

Claremont and District

By Staff Correspondent

Local dealers—Madill's Store and Overland's Store

Congratulations to John and Juddy Pilkey, who celebrated their 5th birthday on Thursday of last week.

The local restaurant was honored on Monday with the presence of members of Pickering Township council. Members of council, along with Road Supt. Roy Ward were making their annual spring tour of inspection on the roads, and dropped into Claremont for noon lunch.

A grass fire that threatened to develop into serious proportions on the farm of Mr. Winton White, was nipped in the early stages, by the aid of neighbors and Claremont fire brigade. Five rows of cedar hedge were damaged by the blaze started as a grass fire in the first place. Mr. White is greatly pleased with the ready response of the neighbours and the firemen.

The Women's Institute met last Thursday afternoon at home of the president. The roll call was answered by the naming of a provincial wild flower emblem, and Mrs. M. Johnson, Agriculture convener, gave a very interesting talk on soil conservation, assisted by Mrs. Evans, Mrs. Lipperd and Mrs. Reynolds who spoke briefly on "Early History in Canada," "The Hon. J. Bracken's Form," and "Vegetables have Family Trees," respectively. It was decided to send \$50. to the Cancer Research Fund. Miss Collins of the Department will give demonstrations on "Care of Clothing" in the United S.S. room on Friday, April 23, from 10 to 4 o'clock. Pot luck dinner. Altona Institute are invited to attend, and it is hoped all local ladies will avail themselves of this fine opportunity.

The Community Men's Club banquet was held on Friday evening in the United Sunday School room. Mr. Will Evans has been appointed President for the new term.

Friends will be pleased to learn that Roy Morgan, north townline farmer, has returned home after several weeks in St. Michael's Hospital. Mrs. Howard Pugh another local resident was expected home from the same hospital this week.

Mrs. H. Johnson went to Toronto last Friday morning to spend a few days with Mr. and Mrs. Cox and infant daughter.

Howard Nesbitt has secured a position with Kelmar Farms - at Vinemount, and is nicely settled in his new position.

The Women's Institute are catering for the annual banquet of the Williamson's Canning Factory employees which will be held on the evening of April 26th in the community hall, followed by a dance.

We are glad to report improvement on the condition of Mr. Frank Loyst, which it is hoped, may continue.

Efforts are being continued to enroll families or single persons in the Blue Cross Hospital plan, and it is hoped all interested parties whose names have not been given, will telephone Mrs. Lipperd, the newly appointed convener as soon as possible. Applicant must be a member of the Women's Institute.

It is reported that Mr. Russell Pilkey has sold his cottage to Mr. J. Taylor of the 5th line who will shortly give up farming. Mrs. Rhodes has also sold her cottage, and will shortly move to Galt, where she has purchased a home for herself and two young daughters.

It is also reported that Mr. J. Farr has sold his farm on the 9th east of the village to a party from Brougham.

Two former Claremont men, Will and Thos. Birkett were involved in an accident on the north townline one evening last week, when the car in which they were driving was in collision with a machine by Mr. Kerr, Toronto police officer, and new owner of the former Orr Venning farm, east of Altona. While some damage was done to both cars, no serious injuries were sustained by any of the passengers.

One of the largest furniture sales scheduled in this district for years, will be held this Saturday in Claremont, being property of the estate of the late Andrew and Mary Miller. In addition to the high-class furniture being offered, the house and lot will also be auctioned. There are many antique pieces among the furniture, other items of solid walnut, an electric refrigerator, a washer and Chrysler Royal car, in excellent condition with only a small mileage. Sellers & Atkinson will handle the sale on April 24th.

Child Health Centre Opens Next Week

A Pickering Child Health Centre will open next Wednesday, April 22nd, at Brougham, and will be held thereafter on the last Wednesday of each month, from two until 4 p.m. The centre is for infants and pre-school children and is under the supervision of the Medical Officer of Health and the Public Health Nurse.

The purpose of this centre is to provide health teaching supervision of infants and pre-school children, regular weighing and immunization. Parents will however, observe the ruling that the baby or pre-school child who is suffering from cold, skin rash or acute illness, must not be brought to this Centre, due to the danger of spreading infection to other children. Consult your physician in case of illness.

Ontario County Accepts \$16,700 for Ajax Services

Ontario county council voted last week to accept a Dominion Government offer of \$16,700, this amount being a bulk payment to the county of Ontario as reimbursement for municipal services supplied to the village of Ajax from its inception to the end of 1947.

Chairman of the special committee on Ajax, D. B. McIntyre stressed that council had voted only to accept this amount on the understanding that further negotiations will take place in respect to the large yearly item of Children's Aid costs.

Government representatives have also made a similar offer of over \$3,000 to the township of Pickering. This set figure was considered inadequate by Pickering Council, and another meeting of council will be called to hear new proposals from the Ajax representatives.

Because Ajax is Dominion property and not an incorporated municipality the burden of paying a portion of its hospitalization, court costs, Children's Aid, secondary school education, training school committals, etc., has fallen upon Ontario county and Pickering township.

