No one denies that Mary is the Mother of God. Artists, poets, writers have portrayed Mary as the perfect Mother. God's Mother cannot be ignored. Those who reject Mary the Mother find they lose God too. A good father works to perfect his children through his wife, their mother. Only the Catholic Church teaches "God gives all His gifts through His mother."

Only a love for the Mother of God will bring men to their knees in prayer. Ignore the Mother of God and we ignore God.

Holy Mary Mother of God pray for us sinners to Jesus Christ Thy Son.
