Alliston tax rate has been struck at 52 mills, two mills above last year, and 16 mills above the rate in Stouffville. However, Alliston has a sewer system, that adds four mills to their general rate and they raise two mills annually for bridges, none of which Stouffville has to pay, although the day will come when we will possibly have a sewerage rate, and it will come quicker if the town continues to expand to say 1700 or 1800 people.

President E. Madill of Port Credit presented a gift to the wee baby girl of Mr. and Mrs. Ernest Madill, youngest member present. Oldest person at the picnic was Mr. Albert Madill of Mount Albert who was awarded the prize.

Short speeches were made by several members of the clan, and Mr. Ernest Madill was returned as president. The vice-president is Mr. C. Bunker, and the sec'y-treas. Mrs. Petty, Markham. The gathering next year will be in Memorial Park, Stouffville, and the date set is June 29.

Next Sunday will be an important day in the various Mennonite Churches and the United Missionary Churches in this district. Special meetings morning and evening, and a rally service at the Wideman church will mark the occasion aimed at strengthening the peace convictions held by the membership of these churches. Speakers from Western Canada, and from Pennsylvania will participate.

The village council caused some 1300 gallons of oil to be laid on the streets on Monday. This is in addition to 2300 gallons previously put down as a dust layer. It is doubtful if the village streets were ever in so good a condition as they are at this time. However, it is felt that the ratepayers want good roads summer and winter, and as they are paying the taxes, the least a council can do is to obey their wishes. Continual road dust blowing into homes is almost intolerable in this day of motor traffic.

Ryerson United Church, Hamilton, was the setting for the wedding of Joan Estelle, daughter of Mr. and Mrs. Frederick F. Hicks, and Mr. John Arnold Schell, Wallaceburg, son of Mr. and Mrs. Wesley J. Supervised Play at Park
A supervised play period for children 4-10 years of age is in progress in Stouffville Park every morning, Monday to Friday, from 9:30 to 11:30. The mothers of the east end have been co-operating in this experiment by taking turns supervising throughout the past weeks and it has proved most successful. They would like to invite any of the west end mothers who are interested in this project for the children to join in with them for the remaining weeks of the summer. Will you please get in touch with Mrs. Will Sanders, phone 7905.