An important rider to acceptance council feels that in fairness to the of the settlement read: "Your county and township of Pickering and to the government, that payments for the year 1948 and future years should be on an actual cost basis as there are some exigencies that may arise, and the amount of cost may vary from year to year to such a large extent that no fixed annual payment could be satisfactory."

The council further recommended that the government be asked to pay actual annual costs to the county and the township of Pickering. Government officials have made Ontario county an offer of a fixed annual amount in lieu of taxes but the council appeared to be in accord that it would not begin to cover their costs.

Member of Pioneer Family, Liberal Candidate Here

Lyman A. Gifford, Port Oshawa farmer and for many years prominent in Liberal circles, was unanimously chosen standard-bearer for that party in the June 8 Dominion Federal by-election at an enthusiastic convention held in Whitby Town Hall.

In accepting the nomination after three other nominees had declined to stand, Mr. Gifford gave promise of a hard-hitting campaign when he rapped statements made by Frank McCallum, Progressive Conservative candidate, when he was nominated on April 5.

The month of May will be election month in Ontario riding which includes Uxbridge and Pickering Townships, and Oshawa as the southern boundaries. The provincial election will fall on June 7, one day before the legislation. No doubt the candidates will hold joint meetings as between the various parties running for the Liberals, and Progressive Conservatives, and other parties.

The death occurred at her home in Zephyr in Scott township on April 12 of Isabella Harrison in her 76th year. She was a sister of Mrs. Elizabeth Crawford of Pickering, and William D. Harrison, and was buried at Zephyr cemetery following divine service held in the United Church there.

BROUGHAM

Mr. and Mrs. Gerald Harbron and Ina Jean of Myrtle visited Mr. and Mrs. A. B. Matthews one day last week.

Mrs. M. Harlock, Mrs. Gordon Duncan and Mrs. L. Matthews called on Mrs. M. Lemmon who is now staying with Mrs. Middleton of Claremont, on Thursday afternoon. Mrs. Lemmon's many friends will be glad to know she is gradually gaining in strength and now able to set up a short time each day.

Mr. and Mrs. W. A. Knox were at Newton Robinson on Thursday last visiting with Mr. and Mrs. John Robinson and family who formerly lived just north of the village.

Daylight saving will be effective here at midnight on April 24, so remember to set your clock ahead. Mrs. Wm. Gray has been laid up during the past week due to an attack of the flu. Her many friends wish her a speedy recovery.

Mrs. Wm. Ellicott visited at the home of her daughter, Mr. and Mrs. R. Ford of West Hill, during the weekend.

Miss Eleanor McGuckrin who has been living with her sister, Mrs. Ross Knox, returned to her home last week due to the illness of her mother.

Miss Margaret Duncan of Toronto spent the weekend at her home here.

Mr. and Mrs. C. Hubbard of Brock Rd. visited with her parents, Mr. and Mrs. Hamilton on Sunday.

Mr. and Mrs. A. J. Gray were at Green River on Sunday afternoon visiting his mother, Mrs. Gray Sr. Mr. Kenny of Toronto spent the weekend with Mrs. Harvey and family.

Former Toronto couple, now residents of Brougham, Mr. and Mrs. Halliwall celebrated their Golden Wedding Anniversary on April 11, along with their four children and five grandchildren. Mr. Halliwall was born in Aberdeen, Scotland and moved to England when a small boy. Here he met and married his wife. In 1905 he came to Canada to be followed by Mrs. Halliwall the following year. They settled in Toronto and built the home which they have recently sold. Mr. Halliwall did a great deal of carpentry work and was also employed for more than 40 years with the firm Delaney & Pettie, and is now retired on pension. They are members of the Church of England.

Mrs. Chas. Killey of Brougham is a daughter, with whom Mr. and Mrs. Halliwall will make their home. The Brougham Lodge, No. 155 of the I.O.O.F. wish to report that in their drive for funds in aid of Cancer, Polio and T.B., and at the dance at Brougham last Saturday evening, they cleared \$139.00. All Lodges in the Province of Ontario, in fact the Dominion of Canada, are making a drive for similar funds, and as in the Province of Ontario there are three hundred and twenty-seven Lodges, and if all were to contribute on the same basis as Brougham Lodge, this would make a total sum of \$44,453. for the Province of Ontario. As Brougham Lodge is much smaller than the average Odd Fellows Lodge this total sum would naturally be much bigger. There are over thirty-five thousand Odd Fellows in the Province of Ontario at the present time. Brougham Odd Fellows have not had the publicity in the past they should have had, for the good they have done. This is not due to any one in particular, but more their own fault of not having a reporter to report on their events, in this neighbourhood.

DANCE

Friday, April 23rd

COMMUNITY HALL, CLAREMONT

Music by BRUCE GOULD

Admission 35 cents.

Butter Shortage! Just Look Here

(Globe & Mail Photo)

"Youngsters" like this, demand a lot of milk just now and farmers say it pays to supply

them, but thousands of calves will soon be weaned, and more creameries with a consequent better supply of butter.

AUCTION SALE
