

Scene from the reunion of the Timbers families and descendants held on June 2nd in Ratcliff park. Drought had burned up the lovely green grass, but spirits were high and everybody was happy this scene indicates.

Another family holding a reunion same day was the Turner family which gathered at Stouffville park. Mary T. Coyne poses with Kathleen Madill (daughter of Mr. and Mrs. Lloyd Turner) and Marilyn Madill, eight months, youngest person present.

Ayrshire herd and Yorkshire hogs, also operates a poultry department, specializing in turkeys and has a substantial fox and mink ranch. Organized "hay rack tours" will be made of the farm throughout the day under the direction of the farm manager, J. D. Lanthier and his staff.

The farm is on number 7 highway, two miles east of Yonge St.

There's fun for Everyone

ON GEORGIAN BAY

Oh boy! Is it ever fun here in the nice sand and with lots of water to play in. And dad and mum can have lots of fun too, 'cause they don't have to worry. This beach is sure swell for kids.

Ashburn and Green River Couple Wed

The marriage was solemnized of Mrs. Ethel Slute of Ashburn and Mr. Ernest Beelby of Green River at the parsonage by the Rev. Mr. Riddell of Port Perry, on Saturday, June 25th, at 3.30 p.m.

The bride was lovely in a white silk flowered jersey dress, off-the-face white hat with white veil and white accessories. She wore a corsage of white carnations tied with a blue ribbon. Mrs. Thomas Barrington was bridesmaid in a pretty powder blue dress, off-the-face hat and veil to match, and white accessories. She wore a corsage of pink carnations tied with a yellow ribbon. Best man was Mr. Orville Cox of Claremont. The groom wore a blue striped suit and the best man wore a brown suit. Both wore

white carnations.

The reception for the family and close relations numbering forty was held at the home of the bride's sister, Mrs. Thompson and Mr. Frank Thompson of R.R.1 Myrtle Station. The table was beautifully decorated with a bride and groom tablecloth and centred with a three-tier wedding cake. The table also included pink and white candles. The hostess received the guests in a powder blue dress with white accessories. She was assisted in serving by Mrs. William Walmisley of Oshawa and Miss Mable Thrower of Whitby.

The happy couple left for western places amid a shower of confetti and best wishes. They will reside in Green River.

The chrysanthemum is the hardest flower known.

HAYING MISHAP CLAIMS JANETVILLE MAN'S LIFE

An unusual accident, claimed the life of Mr. James Marshall, 79, of Janetville, near Lindsay, on Thursday afternoon.

Marshall with his son, Noral, was working in the barn of the farm home at Janetville, unloading hay from a wagon into the mow. The last jag of hay was ready to be hoisted into the mow, when Marshall bent over to make an adjustment of some sort in the slings, and fell from the wagon to the barn floor.

He struck his head and died almost instantly.

Wheatland Day Planned For Leitchcroft In Markham

A Wheatland Day for the counties of central Ontario is being organized to be held at Leitchcroft Farm in Markham Township on Wednesday, July 27th, to climax five years of winter wheat variety testing under the direction of the Ontario Agricultural College. Each year the York County Crop Improvement Association has had twilight field meetings here to give the wheat growers an opportunity to see the results of the trials. This year the plots are on a much larger acreage, and it is fitting that this monster demonstration is to be held on a farm growing 120 acres of the new Cornell 595 winter wheat.

The various farm machinery companies are co-operating by displaying and demonstrating modern machinery for the wheat grower and the machines will be in action including the combines which will have ten acres of wheat to demonstrate on. The machinery displays will be open from 10 a.m., including weed sprayers operating at 11 a.m. Lunch will be served on the grounds with the addresses commencing at 1 p.m.

Col. the Hon. T. L. Kennedy, Minister of Agriculture for Ontario will be guest speaker and W. H. Waddell, wheat research specialist at the Ontario Agricultural College, will outline the results of the winter wheat variety tests following which the various companies will proceed to demonstrate their combines, swathers, roto-tillers, forage harvesters, pick-up balers and other power machinery associated with wheat growing. Ten acres adjoining the equipment exhibit and wheat field will be used for all types of cultivation machinery to demonstrate.

SERVING CANADIANS THROUGH CHEMISTRY

"Chemistry IN MY HOME?"

YES, MADAME, it is a fact that practically everything you use, wear or consume is affected for the better by chemistry.

"Freon" puts the freeze into your electric refrigerator; chemical treatments mean better fabrics; chemical fertilizers help grow your food. Nylon hose and "Cellophane" both start in the chemist's laboratory.

The chemical industry is never satisfied. It forever seeks new ways to serve you in this chemical world of today.

For Instance ... NYLON BRISTLED HAIR BRUSHES

Hair brushes were once bristled chiefly with hog bristles. When war rendered these unobtainable, chemistry came to the rescue with nylon bristles which quickly proved their ability to out-perform and out-wear hog bristles. Nylon bristles are one of the products of Canadian Industries Limited, Head Office, P.O. Box 10, Montreal.

Township of Markham Destroy all Noxious WEEDS

- | | | |
|----------------|--------------|-----------------|
| Sow Thistle | Hawkweed | Bladder Campion |
| Bindweed | Wild Lettuce | Tumbling Weed |
| Canada Thistle | Docks | Common Milkweed |
| Wild Carrot | Wild Mustard | Common Burdock |
| Dodder | Stinkweed | Pepper Grass |
| Chickory | White Cockle | Common Ragweed |
| Ox-Eye Daisy | Poison Ivy | Russian Thistle |
| Blue Weed | Spurges | Cinquefoils |

THE WEED CONTROL ACT SAYS:

CLAUSE 5:
Every occupant of land, or if the land is unoccupied, the owner shall destroy all weeds designed noxious by the regulations as often in every year as is sufficient to prevent the ripening of their seeds.

CLAUSE 23:
Any person who contravenes any of the provisions of this Act or refuses to obey any lawful order of an Inspector, given under authority of this Act, shall incur a penalty of not less than \$10.00, nor more than \$50.00 for every such offence.

Weeds have no place in a progressive community
Do your share to prevent their spread

W. H. CONNOR, Weed Inspector, Township of Markham.
