

Announcement

NEW GRIST MILL ESPECIALLY DESIGNED FOR

Custom Chopping - Rolling - Feed Mixing

You have waited for this to happen, and now we are able to announce the completion of our new grist mill, equipped with the latest type machinery for grinding the farmers' grist, turning out rolled feeds, and for scientific mixing to your specifications. Stouffville Co-Op. can now assure its patrons fast and efficient service, satisfactory work, and efficient milling.

In order to accomplish this service we have gone afield to look into the best machinery produced for your needs in this dairy and hog producing area, and have spared no expense to purchase the best. The service now commenced will fill a long-felt want on the part of farmers who must have feed and more feed, milled promptly, and to exacting specifications.

BRING ALONG YOUR GRIST AND TRY THE SERVICE OF THE NEW MILL

WE MANUFACTURE

With the facilities of our new mill, Stouffville Co-Op will commence the manufacture of Poultry Feeds, Hog and Dairy feeds, which will bring them to your barn at first cost.

SEEDS

We have had your seed requirements in mind over past months and have for immediate delivery a heavy stock of

Clover Seed
Timothy Seed
Grass Seeds
Corn Seeds
Galore and Barboff Barley Seed
Ajax and Cartier Seed Oats
The new Beaver Oats for seed

Complete line of Garden Seeds in bulk. Buy your seeds in bulk and save, while procuring the high quality seeds we can supply this season.

OTHER WARES

Fencing—Steel Posts—Brace Wire—Barbed Wire

FERTILIZERS

We have been more than fortunate this season in obtaining an unlimited supply of Mixed Fertilizers ready for the land. Fresh stock with highest fertility assures highest results. We have, too, a limited supply of 4-24-12 Fertilizer and Ammonium Nitrate that is so sorely needed on many farms. Place your order without delay. Use the telephone and reserve your requirements.

Fencing
