Anchored to the Rock, but geared to the times.

It's cool inside. — Norman Rowan, director.

GREENWOOD

Miss Carol McVey of Toronto spent the weekend with Ross and Mrs. Disney.

Born to Mr. and Mrs. Alan Short, a son, on June 1st.

Mrs. Short and son came home last Thursday from the Oshawa hospital.

Mrs. Percy Clarke is visiting with a niece in Milton this week.

Congratulations to Miss Phyllis Clark on her recent marriage.

Mr. and Mrs. M. Minaker attended the graduation of their daughter, Helen, at the Oshawa hospital last Friday night.

Miss Edna Green spent the weekend in Buffalo with relatives.

Mr. and Mrs. A. Morden were with relatives in Hamilton over the weekend.

Mr. Alan Clark had as his guest on Sunday a fellow student of Bermuda.

About fifty friends and relatives of the community surprised Mr. and

Mrs. Fred Byers last Friday night, since it was the occasion of their thirty-fifth wedding anniversary. They were presented with a hostess plate, and a rawfruit dish. Mr. Luffman spoke on the "Courtship" of thirty-five years ago, when the horse and buggy days were here. Sing-song, and games, and lunch, closed the evening.

Miss Betty-Jean Freel was successful in passing with honours the third year in Modern History Course.

"Fatally Shot Man Will Recover," says headline. It is doubted, however, that he will ever be the same again.

Of the 75 essential oils used in the making of perfume, only eight are produced in the Western Hemisphere, and all of these are wild-growing plants.

Mrs. P. E. Greenfield and Miss Allie Bragg of Bowmanville, spent last weekend visiting at the home of Mrs. W. T. Byam.

Half a dozen new houses are in course of construction in town, and that many more are contemplated for an early beginning.

Come yourself and bring your friends to the Susie Sorabji I.O.D. E. Street Fair and Dance in Uxbridge, Wednesday, June 29. There will be a variety show from 8-9 o'clock, followed by Bingo, Games, Refreshments and Dancing to Bruce Gould's music. Proceeds for Lucky Draw in aid of Uxbridge Cottage Hospital.

Marguerite Grubin was successful in passing her final year at the University of Toronto in the Arts course obtaining a B standing. For the graduation ceremonies last week her mother, Mrs. Alex. Grubin of Stouffville, and Mrs. A. Hisey of Toronto, were in attendance.

Many people took advantage of the town park on Sunday afternoon as a place to escape the heat, and a safe place for the children to romp. It's usually cooler at the park than anywhere else in town on a hot day.

The councillors are anxiously waiting for the road construction contractor to come along so that those streets to have new top and others to be oiled can have the dust laid. Trouble is every municipality demands the services of the road builders at the same time. However this village was assured their work would be underway early in June.

Sale will be in the Hall

It is definitely decided, irrespective of the weather, to hold the big public auction sale for Mr. and Mrs. Cliff Salmon, in the Veterans Hall just across the way from the Salmon residence on Main street. Persons who come to the residence will just continue across to the hall where everything will be on display, and sold from the rostrum in a manner that the big crowd will have a chance.

This is a rare sale of household goods, and nothing will be reserved. The date is Saturday, June 18, and the list of goods appears elsewhere in this issue.

While the initial conversion from 25 to 60 cycle hydro took place at East York three weeks ago, the main program will go into effect during September of this year. We are advised that as many as 400 to 600 hundred homes will be converted per day. This means that the residences in Stouffville will be done in two days and without any cut off of power. Sixty cycle power is the universal cycle used throughout the world, and only the densely populated Toronto Central Ontario system is using 25 cycle. No wonder it is being scrapped, before the situation gets even worse than it is.

Won Special Award
One of three young women who were presented with prizes for outstanding work during their training at the Hamilton hospital school of Nursing last week, is Miss Susan Sellers, Stouffville, daughter of Mrs. Mary Sellers, Main street. Susan, a graduate of Markham high school, won the hospital award for highest standing in her senior year. Attending the graduation exercises were Mrs. Mary Sellers, Mr. Jac Meyers, Mr. and Mrs. Walter Atkinson, and Mr. and Mrs. Sam Fretz.

