Local dealers— Madill's Store and Overland's Store.

We regret the error in last week's edition in connection with the sale of the John Miller farm when we referred to it as the Thistle Ha' farm. The proper location of the farm sold, is Whitby Township, lot 28-29, concession 9.

Work was proceeding on Monday to erect a retaining wall at the north side of the Walt Hardy property, on Main St.

The local election polls on Monday here were manned by Mrs. Russ Pilkey and Miss O. Forsyth, deputy returning officers, and Mrs. John Badger and Mrs. Hazel Sanderson, poll clerks.

The Claremont bus terminal has been changed in Toronto, from Bay and Dundas Sts., Toronto, to Bay and Edward Sts., also near the Ford Hotel.

Mr. Harry Austin of Toronto is relieving the local station agent, Wm. Drew, during his holiday period.

The sale is reported of an acreage belonging to Wm. Pugh, to Jack Mansell, manager of the Sarco plant here. The place is a couple of miles east of the village on the 9th concession. Mr. Mansell plans to erect a new dwelling.

Mrs. David Dawson has arrived from her visit to relatives in Scarborough, England.

We regret that Miss Kathleen Beelby is on the sick list, at home with her parents, but trust she may soon be restored in health and able to resume her secretarial work in Toronto.

A number from here are engaged in the pea plant at Richmond Hill again this year, but report a short season for the early variety.

It is reported that Mr. Burnell has sold his north end residence to Mr. Jake Taylor of the 5th line. Mr. Burnell has been very busy putting a cellar, and making extensive improvements inside and outside of the farm home into which the family will move when ready for occupancy. It is situated about two miles north of C.P.R. station.

At the mixed double tournament on the local bowling green last week, Mrs. Goodman and Mr. Hunter of Oshawa won 1st high, Mrs. Lemon and Mr. Earle Beare won 2nd high, and Mr. and Mrs. F. Evans won 1st win.

The Claremont girls' baseball team won 7 to 2 in their return game at Port Perry, but were defeated last Wednesday evening 3 to 7 when they played Whitby girls on Whitby soil, which was in poor condition for our local team. However, they won 10-0 over Oshawa General Motors team last Friday evening on the home field.

Mrs. Johnson of Toronto visited on Sunday with her sister, Mr. and Mrs. Fred Redshaw, and all attended Uxbridge Cemetery decoration service in the afternoon accompanied by Mr. and Mrs. D. Coates.

Mr. S. Robbins of St. Thomas spent a few days last week visiting Mr. and Mrs. T. Gregg, old friends of many years.

Mr. and Mrs. R. Johnson of Toronto spent the weekend with Mrs. D. Pugh.

Mr. and Mrs. Murray Ormerod and baby of Toronto spent the weekend with Mr. and Mrs. Melvin Johnson and family. Mrs. Ormerod is continuing her visit throughout the week.

Mr. and Mrs. Dorian Woodburn of Toronto visited with Mrs. Nelson Sanderson and family over Sunday.

Joint church services will be held in the Baptist church during July, commencing next Sunday morning.

Union cemetery decoration services will be held next Sunday, July 3rd. The United Church will provide music, and it is expected Rev. Davison will deliver the message.

The W.A. of the United Church held a supper on the lawn of Mr. Roy Brignall last Thursday with Miss Rollings group in charge. Ice cream instead of strawberries was served. Proceeds amounted to nearly \$45.

A social evening of the church members and Goodfellowship Class took place on the lawn of Mr. and Mrs. W. Evans last Wednesday evening. An address of appreciation for the past ten years of service as pastor of the United Church, and best wishes for success on the new appointment to Cannington was read by the Chairman of the Board of Stewards, Mr. Melvin Johnson, and the presentation of an upholstered occasional chair made by treasurer, Mrs. E. Baker. The Goodfellowship Class secretary, Mrs. W. Hill, also read a friendship card, and Mr. Boniface, president of the class, presented

an electric kettle, and Miss Joan Middleton of the junior group presented a china cup and saucer to Mrs. Kennedy. Both Rev. and Mrs. Kennedy replied, expressing appreciation of the response of the congregation, assuring them of an ever warm place in their affection for the people of Claremont. During the lunch hour an autograph album was passed around in which members inscribed their sentiments for future reading in Cannington.

The Ladies' Aid Society of St. Andrew's Presbyterian Church, Pickering, are holding a Garden Tea at The Hermitage, the home of Mr. and Mrs. E. L. Ruddy, Pickering, on September 10th, 1949, from 3:30 to 6:30 p.m. The proceeds will be for the Building Fund of their new church which is now under construction. A musical program has been arranged.

On Sunday evening Rev. Kennedy preached his farewell sermon to the two congregations of the community. Rev. Davison of the Baptist Church assisted with prayer and scripture reading.

The annual Pugh and Evans picnic was held on Saturday afternoon, June 25th, at Stouffville Community Park. The welcomed shower in other sections, prevented the happy crowd from sitting down to the well filled tables of good things at supper time, but the pleasure of meeting so many relatives again, was a happy occasion, and talking over old times and events was a memorable thing in the life of each individual present.

The late Mrs. Parkin of Kinsale who passed away last week was in her early life a resident of this vicinity, and attended the school here when F. M. most enjoyable musical evening was spent by about 60 members. Nearly all the subscribers to the Blue Cross signed up again for the three months' period ending on October 15th. George Brown who has recovered from an attack of pneumonia, presided in his usual pleasant manner with Mrs. Sheridan as secretary. Bob Hicks and the Sheridan girls from Scarborough Collegiate gave several musical trios, and Mrs. Lombard of Ajax rendered solos that were much enjoyed. She was accompanied on the piano by Miss Ann McMillan of Toronto. Community songs and a medley of songs added much to the occasion. During the business end, the committee reported having sent remembrances to the sick and ailing. The loss of the prize in the Canadian Countryman contest, was softened by the fact that there are many other similar clubs at work in Ontario and doing good work. The annual picnic at Lynbrook park was set for the evening of July 14th when a community supper will be set at 6:30 to be followed by games and a ball game. All the people in the district are invited to come. Cars with six people are admitted for a quarter. A good committee was named to attend to the details. After a delightful luncheon, Ken Pratt moved a vote of thanks to the hostess which was responded to by Arthur O'Connor.
