Two changes in the agriculture representative service of the Ontario Department of Agriculture were announced today by James A. Gardner, director of extension.

### Newmarket Doctor Now Coroner

Dr. D. B. Westcott has been appointed a coroner for York County succeeding Dr. L. W. Dales of Newmarket. Dr. Westcott located in Newmarket three years ago after serving four and a half years in the R.C.A.F. in Canada and overseas. He is a graduate of the University of Toronto.

This Thursday, Friday and Saturday are the dates of the big Rexall One-cent Sale at Boadway's Drug Store.

service to take over the position of public relation officer of the National Boys and Girls Club Work Council, with headquarters in Ottawa.

Mr. McQuay was born in Manitoba, but spent most of his life on a farm in Ontario County. He was educated at the Whitby public and high schools, and at the Ontario Agricultural College, from which he was graduated in 1934. On graduation, he took up farming on the home farm in Ontario County, and also gave part-time assistance to the agricultural representative of that county. In October, 1946, he was appointed assistant to E. D. McLoughry, agricultural representative for Waterloo County, and has filled that post with great capability since then.

# Local and Personal Happenings

Easter services were well attended in all the churches on Sunday. Special music was provided at most of the services.

Mrs. Chas. Robinson and daughter Isabelle of Toronto were Easter weekend visitors with Mr. and Mrs. Chas. Nolan.

Mr. and Mrs. K. R. Davis have returned from a holiday trip to New York City. The local couple travelled by air and enjoyed the Easter weekend in the world's largest metropolis.

Playing at the Stanley Theatre, Stouffville, Friday and Saturday April 2 and 3 Walt Disney's "Bambi" This is the type of entertainment especially enjoyed by the children. Take advantage of the Saturday matinee starting at 2 p.m. and take the kiddies out for a good time. Entertainment to be enjoyed by the children and adults alike.

Mrs. Lou Brillinger who recently purchased the former E. J. Davey place almost opposite Mr. Ed. Pennock's, has made a quick sale of it again, and the new owner is Mr. Jas. McCreight who is retiring from the farm on the 9th concession of Markham. Friends in town, of which there are many, will be pleased to know that the McCreights will locate here.

Mr. and Mrs. E.C. Cadieux who have been living in Guelph for the past year and a half, are seeking living accommodation in or near Stouffville. Ted is attending the photographic school in Toronto, and it is hoped that while he is completing the course he will be able to live in the home town where Mrs. Cadieux (Joan Baxter) will also be among her home folk. They have a young son. Mr. Cadieux is hoping to secure an apartment of two or three rooms, or a separate house.

### Box Rents Same Since 1928

Postmaster Leavens points out that rental charges for boxes at the post office vary from \$2 to \$5 per year according to the size of box, and that the rates have not been increased since 1928 when they were \$1 and \$3. Last week an editorial in this paper gave the impression that rates had been increased recently, which is incorrect. In Toronto persons who have boxes at the post office pay from \$8 to \$10. They are used by large firms who have bags of mail, and employ a carrier to deliver the mail to them many times a day. The Tribune is not complaining about the rental charges for boxes, but the fact that some persons get their mail carried to their very door whereas others go to the post office and pick up their mail and pay for the privilege through box rental. Our suggestion might be to make a small annual charge on those people who have their mail delivered at the door. Having made the suggestion, we are inviting a flood of protests from our city readers, perhaps. Likewise farmers, get a free service that would net the government quite a sum if paid for at the same rate as people in Stouffville pay for box rental.

Mr. and Mrs. Bert Batt are visiting for three weeks with relatives of Mrs. Batt at Brucefield, which is in the Seaford-Clinton district.

Miss Mary Beck of Toronto, a former public school teacher in Stouffville, was a weekend guest with Misses Edna and Violet Hoover.

Mr. and Mrs. S. Daret and son Howard of Toronto were Easter visitors with her brother, Mr. and Mrs. Hugh Boyd.

