#### Friends "Farewell" the Salmon

Last Friday evening neighbors and friends gathered at the home of Mr. and Mrs. Cliff Salmon to give them a "farewell" before the family leave Stouffville to finally take up residence in Australia. Actually Mr. and Mrs. Salmon do not leave town until about the first of September, but they are vacating the house they sold on Main street to Mr. W. Sissons of Richmond Hill, who is about to make extensive alterations. This is the well known Wm. Cook bungalow built about 25 years ago. Until they leave town the Salmons and their two children will occupy a fine new trailer cabin just purchased. When they "push off" they will travel south to Los Angeles, then north to Vancouver. They are scheduled to sail from the coast for Australia about the 2nd of December. They intend to settle there indefinitely, but of course would be welcomed with open arms back in Stouffville any time. On Friday evening the Salmons were presented with a purse and other gifts. Mr. Mervyn Watts making the presentation on behalf of the group assembled. Mr. Salmon who has been engaged over the years as accountant with Stiver Bros. is training a new man in his position before he severs all connection with the firm.
