SUGARED SCHUMACHER FEED

Quaker Sugared Schumacher Feed is a high class blended carbohydrate feed. It is very uniform in composition, appearance, texture and analysis. It has proved itself in hundreds of herds and flocks wherever carbohydrates are required—and carbohydrates are required wherever there is live stock. Quaker Sugared Schumacher Feed is better than corn, better than oats, better than barley, better than wheat feeds, because it is a blend of all four of them; it is better than all of four of them combined because it carries, in addition, special minerals and molasses.

Quaker Sugared Schumacher Feed is the ideal carbohydrate feed for the milking herd, for the dry herd, for young growing stock, for breeding stock, for beef cattle, for horses, for sheep, for swine—since all these animals require generous quantities of carbohydrates. It serves all kinds of stock at all times of the year.

Quaker Sugared Schumacher Feed is a great utility feed—it serves for all types of stock—every ration for every type of stock on every farm can be built upon it.

STIVER BROS.

Mrs. G. B. Richardson of Roanoke, Virginia, Mr. and Mrs. A. E. Madill of Windsor, and Mr. J. H. Madill of Harrow are in town visiting the home of Mr. and Mrs. George Lee. The Madills are brothers of Mrs. Lee, and the visitors are all here for the Madill reunion this Wednesday.

Mrs. Gladys L. Muir, wife of Rev. F. H. Muir of Stouffville Christian Church, was among the guests invited to the afternoon tea given last Friday at the Summer School of the Royal Conservatory of Music of Toronto. Music teachers from every part of Canada, from Newfoundland, and from the United States, are attending the four-week sessions of this Summer School which this year includes among its distinguished faculty the world-famous accompanist, Gerald Moore, who is giving a Master Course "The Art of Accompanying."

Mrs. Louise Nattress of Delewan, Illinois, is visiting her sister, Mrs. David Watson, Main St.

About thirty dealers and servicemen gathered at the showrooms of Henry Ogden & Son, local Massey-Harris agent on Monday, for a demonstration of the new No. 26 self-propelled combine. This is a machine especially constructed for harvest work in this section of the country, and three of them are already in service near Stouffville.

PROGRAM AMPLIFIED AT ICE CREAM SOCIAL

The Lemonville W.A. ice-cream social to be held on the school grounds there on Wednesday, July 21, promises to draw a big crowd. In addition to a delightful lunch, there will be a good program to be amplified by Farr's public address system. Admission, adults 35c; children 20c.

Mrs. Robt. Young, Church St., has been visiting with her niece at Cobden for a couple of weeks.

Dr. S. T. Bodendistel is driving one of the new Meteor cars, product of Ford Motor Co., and the first of this model to be owned in Stouffville.

Good progress is noted in the building of the Veterans Memorial Hall, and the cement blocks are expected to be all laid this week in readiness for the roof to go on. One of the substantial donations received for this building which led off the subscription list last year was from Miss Clara Widdfield of East Cleveland, Ohio, from whom the writer now has a letter before him, enclosing her renewal for The Tribune for another year, and offering the paper congratulations on winning the Clark Memorial Cup again.

No less than three York County police officers live at Richmond Hill, according to a council report from that town. This leads one to suggest that the county force should be better distributed. It is not necessary that all police be located on Yonge street. We are mindful of the fact that Markham and Stouffville receive no consideration when it comes to placing these officers about, if indeed they are stationed. It may be that they are permitted to reside at a place of their choice, but we doubt that they are, otherwise they would all be living in Stouffville and Markham. Now, see the editor of the Richmond Hill Liberal smile?

DALTON-ROBSON REUNION

The eleventh annual reunion was held in Memorial Park, Stouffville, on Saturday, July 10th. The day was ideal and everyone enjoyed themselves. After a grand supper while still at the tables prizes were given to the eldest person present, Mr. George Tran, Atha; the youngest one, little two weeks' old Eugene Robert, son of Mr. and Mrs. Randal Spofford; and the family that came the farthest, Mr. and Mrs. Allan Baum and little son of Timmins. Miss Lyla Lapp of Toronto won the lucky draw. One minute silence was observed in memory of five who had passed away during the year.

