## Ladies Bowling Trophy Goes to Toronto Rink

After a tough three-game struggle, Stouffville ladies passed their Lions trophy, won in 1947, over to a Toronto rink, in competition at Newmarket on Wednesday. The local rink comprised of Mrs. Gordon Lemon, Mrs. L. Hoover and Mrs. Thos. Jennings, won three games and were squeezed out in a saw-off game with the Toronto rink.

A second Stouffville entry, comprising Mrs. Fred Crossen, Mrs. Les. Wilson and Mrs. Jack Epworth, carried off the top score for one win, in the Newmarket tournament.

## Ken Schell Belts Three Triples—Rouse Homers in 16-6 Win

Three resounding triples by Ken Schell and a homer by Orv. Rouse, were the high spots in a 16-6 win by Stouffville Intermediates over Sutton's Tri-County team on Friday night. Ken was really belting them long and hard, and gave the fielders little chance, as he shoved two of his three-baggers into left field and one into right, and drove in three runs ahead of him.

Rouse's long four-bagger went over three hundred feet in to right centre, and two team-mates scampered home ahead of him. It was a fairly tight ball game until the fourth, when the local artillery started to roll. Stouffville was down 4-0 in the early stages of the game. Lorne Schell was on the mound, with brother Ken on the receiving line. Coach Earl Cook handled the first base position for the first three innings in the absence of Polly Minton. Raxlin, Holden, Nicholson and Ward, alternated in the outfield.

Skip Taylor and Bruce MacMillan were two familiar faces in the Sutton lineup, having carried Stouffville hockey colours last winter. Skip was playing at second and Bruce in right field. Dunn, Taylor and Beatie swung the heaviest bats for the Lake Simcoe leads.

## Five Homers by Locals Swamp Uxbridge 19-3

Five home runs in one game, three of them by one player were too much for Uxbridge in their inter-community softball game with Stouffville here on Thursday night. Wally Nicholson pounded out three "round trips," Harold Morden one and Ted Cadieux one. For Uxbridge R. Laswick was the best batter, and helped with the visitor's three runs which all came in the first innings. Jack Epworth was on the Stouffville mound with Dan Finlayson catching. Morden tossed them up for Uxbridge.

Stouffville lineup: Finlayson, c; Epworth, p; H. Morden 1st b; Ted Cadieux, 2b; W. Nicholson 3b; C. Ellis ss; W. Slack 1f; Bill Nicholson cf; Lew Raxlin rf.

## Jack Andrews Wins Doolittle Trophy

Jack Andrews, Aurora, 18 has been awarded the Garfield memorial trophy, presented annually to the Aurora high school student showing greatest all-round sports proficiency and sportsmanship. He played on the Aurora hockey and baseball teams and also took part in basketball, rugby, swimming, and track and field. Garfield Doolittle trophy, presented by the Doolittle family, is a memorial to a high school athlete who died after an operation two years ago. Selection committee includes: J.H. Knowles, T.A.M. Hulse, D. Babcock and Norman Johnson.

Little Britain and Sunderland of the Tri-County baseball league, Oshawa of the Lakeshore group, Stouffville, will engage in a baseball tournament at Sunderland field day on the holiday this week.

Friends will be interested to learn that Doug. Moore, diminutive net-minder for the Stouffville hockey club, was called from his bush work in northern Ontario, to join in the fight against the big fires there.

The annual Men's Trebles tournament for the Old Boys' trophy, is being staged on the local greens this Wednesday. The Ladies' Trebles tournament will be on July 15th.

Ronnie Rowe, ex-Markham hockeyist is playing soccer in Toronto again, and was an outstanding cog for Ulster against the famous Liverpool team recently.

Billy Mundell, former Aurora hockey player, coming originally from Claremont, will get a tryout this fall with the St. Louis camp in the U.S. He bagged 64 points in the Scottish hockey league last winter.

Stouffville Girls' softball team tied their first league game here with Markham on Monday night 9-9. The game was played on wet, slippery grounds which did much to load both teams with errors. Markham led up until the last innings, when the home girls pushed across the tying tallies. Jean Miller and Kay Ford handled the Stouffville pitching with Bertie Slack catching. Helen Snowball of Stouffville cracked out the only home run of the game.

## Intermediates Tie League-Leading Sunderland Team

Stouffville Intermediates played to a 7-7 draw with Sunderland, current leaders in the Tri-County league, in an exhibition game here on Wednesday night. The local nine got off to a bad start, and Sunderland romped homie with three runs in the first innings, all on local errors. Procenko crossed the platter with the first Stouffville run in the third, three more were added in the fourth and four in the fifth. Procenko, Minton, Holden and Lorne Schell were the Stouffville hitters.

For Sunderland, St. John and Brandon carried the most potent bats. Lefty Bagg started on the mound for Stouffville, and was relieved by Schell. Beaton and Campbell did the pitching for Sunderland. Eight strikeouts were registered against the visitors and four against Stouffville.

