WARNING TO LOT BUYERS IN STOUFFVILLE

Persons who contemplate buying building lots (or lot) in Stouffville are advised that they should make sure that an accepted road to or by the proposed lots (or lot) is available.

If you make purchase of a building site that has no street or road presently built, you run the risk of never having a necessary and proper road, as the corporation does not take over new roadways until they are graded and gravelled by the landowner. Make sure you have a proper road before buying property. Consult the office of the village clerk, if in doubt.

By order of Council Geo. Storey, Clerk 12-3
