Mr. and Mrs. George T. Lee, accompanied by Mr. and Mrs. Fred Redshaw of Claremont were in Oshawa on Saturday for the wedding of a relative.

Mrs. John Sears, Port Hope; Mr. and Mrs. A. H. McDonald, Prof. Lynden Smith, Mr. and Mrs. W. N. Campbell of Toronto, were weekend guests of Mr. and Mrs. John Scott.

Christ Church, Stouffville, held its annual Harvest Thanksgiving service on Sunday, September 26. The special speaker was Rev. W. Lynden Smith, Professor of Trinity College, U. of T. The church was beautifully decorated in keeping with the service.

For the reception at the home of Mr. and Mrs. John Scott in honor of their recent marriage, guests were present from Toronto, Ajax, Colborne, Port Hope, Hamilton, Green River and Claremont. About 150 friends called during the afternoon and evening.

Friends are greeting Mr. Frank Rae who is seen for a few hours daily at his tailoring shop, after three weeks severe illness. Mr. Rae, with the exception of the veteran John Monkhouse has a record for long service that no other business man in town can equal in the mercantile line.

The minister and congregation of Stouffville United Church are appreciative of the gift recently made of a set of collection plates turned by Mr. Donald Moyer, son of Mr. and Mrs. Harvey Moyer. "The new plates are lovely to behold, and of course could remain in service for a century, thus making a nice gift," said one of the officials.

Judson Edwards of East Lansing, Mich., spent a few days in town at the home of his sister, Mrs. Wm. Waddell.

Markham Fair will be officially opened on Friday by the Deputy Minister of Agriculture, C. D. Graham. Jack McPherson, Farm Commentator for the CBC will also be at the fair.

We understand that the firm who have been taking orders for re-made carpets, will be in town on Monday. Interested persons should call 55JL.

The J. B. Home Manufacturing Co. in the Ratcliff block are calling for girls in this issue, for employment in their factory. Congenial surroundings and a short week.

House pet for twelve years, Rex, belonging to Mr. and Mrs. Nels. Byer was killed as a result of being struck by a passing car on Saturday morning. No charge was laid against the motorist who failed to inform police of the accident. The driver said that he did not see the dog as it was attempting to cross the road.

## FIRE IN CAR THREATENS BUSH

When an automobile belonging to Stanley Hall took fire on the side road between the 6th and 7th concessions of Whitechurch a mile and a quarter north of Lemonville, the flames threatened a fine bush. The road is narrow where the incident happened, and the flames mounted into the overhanging trees. Stouffville fire brigade reached the scene in time to snuff out the spreading flames, but it took some 400 gallons of water from the big truck to deaden the fire spreading into the tinder-dry bush area.

And now we are all on standard time again, everybody is happy, there is no confusion, and so be it until the good old summer time rolls around again next year.

Mr. and Mrs. M. J. Gerrow of London, Ontario, have returned home after visiting in town at the home of Mr. and Mrs. Jos. Grose. Mr. Gerrow, who is a registered nurse, one of the few in the province, holds a position in the Westminster Hospital.

Mr. Fred Marshal, former bank manager of Stouffville was in town on Saturday. He is slated for retirement in another year, and we hope that he and Mrs. Marshal will keep their eye on the town where they spent so many pleasant years.

Mr. Reg. Button has been forced to remain at home now for a couple of weeks, owing to ill health. In the meantime the legal problems handled by him at the law office must stand until the solicitor is in better health. Mr. Button is improving, friends will be glad to learn.

Mr. Fred Jackson, Church St., suffered a broken wrist one day last week, while working on the roof of the Lehman and Agnew stores. Mr. Jackson was applying a roof coating when the ladder which he was ascending suddenly slipped, and he was thrown to the ground, along with a large heavy container of coating material.

An item of interest was omitted from last week's report of the meeting of the Garrett Evening Auxiliary. A life membership certificate was presented to Miss Gertrude Todd by the members of the auxiliary, in recognition of her faithful service. The presentation was made by Mrs. Douglas Davis and Miss Emma Winn.

Stouffville resumed standard time last Sunday. The Ontario Hydro Commission came out with an admission that to continue daylight saving time was no advantage to them in the matter of saving power, when Trade Unions tried to get daylight time continued. We would hope that this will be remembered next year when the old agitation comes along to tamper with the clock, saying it is eight in the morning when actually by sun time it is only seven. It's a great nuisance to farmers, but a great advantage to the golfers.

## Old Friend Sends Congratulations

In the mail a few days ago was a request from far away Victoria, B.C., for a copy of The Tribune containing the historical sketch on the First Markham Baptist Church. The request was promptly attended to, but it indicates how news travels when once it gets in The Tribune.