Nearly 8,000 people read The Tribune each week. That's what makes advertising in this weekly so valuable.

## FLIGHT IS HONEYMOON FOR IMMIGRANT BRIDE

Bride of three months, Mrs. Daniel Spence, arrived with her husband in Canada among latest air immigrants from Britain. The flight, she said, was "part of our honeymoon." They will make their home in Toronto, Ont.

## Don Campbell Presented With Hockey Trophy

Stouffville Junior Players Presented with Handsome Red Crested Cardigans and Neat Cheque for \$25.

Hockey had one last fling in Stouffville on Monday night, when the local Junior 'B' club of 1947-48 held a get-together at the Mayfair Restaurant. Highlight was the presentation of the "most valuable player trophy" from the O.H.A. to defenceman Don Campbell. The handsome silver trophy was presented by Reeve A. V. Nolan on behalf of the O.H.A. and the local club. Campbell was voted by his team-mates, most valuable player of the year, at a hockey banquet, tendered the team by the Lions Club some months ago.

While expenses of operating the hockey ran heavier this last season, there was still a sizeable melon to slice up when all accounts were finally in. On Monday night, each player and the coach received a fine crimson cardigan with the Stouffville crest, plus a cheque for \$25.40, as his share of the year's profits. Treasurer Bruce Clark revealed that expenses last winter totalled \$1400, with gross receipts a little over \$2,000.

Members of the executive include, coach, Bruce Harper; president, A. G. Thompson; manager, Bob Snowball; sec-treas., Bruce Clark; directors, Ted Edwards and Chas. Nolan.

## LIGHTNING BOLT KILLS 13 COWS IN KINGSTON STORM

Damage of several thousand dollars was counted after Wednesday night's violent electrical storm lashed this Eastern Ontario district.

First heavy loss was reported by farmer Frank Baker who lost 13 Holstein cows valued at \$10,000 when lightning struck a tree under which they were taking refuge.

An early survey showed considerable crop damage to crops with cut hay in most cases a total loss. Many vegetable crops were damaged.

## TOLERANCE OF RIOTS

The worst and most dangerous aspect of the riots among Great Lakes seamen is official weakness in suppressing them and public apathy about them, states a Financial Post editorial. Tolerance of public disorder is the most serious disease that can beset a society. Yet in many labor union conflicts, the law is deliberately and successfully flouted.

## CATTLE PRICES SHOW DECLINE ACROSS CANADA

Demand for beef dropped off last week and the prices structure for all live cattle was severely overhauled.

Early prices were down in the east by \$2 or more and later developed further weakness to sag as much as \$3 on better grades at Toronto. Meanwhile, western centres shared in the losses to the extent of \$1-\$2.50 and in at least one case \$4.

At Toronto later sales in the better quality butcher cattle were as much as \$3 lower and about 2,700 cattle remained unsold. Better quality weighty steers made \$18-\$21.85, butcher steers \$16-\$20, and most good cows \$13.50-\$14.50. Montreal trade was at a virtual standstill with choice steers \$23, good and mediums \$19-\$20, mediums \$18 down, and cows \$14.50-\$15.50. Best steers and heifers in the Maritimes were quoted at \$17, fob.

## RINGWOOD

## Building Boom On in Haliburton

Haliburton is enjoying an unprecedented building boom not only in new resorts and summer cottages but in new homes. At least 30 homes are in the course of construction at Minden village which straddles the Gull River, 50 miles north of Lindsay on Highway 33. At Haliburton village, 15 miles east of Minden, 12 new homes have been started.

Further indication of the importance and development of this vacation district is shown by the arrival of two building contractors who have taken up permanent residence in the area. W. Bailey, who formerly operated a construction firm at Niagara Falls, has formed the Haliburton Construction Company with headquarters at Minden. Already he has men employed on several new cottages. W. S. Holland, formerly of London, has sold his lumber and construction business in that city and is now operating in Haliburton. He has three houses underway at the foot of Head Lake, on the outskirts of the village.

A new laundry is now doing business a mile west of Haliburton. Mrs. Edith Walsh, Minden, is building a tea room, and there are two snack bars being built, one at Carnarvon, by William Irwin of Niagara Falls.

Haliburton Ski Club headed by Robert Bishop, has leased the hill at the north end of the village and an electrically operated ski tow will be set up. The slope will be graded this summer and skiing will start next winter.

Six long distance telephone lines have been completed from Haliburton to Fenelon Falls, and once the Bell Telephone makes the connections on their own lines there will be none of the former delay and embarrassment caused by inadequate telephone service. Plans are underway to build telephone lines from Haliburton to Wilberforce, Tory Hill and Gooderham, bringing this essential service to the three villages for the first time.

The high voltage power line from Stony Lake has now reached Haliburton and spur power lines will be extended to Wilberforce, Tory Hill and Gooderham before the year is out.
