

POLICE APPLICATIONS

Application will be received for an assistant Police Constable, for the Township of Markham, by the undersigned. Preference will be given to applicants with military service under thirty years of age, of suitable character and adaptability. Applications stating experience, age, and salary expected to be filled on or before 12 o'clock noon September 7, 1948.

Chas. Hoover
Clerk Township of Markham
Unionville, Ontario

Miss Cella King of Uxbridge is visiting with Mr. and Mrs. Bert Miller this week. Miss King is a sister of Mr. Percy King, reeve of Uxbridge for several terms, and a butcher by trade.

The SEAMAN TILLER

Model FTMD-42
42-inch Tillage Width

A Better Machine for Better Seedbeds

The SEAMAN TILLER helps to produce better yields by: (1) thorough pulverization of the soil; (2) hastening and promoting earlier and more complete germination of seed; (3) distributing plant food uniformly and effectively throughout the growing area of the seedbed; (4) helping to increase the supply of nitrogen through complete seed-bed aeration; (5) eliminating "air pockets" and hard plow soles that usually retard plant growth; (6) helping to destroy crop pests and diseases such as grub, cut-worms, beetles, grasshopper eggs, weevils, borers, potato scab and certain varieties of fungus; (7) providing more effective weed control; (8) reducing soil erosion.

Let us tell you more about the SEAMAN TILLER. Come in and let's talk it over. Power take-off and motorized (gas or diesel) machines available. In a full range of sizes from 36-inch to 72-inch tillage widths.

Council Asks Speeders Curtailed on 4th Con.

Markham township council on Monday decided to hang up the necessary signs to place at Buttonville and Victoria Square calling for a 30 mile speed limit through these hamlets. Under a recent amendment to the Act, council has power to enforce the 30 mile limit without recourse to the Highways Dept. as heretofore. "Just hang up the signs and if they are not obeyed the cops will attend to the speeders," said one councillor.

Deputy Reeve Dalton Rumney described the traffic as a menace to children. Many motorists have no regard for them, he said, judging by their speed.

A bylaw was enacted designed to regulate the uses to which land may be put, the location of buildings, and the nature of business that may be carried on.

Before the bylaw becomes law, a copy must be sent to each property owner, and then have the approval of the Dept. of Municipal Affairs. The copies will go to the property owners along with their tax forms to be issued shortly. In addition to apprising the owners of the nature of the bylaw, it will announce a date for a public meeting to hear from complainants, if any.

When made law this bylaw with the building bylaw will provide the municipality with ample power to protect the township from becoming a dumping grounds for undesirable things, and to compel persons to build in a manner calculated to improve the whole area, and not detract from it.

Council also instructed the clerk and constable to advertise for a second constable to assist Chief Wideman who finds 24 hours a day too much for one man. Applications will be received up to Sept. 7, and personal interviews arranged after that, we understand. Councillor Win Timbers said he had been of the opinion for some time that a second constable should be employed, and Councillor Harry Barber and Fred Wick also said it was their idea too. Deputy Reeve Rumney submitted the resolution to set in motion the machinery for getting a second constable.

"I think we are taking the right course," said Reeve Griffin, and Mr. Wideman said two constables would cost little more than one.

Mr. and Mrs. James McDonald and Billy of Kinsale were visiting with Mr. and Mrs. Howard Mantle and family on Sunday.

Port Perry Folk Vote Large Majority For Dry Town

Hotter than a hot stove is this discussion of the vote in Port Perry in which the "drys"

last week overwhelmingly defeated proposals for the establishment of a brewer's ware-

house, ladies' beverage rooms, men's beverage rooms and beer or wine by the glass in dining

rooms. In the discussion are Earl MacGregor, left, Ben Dunn, centre, Josh Collins.