In the mail a few days ago was another interesting note coming from Mrs. Roberta Mather Cooper, whose former husband conducted the undertaking business in this town before going to Banff where he died. Mrs. Cooper in renewing her subscription said: "I receive my paper each week, which seems to grow in popularity with the years. Congratulations for receiving the award again for best all-round weekly in Ontario-Quebec. It sure does deserve it."

# Local and Personal Happenings

Five generations gathered at Stouffville last week, at the home of Mr. and Mrs. Clayt Baker, as Noah Baker, right, celebrated his 90th birthday. There were 22 grandchildren, 28 great-grandchildren, one great-great-granddaughter. Son Frank is on left with great-great-granddaughter Connie.

## One of our Oldest

Few people have lived in Stouffville longer than Richard Burton now a patient in the Brierbush Hospital. This veteran citizen who was 77 years old last spring lived since boyhood on old Stouffer street, one of the first thoroughfares blocked out off Main street back in the very early days. His parents lived in the same house our bachelor friend occupied to this day. Having no near relatives or anyone to care for him, he found it necessary to enter the hospital when he became ill, and his condition is rather disheartening. Mr. Burton in his active days was a huxter, and attended Toronto market with his produce.

It is expected that applications will be opened at this meeting for the position of building inspector for the township, made vacant by the resignation of Archie Fleming who is resigning to give his whole time to assessment work.

## Weddings

### ARMSTRONG-HASTINGS

Standards of pink and white gladioli formed the background at the home of Mr. and Mrs. Stanley W. Hastings, for the marriage of their younger daughter, Maryon Aileen to Frederick Thomas Armstrong, eldest son of Mr. and Mrs. Robert P. Armstrong of Locust Hill. Rev. Douglas Davis of Stouffville United Church officiated and Mrs. Alex Armstrong, aunt of the groom, played the wedding music.

Given in marriage by her father, the bride wore a suit ensemble of Victorian wine, with corsage of Johanna Hill roses and white heather. Her sister, Mrs. R. W. Morningstar, as matron of honour, was attired in forest green ensemble with corsage of talisman roses.

The bride's mother received wearing glory blue, with corsage of pink roses and was assisted by the groom's mother in hunter's green with corsage of talisman roses.

Amid a shower of confetti the young couple left for a trip through Algonquin Park and the Laurentians. On their return they will reside in their new home at Locust Hill.

### HOOVER-FRETZ

Wideman Mennonite Church, Markham, was the scene of the wedding of Lois Marie, daughter of Mr. and Mrs. Samuel H. Fretz, to Maurice Edwin Hoover, son of Mrs. Hoover and the late Leonard W. Hoover. Rev. Elvin Snyder spoke preceding the ceremony and Bishop A Lewis Fretz, uncle of the bride, performed the ceremony.

The bride, given in marriage by her father, wore a dress of white gaquered crepe and carried a bouquet of red roses. Miss Susan Sellers, cousin of the bride, was bridesmaid, dressed in blue crepe and carried pink gladioli and blue corn flowers. Mr. Willis Hoover was best man. The ushers were Orval Fretz and Ernest Hoover.

A mixed quartette composed of Mr. and Mrs. Leonard Hoover and Mr. and Mrs. Lewis Reesor sang, "The Voice that Breathed O'er Eden," and during the signing of the register, "O Perfect Love."

A reception followed on the lawn of the bride's home.

For the wedding trip to Ottawa, Montreal and United States, the bride chose a blue dress and pearl grey coat with black accessories. They will reside on the groom's farm on the 8th con, Markham.

House furnishings from Spoford's and electric goods by the Stouffville Radio Electric (Norm Farr) will occupy prominent display space at Markham Fair this week.

A number of trees were removed from the playground at the Stouffville School last week, and the ground levelled by bulldozer. The trees, a row of maples immediately south of the building were taken out to make room for more space for sports both in summer and winter. With nearly four hundred pupils of both public and high schools using the grounds, there is scarcely sufficient playground. It was anticipated several years ago, that an adjoining lot to the west of the present school grounds would be purchased and the additional area made use of, but so far this move has not materialized.

Mr. Sam Armstrong who has a cottage at Hawk Lake in Haliburton, is home just now. He states that the water level at Hawk is down probably ten feet. So low in fact that no more water can run from the outlet, a situation that nobody living has seen before in these northern lakes. All northern Ontario and Quebec are suffering from this water shortage which reflects itself in this province through the great hydro shortage which depends so much on this northern supply of water.
