Institute Picnic Delightful

At the monthly meeting of Stouffville Women's Institute at the home of Mrs. James Ridout, the affair took the form of a picnic last Thursday. During an interesting program, Miss Sadie Stewart was presented with an electric toaster, in recognition of her long years as secretary which she recently gave up in favor of Mrs. G. Kellington. Motto for the meeting was given by Mrs. Burdon, a new resident in the east end of town. Reports of the district annual were given by Mrs. Sanderson and Mrs. Williamson, and a reading was rendered by Mrs. Gordon Lemon, entitled, "Letter Writing." The bountiful picnic supper was enjoyed on the spacious lawn, and all joined in for a photograph which will later be forwarded to the Women's Institute at Roada, Northampton.

WEDDINGS

LEONARD—GRAY

Stouffville United Missionary Church, decorated with baskets of pink and white peonies and orange blossoms was the setting of a pretty rainbow wedding on Saturday, June 18, at 3 o'clock, when Norma Alene, daughter of Mr. and Mrs. Walter Gray, became the bride of John Leslie Arnold Leonard, son of Mr. and Mrs. Wesley Leonard of Stayner. Rev. H. S. Hallman of Stouffville, officiated. Miss Ruth Atkinson of Bethesda, cousin of the groom, played the wedding music, accompanied by Mrs. James Oldham, Stouffville, who sang "Because," "The Lord's Prayer," and "A Wedding Prayer."

Given in marriage by her father, the bride wore a gown of ivory satin with a lace trimmed yoke, padded hips and a long train. Her embroidered net veil was held in place by a crown shaped headdress. She carried a white Bible which caught her bouquet of pink roses and ferns.

Attendants of the bride were her four sisters, Earla Gray, maid of honour, wore a violet gown of two-piece wave taffeta and carried yellow roses; while Darline Gray, as bridesmaid, wore a blue gown of two-piece wave taffeta and carried pink and white carnations. Elda Gray, also a bridesmaid, wore a pink gown of two-piece wave taffeta and carried white carnations. Meryl Gray, junior, bridesmaid and youngest sister of the bride wore a yellow taffeta gown with pink and white carnations. Melville Leonard, brother of the groom, was best man and the ushers were Chadwick Johnson, Toronto and Bruce Leonard, brother of the groom.

The reception was held on the lawn of the bride's parents home. The bride's mother received, wearing grey crepe, matching accessories and a corsage of red roses. The groom's mother wore grey figured crepe with white accessories and a corsage of pink roses.

For travelling, the bride wore a pink dress and hat with brown accessories. The happy couple left amid showers of confetti and best wishes for a trip through the north country. On their return they will reside in Gormley.

DREWERY—SLACK

Baskets of spring flowers decorated the home of Mr. and Mrs. Louis Slack, Stouffville, for the marriage of their daughter Gertrude Lillian, to Walter Garfield Drewery, son of Mr. and Mrs. Earl Drewery, Stouffville. The wedding took place on Saturday, June 18th at 3 o'clock with Rev. W. W. Fleischer of Uxbridge, officiating.

The bride, given away by her father, wore a gown of white brocade satin with a low neckline caught with pearl clusters, fitted bodice, full skirt fitted over hoops. Her fingertips veil was held by a beaded headdress. She wore a string of pearls, the gift of the groom, and carried a bouquet of red roses and baby's breath. Her bridesmaid, Mrs. Geo. Morden, Stouffville, sister of the bride, wore a dress of pink taffeta with bustle back and matching headdress and carried pink and white carnations. Douglas Drewery, Stouffville, was the best man, and Murray Slack, Toronto, was the usher. Mr. Glen Ratcliff, Stouffville, played the wedding music and Miss Shirley McMullen, niece of the bride sang "O Perfect Love" during the signing of the register. At the reception following the ceremony, the bride's mother received, wearing navy French lace with navy and white accessories and was assisted by the groom's mother, wearing navy printed silk with navy accessories. Guests besides the immediate family were Misses Susan and Elizabeth Beane, Kitchener, and Miss Viola Davis, Edmonton.