Mr. Thos. Banks ably conducted the sports. Beginners race, Dianne St. John, Betty Ann Slack, all little kiddies receiving a prize; girls race, Mabel Banks; boys race, Glen Wilson, Gary St. John; young men's race, Harvey Feasby, Wm. Moore; ladies' shoe kicking, Audrey Feasby, Lyla Lapp; candy race, Mrs. Langford, Mrs. Baum; spot race, Mrs. Chas. Feasby; Mr. A. Baum; married men's race, Walter Slack, Sid Langford.

David Crosier was elected president for another year; vice president, Chas. Feasby; secretary-treasurer, Mrs. Thos. Banks; convener of sports, Thos. Banks. It was decided to hold the next reunion at Stouffville.

Mr. and Mrs. Reg. Button have been vacationing at Haliburton.

Mrs. Bessie Lett of Toronto is visiting her mother, Mrs. George Watson, O'Brien avenue. Mrs. Lett's son Jackie is seriously ill. He is a patient in the Home of Incurables.

Remitting a subscription to The Tribune, Miss N.J. Daley, Camrose, Alta., sends kind regards to all old friends. This is appreciated by such old friends here.

Stanley Schmidt who has been employed for some time with the Toronto Spindle Carving Co. at Ringwood, has taken a position with The Tribune.

A promising crop of raspberries are just coming into picking season. Several substantial growers inform us that there will be lots of berries available in a week for preserving and a good supply this weekend for table use. The over-all crop promises to be a plentiful one, provided the odd shower of rain falls, and intense heat does not cook the fruit and wither it on the bushes. Local berries had not reached the stores in town on Monday when a reporter called on the grocers, but they were expecting them almost any time. Ratcliff & Co. displayed a few boxes of black berries from a local grower.

Ruled Loud-Speaker Out

A religious group from Toronto holding meetings in front of the municipal buildings on Saturday nights, became a bit too noisy with their loud speaker, and the Reeve had to appeal to Constable Rusnell to discontinue the loud speaker, and the order was promptly complied with. There will be no more complaint since the loud speaker will not be allowed in future, and merchants will be able to hear their customers. The enthusiastic group took up the most prominent business location on the street, instead of carrying on their meetings somewhere out of the area where commercial business is expected to hold sway.

Rev. and Mrs. Wm. Paget will be the speakers at a special service in Ringwood Christian Church on Sunday July 18th, at 7.30 p.m. Mr. and Mrs. Paget are returned missionaries from India.

During the war Mr. and Mrs. Paget were returning to India when they were interned by the Japanese. Mrs. Paget is the author of the book, "Out of the Hand of the Terrible" in which she describes some of the experiences through which her family passed in the internment camp. It is expected that the Pagets will tell some of their experiences, and at the close of the service will show moving pictures of their missionary work in India. These missionaries are partially supported by the Cong. Christian Church Conference.

WEDDINGS

ISABEL M. MIDDLETON AND MYLES B. SWEENEY JR. EXCHANGE VOWS

In a double-ring ceremony at 9.15 o'clock, July 5, in St. Paul's Church, Kenmore, N.Y., Miss Isabel M. Middleton, daughter of Mr. and Mrs. William P. Middleton of Dartmouth Ave, was united in marriage to Mr. Myles B. Sweeney, Jr., son of Mr. and Mrs. M. B. Sweeney of Kenmore.

Given in marriage by her father, the bride wore a gown of ivory satin fashioned with an off the shoulder sweetheart neckline, long pointed sleeves, fitted bodice, butterfly bustle and full skirt. Her finger-tip veil of illusion bordered with Alencon lace fell from a halo adorned with orange blossoms. She carried a bouquet of gardenias and sweet peas centred with a white orchid. Miss Alice C. Brand, maid of honor, was gowned in forest-green satin with matching gauntlets and headpiece and carried yellow roses. Mr. Joseph P. Sweeney, brother of the groom, was the best man and the ushers were Messrs. John P., James, Terence and Thomas W. Sweeney, also brothers of the groom.

The bride's mother wore a sheer print with black accessories. Mrs. Sweeney also chose a summer print with navy accessories. Both wore shoulder bouquets of roses and gardenias.

A breakfast was served for the bridal party and immediate families at 641 Delaware Ave. A reception was given at the Town Club for two hundred guests. For a honeymoon in Canada the bride chose a green and coral silk print dress, white accessories and a corsage bouquet of white roses. On their return they will make their home at 54 Moulton Ave., Kenmore, N.Y.

