WHITEVALE

Mrs. (Rev.) Beare of New Ontario is visiting her parents, Silas and Mrs. Toole here.

Fall wheat in this section is looking well. A nice crop outlook on the Toole farm recalls the bumper crop of fall wheat raised on this farm by the grandfather of the present owner who harvested 15 acres on the same field during the time of the Russian War. It had to be cut with the old fashioned cradle and thrashed by the flaid method. It yielded 60 bushels to the acre for which he received \$4.50 per bushel. There were no price controls on at that time and the farmer had the same chance to cash in on his crops as had the profiteers of a later day. And with the money he received from this crop he bought the John Toole farm now occupied by Wilbur Johnston, and which was for some time the home of the late Prof. Wade Toole of the O.A.C. This Toole family we believe, has over 650 living descendants in America.

Institute Votes To Contribute to Memorial Chimes

At their annual meeting last Wednesday the Women's Institute passed a motion to contribute \$50, or more if possible towards the installation of chimes for a war memorial in the United Church. A small presentation was made to Mrs. W. Lehman for special responses to the roll call for the twelve meetings. The secretary reported a membership of 56 during the year. The convener of the Sick Committee, Mrs. Beare reported sending 31 boxes, and 19 cards to the sick during the year, and 17 extra special boxes to the shut-ins at Christmas time, at a cost of around \$43. Collections contributed for this fund at the meetings were about \$34.00. The following officers were appointed for 1949-1950: president, Mrs. John Badgerow; 1st vice, Mrs. Wes. Lehman; 2nd vice, Mrs. Will Benson; secretary, Mrs. Melvin Johnson; treasurer, Mrs. Gordon Goslin; social welfare, Mrs. L. P. Lippert; citizenship, Mrs. Lloyd Pugh; Canadian Agriculture, Mrs. Jack Morgan; Home Economics, Mrs. Frank Carson; Historical Research, Mrs. Cliff Reynolds; Publicity, Mrs. Henry Johnson; Convener of Sick Committee, Mrs. Carruthers; District Director, Mrs. G. McIntyre; Music, Mrs. Hugh Gregg; Assistant, Mrs. W. Evans; Home and School, Mrs. Gregg, Mrs. Benson. A vote of thanks was tendered the retiring president, secretary, treasurer, Sick Committee, and all who helped in making a successful year, including the Social convener who reported 22 members joining the Blue Cross Hospital Plan during the past year which made a great deal of special work. It was decided to change the day of meeting to the 3rd Thursday instead of the usual Wednesday for the coming year. The contents of a monthly hobby basket was auctioned off by Mrs. H. Johnson, realizing around \$6.90. Mrs. Robt. Jackson favored with a solo "Spring is Here." A salad lunch was served during the social half hour.

From Cow to Creamery

What does it cost to produce a pound of butter?

Reports from Ontario Agricultural College at Guelph, Ont., is that definite action is to be taken this summer to determine as nearly as possible actual cost of turning out butter, says Canadian Grocer.

"It has been planned to have a number of senior students with a flair for figures assigned to the job," states the grocery business paper. "Each will take a certain

county. During the college holiday season each will call regularly on 100 or 150 dairy farmers. Their duties will be to obtain costs of butter production including feed, labor, depreciation of equipment and everything else that goes into the farmer's overhead. These figures will be set against revenue from the milk sold to determine exact profit, if any."

There has been considerable "guessing" in recent months concerning dairyman's overhead, Canadian Grocer points out. And nobody has been able to determine what it is.

"Farming is a business the same as manufacturing, wholesaling and retailing. No manufacturer or distributor can possibly operate too well, unless he knows his costs."
