Kinsale where she spent her childhood. Educated at Whitby High School, she trained for a nurse, and became supervisor of nurses at the Gravenhurst Sanitarium where she spent 23 years. When the writer visited that institution on one occasion, we were taken through the building by Miss Mowbray, and from every window it would seem there came a wave and a "hello", which indicated to us how greatly she was beloved by all.

Miss Mowbray retired only last spring, and came to make her home with her sister, Mrs. Reid. She was in ill health all summer, and after Christmas entered the Western hospital for treatment. Immediate cause of death was a thrombosis of the brain. And so, another has passed on, one who will be greatly missed.

The Rev. D. Davis of Stouffville, officiated at the service, assisted by Rev. Grover Livingstone of Gravenhurst San. He paid tribute to the life of Miss Mowbray, saying that one day he met her out in pouring rain, and her cheery salutation made it seem as though the sun was shining.

Pall bearers were Roy and Harold Mowbray of Brooklin, Chas. and Geo. Fothergill of Whitby, George Johnson and Roy Oaten, Toronto. The villagers of Goodwood herein extend deepest sympathy to Mrs. Reid, she being an only sister, and there are no brothers. Beautiful flowers banked the bier.

BETHESDA

The Young People's Union will hold a croquinoile party on Feb. 20th at the home of Mr. and Mrs. Fred Allin. Ladies please provide lunch.

The Women's World Day of Prayer was held in Bethesda United Church last Friday afternoon. Mrs. Chapin acted as leader and Mrs. Barley was guest speaker. A good representation from the following churches were present—Bloomington, Ringwood, Dicksons Hill, Peachs, Melville, Lemonville, Second Markham Baptist and Bethesda. Two ladies from Bloomington sang lovely duets and Mrs. Howard Ratcliff rendered a piano solo.

Bethesda W.I. met at the home of Mrs. Harry Clendenning last Wednesday afternoon. The roll call was answered with a donation for a layette. A lovely lot of articles were received. Mrs. D. Ratcliff gave a splendid paper on Citizenship.

A letter was received last week by Mrs. C. Hicks from Glasgow, Scotland, thanking the Bethesda community for the box of good things sent them for Christmas. They wish to thank all concerned for their kind generosity. We expect to be hearing from some more of the recipients shortly.

ALLOCATION OF HYDRO POWER SOUTHERN ONTARIO SYSTEM

It has become necessary, due to a reduction in the amount of purchased power available, to issue the following notice to municipalities and direct customers of the Commission in the Southern Ontario System.

"Effective February 18, 1948, and continuing until further notice, the daily consumption of kilowatthours shall be restricted to a maximum of 90% of the average daily consumption of kilowatthours in the month of October, 1947. This reduction shall not apply to customers whose power supply was interrupted by the Commission in October, 1947 to the extent of 10% or more of normal delivery."

This is a temporary emergency arising from sub-normal rain fall last Autumn which has forced two of the Quebec power companies to drastically reduce their deliveries of power to The Commission.

This restriction will be lifted just as soon as circumstances permit and in the meantime, all consumers must play their full part by saving electricity at all times.

If the specified reduction in consumption of electricity is not obtained, it will be necessary to cut off the supply of electricity entirely for definite intervals of time each day, wherever the specified consumption is being exceeded.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO
