If you come to the Mothercraft Garden Tea, Saturday, June 26th at Brierbush Hospital you will be helping to refurnish an English bombed hospital. In 1929 the Princess Elizabeth of York Hostel was built as a nurses' home and opened by Her Majesty the Queen who has shown unflinching interest in the work there, as she has in Canada and elsewhere. A land bomb in 1943 destroyed the interior and one wing. The government bears the cost of restoration, but the interior must be furnished. Remember the date Saturday, June 26th, the time 3-6. Meet your friends and have a cup of tea.

Stolen Radio Found

The thieves who broke into the Co-Op. premises last week and carried away a radio didn't take it far. It was found a few days later concealed in some bushes close to the office. It is estimated that the thieves had no car at that time, and hid the radio with the idea of returning for it at some future time. They escaped from town in George Allison's car which they stole and were able to start after crossing the wires in the engine. No clue to their identity is reported by police, although the nature of the theft is very similar to others made around Port Perry and in north Whitchurch where a garage was robbed.