For a motor trip to Montreal, Quebec city and the Laurentians, the bride wore a grey gabardine suit with navy topcoat and accessories and a corsage of pink carnations. The couple will reside in their home on 10th street, Stouffville.

Mrs. Levi Smith Native Of Ashburn Dead

In failing health for the past year, the death occurred in the Oshawa General Hospital early Friday of Charlotte Ann Thompson, beloved wife of the late Levi M. Smith, in her 88th year.

Predeceased by her husband in August, 1940, Mrs. Smith is survived by two sons, George H. of Oshawa and Arthur of Niagara Falls, N.Y. Also surviving are two brothers, Joseph and Alfred Thompson of Oshawa, four grandchildren and four great grandchildren.

It seems to be necessary to once again warn wedding parties that wild driving through town will not be tolerated, and charges may be laid if the habit is not stopped. So many persons participating in joyous occasions, display so little sense that it is a wonder more accidents do not occur.

Next Monday is election day across Canada. It is the duty of every qualified person to vote, and as Jack Smith, M.P. says, "the choice is up to the people, as to whom they vote for, but none can escape the responsibility or duty of casting the ballot. Incidentally, Jack Smith is picked to win York North, from what can be seen in this section of the riding."

Many former residents were in town for an hour or two on Sunday for the cemetery memorial service. We have suggested it before and occasionally it is done, the keeping of a register at the grounds during the time of service so that a record of the visitors would be available for reference and for the press. We know that many readers would have been interested in learning how many old friends were in attendance.

When a porcupine appeared on the streets of Beaverton and was "tread" by a dog, the Provincial Police officer was summoned, and he promptly shot the animal. Just why the killing. The Beaverton Express newspaper does not stipulate. If the animal was not injured, it should not have been killed by anyone, much less a police officer. The inoffensive "porky" feeds on rodents and other stuff we can do well without, hence he should not be killed off in such thoughtless manner.

Your reporter was asked on Sunday at the memorial service, if we knew the age of the cemetery. We couldn't give any positive dates, and that leads us to enquire, if anyone could give us the record of beginning of the cemetery. We noticed head stones dated 1850, so its a hundred years and more since this sacred acre was set apart as a burial place. The century old stones, recorded the names of John Hamilton who died in December 1850, aged 80, his wife, Elizabeth passed on in 1869. Then there is a stone bearing the name Mary, wife of Matthew Udell who died in 1858, at the age of 52.

Small advs. for Cash

The small classified advs. in this paper each week are inserted on a cash basis. Persons who for convenience telephone in their copy may have it accepted always on the understanding that the account will be paid within thirty days. Many who make use of the thirty days too often forget to pay until accounts have to be rendered. Classified advs. are very cheap, and the profit on them too small to cover cost of sending out bills, consequently in future a charge will be added to cover cost of booking and postage.

Not since the big auction sale for the estate of the late Robert Miller some fifteen years ago has Stouffville been confronted with a sale crowd as was seen at the Legion Hall on Saturday afternoon when the household effects of Mr. and Mrs. Cliff Salmon were sold under the selling power of Auctioneer Alvin S. Farmer. There were more than 350 individual sales. There was no so called "junk" to sell, in fact the whole offering was on a high level of quality. Selling started at 12.45 and ended at 6 o'clock, with a big crowd of bidders alert from start to finish.

Highest priced article in the sale was the Mason & Risch apartment model piano selling at \$455, said to be a bargain for the special instrument. However, another kind of music box (at times) was a baby carriage knocked off at \$22, which was purchased for less than half, it was said. A Gibbert walnut bedroom suite selling at \$230 was a good buy. Mr. Salmon said the suite had cost \$500 and was not even scratched. A maple bed suite went at \$180 after a line of spirited and caution quick bidding. A lovely mahogany desk at \$92 had a glass top. It was a lovely piece of furniture. The electric stove \$130, washer and iron \$59.00.

About \$60 worth of children's toys were quickly distributed to eager buyers, and had they been permitted to bid, the two children who once knew them as their very own play things, would have been the highest bidders, but Peter and Gail are going far far away and would not have room for them on the trip to Australia or across Canada to the west coast. They will have new toys in a new land to them.
