Chas. Nolan

Two new high wire fences will be erected on the first and third baselines of the baseball diamond in Memorial Park to protect the fans. The Lions Club will finance the one facing their newly constructed bleachers, while it is expected the Athletic Club will foot the bill for the third base barrier.

Don Campbell, member of Stouffville Clipper squad, is now established in a position at Harry Roadway's Garage, Unionville. Les Clarke, another Clipper stalwart, did his Easter promenading in Stouffville on Sunday, as a guest of the C. H. Bell family.

Work was started this week on the new bleachers for the hardball diamond at Memorial Park. The bleachers are being erected by the Lions Club. They will be in three sections approximately 75 ft long, to seat 250 people.

Unionville sources tell us that the well-known Bangay brothers, Nick and Bob of Markham hockey fame, and more lately, with Senior teams on either Canadian coast, are considering opening a new store at Unionville, on the south side of No. 7, just near the railway crossing. The boys would specialize in sports equipment.

Oxygen was given players at Maple Leaf Gardens on Saturday afternoon and evening in a new experiment by a McGill University professor, to fight off fatigue. The Montreal Royals used it against Barrie, and Detroit borrowed the outfit for their windup with the Leafs in the night game.

Unionville Grab Off Four Spots in All-Star Selection

Ab Hulse, well-known Newmarket Sports Writer Has Come Up Ratings in This Year's Junior Fling

Here's the No. 1 team, goal, Norm Stunden, (Unionville); defence, McGhee (Aurora); Calhoun, (Weston); centre, Polly Minton (Unionville); right wing, Ted Downer, (Weston); left wing, (Poots) Unionville; extra, Boychoff (Unionville).

Norm Stunden played one of his best years of Junior hockey, and incidentally it's his last. He's seen service with Richmond Hill, Stouffville and Unionville. Stunden was as cool as a cucumber under fire, and had a handy pair of hands for a netminder.

Polly Minton, formerly with Stouffville Red Wings, rated the second-best individual player in the league. Always a great puck-hawk, Polly has given many a grandstand performance when his team was shorthanded.

Irving Poots, best at left wing, was a steady performer for Unionville going both ways.

Bill Boychoff, formerly with Bradford and Aurora, did a stretch with Galt Junior 'A' then lined up permanently with Unionville. He was equally effective on defence or forward, a power house of rugged ability in either position.

The Markham Softball League hope to have their winner this year granted a bye into the Ontario Softball playdowns.

Local Park Commission Plans Another Full Season of Improvements

Stouffville Memorial Park Commission held this year's inaugural meeting at the Park last week, and looked over the work to be done on the grounds this year. Members of the Commission are, John Scott, Dr. S. S. Ball, Elmer Daniels, Ken Laushway, K. R. Davis and Chas. Nolan. Council representatives are John Scott and Henry Ogden.

The members main project will be the erection of a large concrete building to give toilet facilities to the park. While a contract has not been let it is understood that the cost will be between four and five hundred dollars.

The new bleachers being erected by the Lions Club will be painted to match up with the job done last year on the grandstand.

Several loads of cinders have been spread at the foot of the park road to improve the parking space near the arena.

The Commission looked over the new field being opened up for softball south of the park drive. The field was levelled off and seeded last fall and will be rolled and clipped ready for action this summer.

Caretaker Bert Batt who had the park in such fine trim all last year, is already at work.

Pete Legion Take Senior 'B' Cup

Peterboro Legionaires skated off with the OHA senior B championship crown at the Sarnia Arena Friday night as they took their third straight game from the Sarnia Sailors 6-3. The Legion team was in the Stouffville group this past winter.

At the beginning of the first period it appeared that the Sarnia crew would force a fourth game in this best three-out-of-five series.

At 1:14 Garvin of Sarnia and Crawley of Peterboro were both put off for high sticking. Kowcinak raced in to pot the first goal for Sarnia. The Tars had their plays worked down to a fine point and Kowcinak and O'Bright landed two more goals to make the score 3-0. Hill pushed in the first visiting goal with Fraser of Sarnia sitting in the cooler. Crawley raised the score to 3-2 with another goal for Peterboro at the end of first.

The second period dragged, Sarnia staying on the defensive but Godfrey scored once for the visitors without a reply.

Sarnia hit the skids in the third period, with Peterboro rapping in three fast goals to sew up the game.

Good selection of sports trousers, summer trousers, shower coats, suits at F. E. Rae's, tailor.

George King who died in his native Brock Township at the age of 83 years, survived three wives. He retired in Cannington nine years ago, and leaves two sons and six daughters.

Sundridge Wins from Georgetown for Two-Game Lead

Sundridge took a stranglehold on the OHA Intermediate "B" championship Monday night when they decisively defeated Georgetown, 3-2 at Georgetown. They now hold a three-game-to-one lead in the best-of-seven series.

Harry Hill was the high scorer for the winners with a goal and an assist to his credit. Bucko McDonald and Jim Storey also entered the scoring list for Sundridge, both with one goal.

Harry Christie, with two goals, was outstanding for Georgetown.

Next game of the series will be played Wednesday night in the Bracebridge arena.

LIFE OF MAN AGED 90 SAVED BY NEIGHBOR

The regular visit of Arthur Jones to an aged neighbor probably saved the life of Alex C. McRae, 90, of Beaverton, who lay all Thursday night with a broken arm on the floor of his home there.

A bachelor who has lived alone in the two-storey house since his sister died some years ago, McRae became critically ill Thursday after Jones had paid his usual morning visit. It is believed he suffered the fracture in a fall while climbing the stairs.

He crawled to the stove and was struggling to regain his feet at the back doorway when Jones discovered him Friday morning at 9 o'clock. He was later removed to Soldiers' Memorial Hospital in Orillia.

More than three hundred tons pressure is required to impress a design in silver.

Timely Travel Tips!

Next time you feel the urge to go places, see your local bus agent. He can tell you all about fares, stop-over arrangements, time tables and other details that will help you to enjoy your trip. He is a member of your community and will be glad to serve you.

"I trust them more than I'd trust myself"

THE BANK'S the place for my money. I always put part of my pay into my bank account—otherwise it burns a hole in my pocket. I guess I trust the bank more than I trust myself! I figure that's one reason why my savings have been building up the way they have.

Another reason I'm sold on a bank account is that I always know just where I stand. All I have to do is take a look at my pass-book. They're a lot better bookkeepers than I am.

What's more, what's in my pass-book is my business, and I can count on the bank people to keep their mouths shut about it. And that suits me just fine!