Mr. and Mrs. A.E. Thomas, Islington spent the weekend with his mother, Mrs. G. R. W. Thomas.

Miss Reid of Jordan Station, Mrs. Craig Murrar and Marilyn of St. Mary's, Mrs. Edgar Kidd and Douglas of Richmond Hill were weekend visitors with Mrs. H. Bacon, Main street.

Harve Schell was the holder of the lucky ticket which won the prize blanket, given as a prize at the I.O.O.F. euchre last week. A tidy sum was raised at the affair for the C. P. T. fund.

### Foals Reported at Hatch Farm

Three foals have arrived at the Hatch farm, Unionville. Mandataria dropped a filly by Slete Colores. Comet III has a colt by Fillisio and the other foal is a bay colt by Slete Colores out of Osprey.

Pleading that as slot machines were illegal, his act of drilling holes in them and releasing the jack-pot level with a wire could not be a crime, a Chicagoan beat a police court charge.

Mrs. Violet Gibson of Toronto spent the Easter holiday at the Will Risebrough home in Stouffville, and visited in Claremont on Sunday with Mrs. Ed. Gibson.

Mr. and Mrs. J. Merrick and Sue Ann, Mrs. Ross Soden of Uxbridge, Mr. and Mrs. Howard Cunningham and Beth were Easter visitors with Mrs. Cora Forsyth.

Misses Betty Miller and Helen Goudie, Stouffville High School students, were in Toronto on Monday competing in the verse-speaking competitions staged in the Ontario Museum by the Ontario Educational Association. Students competed from all over Ontario.

"Gone with the Wind" is the big special attraction at the Stanley Theatre next Monday and Tuesday. Doors of theatre open each day at 4.30. This is one of the great films of all-time, in technicolor, starring Clark Gable and Vivien Leigh. Attend early and be assured of a seat.

Miss Moffatt and Miss Young of Renfrew, also Mr. and Mrs. Lawrence Dack of Toronto, were Easter weekend visitors with Mrs. Robt. Young. Miss Moffatt will remain here for a time. Mrs. Donaldson of Belleville is also visiting with Mrs. Young.

The Morris piano listed in the sale of the late H. L. Vanzant, sold for \$140 on Saturday under the hammer of auctioneer Walter Atkinson. This was the top article in the list. An extension table also sold well, bringing \$24.50. Mrs. Hamilton of Stouffville took the piano and Mr. E. Pegg of Greenwood, the table. In contrast, some articles did not find so ready a buyer, and chairs went as low as 70c.

Too Many at Sunday School!  
 "We got more than we wanted," chirped one wee child as the Sunday School attendance reached 163, thereby exceeding the aim of 150, at the United Missionary Church last Sunday. An inspiring Easter message was delivered by Mrs. Hallman with the use of the flannel-graph. Suitable recitations and Easter music were contributed by the juniors. The large auditorium of the newly decorated church was well filled, as the Easter worshippers gathered. Lambert Stouffer rendered a message in song, and Rev. Mr. Hallman delivered an impressive sermon on the Easter story. On Sunday evening under the leadership of Lambert Stouffer the Y. P. rendered an Easter Cantata holding the attention of the audience. All in all, it was a great day in the life of Stouffville United Missionary Church.—Com.

### BURIED IN CALIFORNIA

Formerly of Elmira, near Kitchener, Nathaniel Wideman, 70, died at his St. Petersburg, Fla., home on March 22.

Mrs. Abe Lehman is a patient in the Brierbush hospital. Her daughter Mrs. Jack O'Neill returned home to Belleville on Saturday after assisting her mother for some time.

Mr. Bruce Winterstein has purchased the home recently occupied by the late Abijah Brown, Mr. and Mrs. Winterstein will be leaving the house on Church St., which was sold some time ago to Mr. Heaton.

Rev. Douglas Davis was suddenly taken ill last week, and forced to relinquish his Easter services in the Stouffville United Church. Rev. Toppin of Richmond Hill and Rev. R. Chapin of the Melville circuit, occupied the local pulpit in his absence.