Among the relatives from out of town were, Mr. Wm. T. Middleton of Greenwood, Ont., grandfather of the bride, Mr. and Mrs. Herbert Middleton, Miss Marion Wannop and Miss Edna Green of Greenwood, Mrs. F. R. Philip and Wm. Gerald Phillip of Hollywood, Calif., and several friends attended from New York, Pennsylvania and Portland, Oregon.

Local and Personal Happenings

Stouffville Baptist Sunday School annual picnic was held last Wednesday afternoon at Cedar Grove.

Mr. Andrew Brown and his son of Toronto are frequently in town these days. They are staying at their Musselman's Lake cottage "Blink Bonnie."

The Stouffville public library will be closed from July 26 to Aug. 9th both dates included. Get your reading requirements on Saturday, July 24 for the extended period.

Mrs. Fred Reesor of Locust Hill has been hospitalized here at the Brierbush for about two weeks, following a motor accident in which she sustained a broken collar bone.

The Tribune has been issuing rural school promotion results for three weeks, but many of the immediate schools have still failed to make a report. Teachers who intend to provide a newspaper report should do so without delay. There is no charge for publishing these results.

You are invited to take in the picnic in the beautiful Memorial Park grounds here on Wednesday, July 21, under auspices of the Horticultural Society. Members and all friends will be heartily welcome. Indeed, you are urged to come and bring the family, and of course that picnic basket. This notice is your invitation. Act on it, please, next Wednesday.

Delightful weather prevailed last Thursday for the musical evening spent on the spacious Paisley lawn in the east end when a program under auspices of the Pilgrim Workers of the Christian Church was well rendered. Pastor F. H. Muir was master of ceremonies and the program was provided by David Penny of Toronto with his Hammond solo vox. Local talent was also enjoyed contributed by Lambert Stouffer, the Dunkeld trio of girls, Altona ladies' trio, and talent from Ringwood, as well as violinist and soloist from the city. The ladies operated a refreshment booth, giving good results to their finances. There were 23 items on the program.

The engineering firm of James, Proctor & Redfern will submit estimates to the village of Richmond Hill next week on the cost of sewer system in that town. This is the firm which provided the figures for the town of Uxbridge, and on which work has not been started because tenders were too high over the engineer's estimate. The actual cost to a household for a real sewer will be \$30 to \$40 per year to the tax bill of a property owner possessing a residence on a 60 foot lot. This figure, of course, is very general, but it gives an idea of what to expect when you talk about installing a sewerage system. The estimates to be given Richmond Hill will be awaited with interest, since Stouffville is in need of a similar system, but fears the cost.

Rev. W. E. Smalley of Ajax, formerly of Stouffville, has received and accepted a call to become the pastor of the Kettleby and King City Baptist Churches. He began his new duties on July 4.

Mr. and Mrs. Don Fraser and Joanne of Belleville are holidaying at her old home with Miss Jane Birkett. Mr. and Mrs. Jack Penock of Aurora were also here on Sunday to complete the family circle.

Guests from Stouffville in attendance at the wedding of Dorothy Clark and James Moore in the Gilmore Church, Bridgenorth, last week, were Mr. and Mrs. H. O. Klinck, Mr. and Mrs. F. C. Rowbotham, Mrs. Dewitt and Joyce, also Mr. and Mrs. Bruce Clark. Following the ceremony in the country church, the entire party attended the reception at the Kawartha Club grounds in the Peterborough district. Mrs. Moore has for several years been on the teaching staff of Toronto Public Schools, while Mr. Moore has worked with M. Cockburn, as Assistant Agricultural Representative for York County and latterly as Representative for the County of Brant. His more recent appointment as Public Relations officer for the Canadian Council of Boys' and Girls' Work Clubs will necessitate residence in Ottawa and organization activity from coast to coast. The bride is a sister of Mr. Bruce Clark, manager of the Stouffville Co-op.

One of the events at the Elmira Old Boys' Reunion was the opening of a new \$40,000 municipal swimming pool. Elmira is a town in the Kitchener-Waterloo district much like Stouffville, and having built a pool for the kiddies and other residents at so great a cost, it would be interesting to know how the matter is financed, since we hear a great deal about a pool in this town. Even though Elmira is about twice the size of Stouffville, its system of financing a \$40,000 amusement venture, and the type of pool built would be of interest to local persons delving into a similar problem here. Now, do we hear that a car load of citizens are off for the Kitchener district?
