WHY A NURSERY KINDERGARTEN IN YOUR COMMUNITY?

If you are interested in a nursery kindergarten project in Stouffville come to the public meeting, Tuesday, Sept. 21st, at 8:15, at the Stouffville municipal hall. The above question will be answered by Miss Margaret Fletcher of the University of Toronto in an illustrated talk. You may say "I believe in the importance of a nursery kindergarten but how do we get one?" They are not easy to start. A trained teacher, adequate indoor and outdoor space, health regulations, toy equipment and many more problems have to be solved. Secondly good schools are never cheap, because a good teacher can only care satisfactorily for a small number of children.

Mrs. Daley was the former Susan Melinda Medley of Stouffville, who became the bride of Lewis Russell Daley of Stouffville.

Mr. and Mrs. Daley moved to the West in 1906 settling near Bittern Lake on the ranch owned by his father, the late R. J. Daley. They also lived in the Daysland district several years and made many friends there. Later they returned to Rosedale Ranch at Bittern Lake.

Three large tables were set out on the lawn, beautifully decorated and bearing the golden wedding cake. Little Lorraine Richmond presented the bride with a beautiful bouquet.

Mrs. J. G. Baker representing all the friends, gave a suitable address including a short history of the bride and groom, stating that their motto through life was to make friends and keep friends. Mr. Daley thanked the guests for their good wishes and many gifts and he wished all their married friends a golden wedding day.