### Wants to Meet His Electors

Mr. Jack Smith M.P., for North York, is home for the Easter holidays from his parliamentary duties at Ottawa. Mr. Smith invites his constituents to call on him at Richmond Hill when he will be glad to receive their advice and reaction to things that are taking place in parliament. This is an opportunity for the electors to "get the ear of the government," and we like the idea. Electors should have a chance to talk to their representatives, and Mr. Smith gives them that opportunity, which is too often only reserved for election periods.

### Mr. McLean Loses a Brother

For fifty years a member of Doric Lodge, A.F. & A.M., Neil Alexander McLean died Thursday at his home in Toronto, after a lengthy illness. Mr. McLean was a manufacturers' agent for many years. He was born in Woodville and went to Toronto as a young man. He retired from business 10 years ago. Mr. McLean was a member of Bloor Street United Church and associate member of the Governor Simcoe Branch, United Empire Loyalists.

Surviving him are his widow, Lotta Noxon McLean; a brother, Norman of Stouffville; and a sister, Mrs. Will Asling, Edmonton.

A few days ago The Tribune was shown a picture of a snowmobile manufactured by C. W. Lownsborough of Carndiff, Sask. It is propelled by a 125 h.p. airplane engine located in the rear of the car, and a protecting guard over the blade. The five-passenger cab looks well, and the machine develops any speed a driver might be able to handle the coach with runners for the snow that are calculated to put it over snowbanks. This is the one of several snowmobiles made by Mr. Lownsborough, whose father lives on Edward street here, so we may expect that one of these days he will produce what he thinks is perfect and patent the product.

Mr. and Mrs. Leo Wagg have moved from Bloomington to their newly acquired place on Montreal street from the John McKinnon estate.

The robbers are back. Many of these harbingers of spring are in town, while crows are also making themselves heard.

Hand-Knit Socks \$5.00 Pr.  
 Hand-knit diamond socks, at \$5.00 per pair were featured at the Saturday market in Lindsay, according to the Post. Seems like a pretty big price for a pair of socks, and well in keeping with inflated prices on almost everything else.

### Attended Christening in City

Mr. and Mrs. Reuben Middleton, with her sister and brother, Miss Effie and Mr. William Harding, were in Toronto on Sunday, where they attended the christening ceremony at the Evangel Temple, corner Bond and Gerrard streets. The little daughter of Mr. and Mrs. Will Bryan was one of the babies to receive the ordinance of baptism on this occasion. Billy Bryan lived with the Hardings here 20 years ago, and attended the town schools.

### Musselman's Summer Resort

There's still plenty of ice in Musselman's Lake but Carl Rose, nearby farmer, who cuts acres of ice there every winter, says "Keep Off. It's safer on land." Many cottagers were out over the Easter holidays housecleaning and readying their cottages for the coming season. Mrs. John Paxton had her place warmed up and made comfortable for a long season and may remain there now for the summer. Mrs. Paxton is usually one of the early arrivals and has become quite a "fixture" at this popular summer resort. Davies' big pavilion is taking on a semblance of activity with son Vern in charge of the annual improvements. Mr. and Mrs. George Davies have been on a trip to the Southern States during the winter months.

### Old Established Home Ceases

The sale of furniture by auction belonging to the estate of the late Mrs. Henry Vanzant held last Saturday attracted a big crowd. The contents of the home were soon disposed of by Auctioneer Walter Atkinson, and we noticed that good prices prevailed. This sale was like the final act in closing out a home that had become almost a landmark in the town through the sixty years it was occupied by some member of the Henry Vanzant family. It was here the family was raised and went out into the world, and here the mother lived longer than any one else. Going there almost as a bride she lived her long and useful life in that home on Main street, that everybody knew in Stouffville. The attractive residence, as previously reported, has been purchased by Mr. Joe Grose, who intends to make it a two-apartment place.
