### 9th Line, Markham

The Farm Forum met on Monday night of this week at the home of Mr. and Mrs. Fred Wicks Jr. A splendid attendance was recorded. After listening to the radio broadcast groups were formed for the purpose of discussing the topic of the evening. Games were then enjoyed after which a delicious luncheon was served by the hostess. The next meeting of the Forum will be held at the home of Mr. and Mrs. Herb Thomas next Monday night, Nov. 8.

Mr. Darius Clendenning is not his usual active self these days and is under the doctor's care. His many friends sincerely hope that he may be quite recovered soon.

### GOODWOOD

The Goodwood Baptist church now has a resident pastor, one that is brand new for only last week. Rev. George F. Gorman of Coaticook, Quebec, was inducted into the pastorate at Uxbridge and Goodwood churches. Our old friend and former pastor who came back to us to fill in the break, Rev. Caleb Harris, conducted the induction at Uxbridge during the anniversary of the northern church. Another old friend of Goodwood, Rev. C. G. Schutt took part. The Goodwood church ladies assisted in serving the luncheon that followed this delightful event.

We regret the omission of a notice intended for last week concerning the toxoid clinic. However while it did not appear in The Tribune the attendance was good, and the newspaper takes the blame for not passing on the information sent in.

The Goodwood United Church is holding anniversary services on November 14th at 11 a.m. and 7.30 p.m. The Rev. Robinson of Scarborough will preach at both services. The music in the morning will be supplied by the Atha trio and led by the choir. In the evening the combined choirs of Siloam and Goodwood will supply the music.

We sympathize with the friends of the late Mrs. Wm. Henderson who passed away on Saturday morning at her son's in Oshawa. Mr. and Mrs. Henderson were residents of Goodwood until about a year ago when they went to Oshawa on account of ill health to reside with their son. Mr. Henderson passed away about three months ago.

Mr. Fred Marshall has returned home from his two weeks' trip to Vancouver. In all his travels he thinks Ontario is still the best.

Mr. J. F. Reid has returned home after spending a week in Montreal with his son and daughter.

Whales and sea lions will play together.

Miss Audrey Baker of McMaster University was home with her parents over the weekend.

Miss Doris Baker and Miss Jean Hodgson left on Monday morning to take a business course in Toronto. Miss Eileen Baker entered in September.

The Young People's class meeting was held at the home of Miss Grace Lehman on Tuesday evening last. The Christian Endeavour met at the home of Mrs. F. McNair on Thursday afternoon.

Mrs. David Crosier and Miss Doris Baker attended training school at Uxbridge on Thursday and Friday of last week.

Around forty-five Junior Farmers of Ontario County met at Vincent Baker's on Saturday last to receive extra coaching on judging horses before they attend the Royal Winter Fair. The horses were decorated up with their ribbons for the occasion and looked very attractive. The boys had a busy time as each one had to judge individually and mark the points on their score card. They had been to other farms judging cattle and hogs previous to coming to judge horses. Several pictures were taken before leaving for Uxbridge. F. L. Fair, Agricultural Representative of Ontario Dept. of Agriculture, Uxbridge, accompanied the boys.

The Women's Institute are having a Family and Visitors' Night in the school house on Friday evening, Nov. 12th, at 8 o'clock. Motto—"Nothing great was ever achieved without enthusiasm." Their will be a competition of vocal selections by the schools in the area, also readings and musical numbers, and refreshments. The community and social committees are in charge. Silver collection. Anyone welcome.

The forty-sixth convention of Central Ontario Area Women's Institutes will be held in the Royal York Hotel, Toronto, Wednesday, Thursday, Friday, November, 10th, 11th, 12th. Theme: "One in thought, word and deed, for world security and peace." Mayor H. E. McCallum will extend a civic welcome. Mrs. R. Couperthwaite is appointed delegate, and Mrs. C. Hodgson, alternate. Anyone is welcome to attend this convention.

### Editor's Mail

Mr. Editor:

Being a law abiding citizen of Stouffville for a number of years and being proud of our town I wonder if other decent citizens felt as I did in walking through the streets on Sunday morning? Destruction everywhere to property. Railings broke on church steps, eavetroughs smashed, broken windows, steps torn from houses, cement blocks, hard to get as are other materials, smashed to pieces. Surely this is not what some of our young men who have and do attend high school call fun, and also vouch they come from respectable families.

Then to go to a man's place and take good work horses out of a warm stable and tie them out in the cold and wet for several hours. And to tear gates down and turn his cattle into a turnip field. Leaving doors open of stable resulting in the loss of nearly all of a litter of small pigs from being chilled. This in itself is a criminal offence, not a Halloween prank. Several citizens have voiced their opinion that if the council does not take drastic steps to stop this, they will have to resort to gun law as in pioneer days. Then parents, you will know exactly where your boy or boys were until 4 in the morning.