When a sister and brother both past middle life were brought into the Brierbush one day last week, they told of a peculiar accident. Driving their car in the vicinity of Markham, the two front tires exploded at the same time, landing the car in the ditch. Fortunately the couple were not seriously injured; although the lady suffered shock and severe cuts which required several stitches, thus detaining the couple in town for a day or more before they were fit to travel again.

The last meeting before the holiday season of the Garrett Evening Auxiliary of the United Church, took the form of a pot-luck supper at the home of Miss Gertrude Todd. The president, Mrs. J.M. Storey, presided. Miss Ann Lehman led the devotional period with the theme "Keeping the Lord's Day." The scripture was read by Mrs. H. O. Klinek and the 84th Psalm "How Lovely are Thy Dwelling Lord" was sang by Mrs. J.M. Storey, followed by a prayer by Mrs. Herbert Lee. The last chapter of the study book "West of the Gorges," the theme "The Christian Church," was very well reviewed by Mrs. Norman Baker. A beautiful number "Lead Me All the Way" was sung by Mrs. Harold Spofford. Our pastor, Rev. D. Davis, and his wife, who are shortly to sail to England for a 2 months vacation were taken by surprise when they were presented with a purse and another gift. Miss Eva Hoover moved a vote of thanks to those contributing to the program. The meeting closed with a prayer by Mrs. Robt. Young.

When a young lad of less than four was reprimanded the other day for picking a green strawberry, he promptly said, "alright Mom, I go put it back."

Mr. and Mrs. Ed. Nigh have moved back to town from Markham Tp. and have purchased a residence on Victoria St. from William Miller. Glad to have these well-known people located in our midst.

With strawberries costing 45c. quart box, and the hereabout almost a failure, the lad that gets jam over his face this winter will be lucky indeed.

Mr. and Mrs. E. A. Jolly of San Francisco, Cal., U.S.A. motoring paid a weekend visit to his aunt, Mrs. E. A. Wilson. Mr. T.C. Reid her brother from Toronto is also spending a few days with her.

Miss Helen Manser of Leaside, spent Saturday visiting at the home of Mr. and Mrs. Lambert H. Malloy. Helen helped the local girls in their exhibition game against Agincourt on Saturday night.

Pupils of Mr. T. W. Eagleson, A.T.C.M., R.M.T., are looking forward to their recital in the Presbyterian church on Tuesday evening, June 28, with big interest. Parents and others may also look forward to a real treat. The printed programs look highly interesting, with the Y.F.C. Girls' Choir in special numbers and each of Mr. Eagleson's pupils in special individual numbers.

During the month of May there were four fires attended by brigades serving the Township of Whitechurch. Newmarket brigade fought a blaze in the northern part of the township, Aurora fought one at the Lions Camp, while Stouffville fought two fires, one at the Lions camping grounds and one on the Beverly farm. These are in addition to the lake fires at Musselman's Lake.

Mr. Cliff Wagg expects to break ground this week for a cellar for his new house planned to be built on the Cemetery Drive on a lot recently acquired at the rear of the former Tarr residence. Fred Chessman is making good progress with his new house on Stouffer street north of the Christian church, which along with the new house going up the Dickson farm for the new owner of the land, makes three in progress of construction east of the school. Of course, the west end and central area of the town shows still faster growth.

While enjoying the cool breezes of Sunnyside the other evening Mr. John Mathewson, proprietor of Carload Groceteria, Stouffville, nearly lost his sleek new car. Thieves pried open the window and stole a valuable camera, also a box of prizes Mrs. Mathewson had just purchased that day for the children of the Nursery School. The wires in the car had been tampered with, but the sneaks were evidently frightened away before they could complete the job of running the car without the keys. Police said several cars were broken into that night, all parked right along the board walk, where people were passing all the time. The trick was to watch the owner park, then have someone trail him, and give an alarm to an accomplice working on the car, should the owner return in the passing crowds.

\$2,000 to loan at five per cent. to person able to furnish a first mortgage. Apply at Tribune office.

