

Diving into the lake at Oakville, Ont., to retrieve a friend's hat, William Wilkinson, 27, of Bronte, Ont. (inset) drowned trying to make shore. The fatality scene is shown here. Dragging operations found the victim's body 150 feet offshore. Although a strong swimmer, Wilkinson was unable to make any headway against a high wind and a strong current from the river channel. Eyewitnesses said that there was no life-saving equipment on the pier.

1948 CROP PROSPECTS ARE GOOD

The Ontario Department of Agriculture says crop prospects for 1948 are considered very good indeed.

The department, in its monthly crop report, says the cool wet month of May delayed completion of seeding of spring grains, but that the dry weather over the past few weeks has made it possible for farmers to catch up on their work.

The report says that spring grain crops generally look excellent and the fall wheat and rye stands indicate above average yields. However, in parts of Lambton, Kent and several other counties, a considerable acreage of spring crops was drowned out by excessive rains in the early part of May. Most of these fields have now been reseeded.

Pastures are generally in good condition and milk flow is nearing its peak for the season.

Hello Homemakers! There is a long, leaden interval between the feverish days of spading and planting and the proud day when green onions and radishes and lettuce can be blended into the first tossed salad of the season. How good the first garden greens taste! We like them with a sharp French dressing, perhaps with a dash of green onion and crumbled old cheese. The best tip we can give you is: toss the greens with the dressing just before you serve them.

GARDEN SALAD

- 1 cup raw shredded carrot
- 2 cups shredded raw spinach
- 1 cup shredded raw beets
- 1 cup grated onion
- ½ cup shredded radishes
- ½ cup well seasoned French dressing

Combine vegetables and chill in electric refrigerator. Drain well and add the French dressing. Toss together using a spoon and a fork and serve at once. Serves 6.

CHEF'S SALAD

- 1 head lettuce
 - 2 tomatoes, peeled and diced
 - 1 cucumber, peeled and diced
 - 1 bunch radishes, sliced
 - 1 bunch green onions, chopped
 - French dressing
- Shred lettuce by cutting the head in half and shredding. Prepare other ingredients and combine all together with French dressing, well seasoned. Serve well chilled.

FRENCH DRESSING

- ½ cup vinegar
- ½ cup salad oil
- 1 tsp. sugar
- Pepper, paprika
- 1 tsp. salt

Place all ingredients into a chilled glass jar. Shake vigorously. Use as is, or vary as desired. Variation for vegetable salads: Add 2 tbsps. capers, and 1 tbsp. chopped chives.

BOILED SALAD DRESSING

- 2 cups milk
- ½ cup sugar
- ¼ cup flour
- 1 tsp. mustard
- ½ tsp. salt
- 2 eggs
- ½ cup vinegar
- ½ cup water

Heat 1½ cups of milk in a double boiler until a rim of bubbles appear. Combine the dry ingredients, add remaining ½ cup milk and mix until smooth. Slowly add to the hot milk, stirring all the while. When slightly thickened, pour over the beaten eggs. Return to double boiler and continue stirring. Continue cooking until desired consistency is reached. Pour into clean sealers. Store in the refrigerator. Makes over 2 cups.

TAKE A TIP

- 1. To preserve nasturtium seeds

Though a federal labor code provision to make union dues check-off mandatory on employers, was voted down in the House of Commons, there are still whispers of discontent on Parliament Hill against this decision by labor supporters.

SUNDERLAND PEOPLE AWARDED DAMAGES IN ACCIDENT CASE

In a judgment handed down in County Court and General Sessions in Whitby last Thursday, Howard and Jean St. John of Sunderland, plaintiffs in an action against John Clemett, Lindsay, were awarded \$750.00 damage plus costs by Judge A.B. Currey of Manitoulin Island.

The action arose from a collision in which Clemett's car struck one of Mr. St. John's cows, and is said to have caused injuries to Miss St. John's back and right leg. The cow died as a result of the accident.

Miss St. John received \$500 damages for her injuries, and the

costs of her action, and Mr. St. John, her uncle, received \$250, the value of the cow plus costs. The beast was a pedigreed purebred Durham shorthorn.

Clemett had maintained that the cow had run into the side of the car, rather than being struck by it, and that Miss St. John had received her injuries in a fall into a culvert.

The jury retired at 3.30 Thursday afternoon, after hearing argument from defence counsel, A.M. Fulton, K.C. of Lindsay, and counsel for the plaintiffs, A.W.S. Greer, K.C. The verdict was returned one hour later.