Mr. Howard Grittani has graduated in Mechanical Engineering at the University of Toronto. Mr. Grittani is the husband of the former Miss E. Davie, of the local High School staff. The couple is going to Minnesota where he is being sent by his employer, Trane Company of Canada.

Sunday visitors at the home of Mr. and Mrs. F. L. Button were, Miss Marjorie Trotter and Mrs. Grant of Brandon, Man.; and Mrs. W. Trotter and son James Trotter of Toronto. All are cousins of Mrs. Button. Miss Trotter and Mrs. Grant flew down from the West, and while here, purchased a new car in which they will motor back.

The Cannington-Sunderland Regular Baptists held their semi-annual rally at Miner's Bay on Wednesday last week. The small settlement in the north gave the visiting delegates a splendid reception. Moderator R. E. J. Brackstone presided. The local Baptist pastor Rev. J. K. Paquegnat is secretary of the Association.

"Silver Wedding Anniversary"

Mr. and Mrs. Percy Puterbaugh, R.R. 1, Maple, Ontario (Lot 13, Con. 5, Vaughan Twp.) will be at home to friends and relatives on Saturday, June 25th (2 to 5 and 7 to 9 p.m.) on the occasion of their Silver Wedding Anniversary.

Mr. and Mrs. Jas. Austin motored to Nelson, Ont., on Sunday, to attend the 61st wedding anniversary of Mrs. Austin's grandparents, Mr. and Mrs. Wm. Vivian. They also went on to Dundas to visit Mr. Austin's mother, Mrs. Jas. Austin sr., who recently returned from England. While in the old country, Mrs. Austin was suddenly taken ill, but we are pleased to hear she is improving.

One of our business men who is seen these days very little on Main street is Mr. Richard O. Ward. In declining health for several years, "Dick" as everybody knew him, could always be counted on to be at his garage west of the post office. However, he isn't seen there any more, although he does on few occasions get down town. Daily he spends his time sitting about the home on Blake street where he has one of the best nurses to look after him in the person of Mrs. R. O. Ward. Since we have had one or two enquiries about our 79 year old citizen lately, this paragraph will serve to give his friends the information they are anxious to have.

9th Line Markham

We are glad to report that Mrs. Ropt. Simpson who is ill, in East General Hospital, Toronto, is making satisfactory progress.

Mrs. Fred Cole who had the misfortune to seriously injure her knee, necessitating her removal to East General Hospital, has returned home and is improving, although still wearing a cast.

Miss M. White left on Friday of last week for Quebec from which point she will sail for England for a month's visit, returning by plane.

Congratulations are due to Bob Thomas who graduated from O.A.C. Guelph, with the degree of B.S.A. which was conferred by the University of Toronto at the annual Convocation.

Mrs. George Lawson is visiting relatives at Leaside where she intends to spend an extended holiday.

Mrs. Gary Richardson, at one time a local girl, flew from her home in Roanoke, Va., to visit with her uncle and aunt, Mr. and Mrs. Geo. Lee, Main St.

Memorial Park here was a popular place on Sunday for those who wished to gain some relief from the sweltering heat wave. A number enjoyed the cool breeze there all afternoon, and others brought their lunch for supper.

The highway Stouffville to Uxbridge is now covered with bituminous surface gravel top that is much preferable to the dust that was endured during travelling operations last month. The road known as highway No. 47 is really good for travelling now, and the work of the Dept. of Highways is certainly appreciated.

It appears that the proposed big plant of the Marshall-Booth people that was contemplated for Stouffville, is now likely to be located at Kettleby. The present Booth plant on Main street east will be continued however, as an auxiliary business, and will take care of all the birds available in this district. Mr. Delbert Booth, one of the principles, says that the Stouffville plant will probably be enlarged if the occasion demands it.

EGGS ARE VERY SCARCE

This is the time to start to ship to Pickering Farms if you are not already an egg shipper. Here you can get the very highest market prices as we sell direct to the consumer and can afford to pay you more. NOTE: Highest price we paid last week was 50c per dozen, basis "A" Large.
