Brooklin Lynbrooks have won an opening round in the Ontario Junior 'B' softball playdowns, defeating the Stirling team 20-1 on Tuesday.

Bob Hassard, popular Stouffville player, is right in the thick of the Toronto Maple Leaf hockey fights at St. Catharines this week.

Newmarket Bantams are meeting Cardinal Bantams this Wednesday afternoon in the next round of the O.B.A. playdowns.

Audrey Jennings, who held down her base for Stouffville girls in the Orillia training for a nurse, is with her luck in her new profession.

Mrs. Fred Crossen and Mr. Gordon Lemon of Stouffville ought home the Sinclair Trophy next week which they won in the annual bowling competition at Stouffville.

Bill Attridge of Aurora, and the Thoms of Newmarket, Junior hockey players from those towns last winter, are in North York this week trying out at the Chicago Black Hawk hockey school.

It was quite a sight to see all the lights come on in the new arena on Monday night. The Campbell firm handling the job have done a fine piece of wiring work, and Frank DeCarroll, the boss, told he was really proud of the setup switches and boxes in the arena.

Kay Ford, centre fielder on the girls' softball team, has left her hometown and is now employed in Aurora.

Neil Brown who recently played Peaches softball team returned from his trip to Mexico. We have exact time limit on his hitchhiking experience except he travelled to California in 4 1/2 days, most as fast as one could drive their own car. He will no doubt have many hair raising experiences relate.

Bud Watson believes in seeing the sights and working for a living as well. Bud has been working for Silverwoods Dairy supplying the booths at the Exhibition with milk. Throwing milk cans around should build up his muscles for the coming hockey season.

Earl Robinson, coach of the Markham Millionaires last year, was back again on Wednesday to look over the prospects for another season of hockey. Markham seems to be definitely planning a team but in what class has not yet been decided. Senior 'B' is a likely possibility.

The Stouffville Men's Bowling Club and Ladies' Club members gathered at the greens on Monday evening, forty-five strong, to celebrate the remodelling and painting of the club house. The job is certainly a credit to the local bowlers, and an asset to the town and park.

A fresh coat of paint is being added to the Markham arena to brighten up the hockey interest. We understand that a charter cannot be obtained for the new rink in Markham if it contains the name Markham in any way. This seems hard to understand but from all reports it's true. Securities Commission or someone better explain that one.

Other hockey news in town concerns last year's Intermediate squad. Contact has been made with officials of the Metropolitan hockey league operating on Yonge St. with regard to entering that group this winter. Richmond Hill is also said to be interested. At present the league is comprised of Bradford, Sutton, Newmarket and Aurora. The winner would receive a bye into the O.H.A. playdowns in Intermediate grouping.

Lillian Redshaw who pitched for Stouffville girls this season also stars on the Claremont softball team. So valuable is Lillian to the team that last week due to illness Lillian was unable to play so the game between Claremont and Victoria Square was cancelled. It was easily seen that Lillian had a

Claremont Lad Goes to Scots Team

Gil Williamson who played Junior O.H.A. hockey last winter with Unionville, left by plane this Wednesday for Scotland where he will play hockey with one of the Scottish teams in the professional teams there. Gil is a son of Mr. and Mrs. Mike Williamson of Claremont, and a farewell party was held at his home recently.

About forty players will be leaving Malton this week by chartered planes for the old country. Seven teams will operate in the league again this season, and it is understood that subscribers seats have all been taken up in the various old country arenas where the Canadian boys will play.

Could Have Junior Farm Club Here

Red Mitchell, former Chicago Black Hawks, who spends his summers as a golf instructor at the Highlands Golf Club, and last year managed the Aurora Arena and Junior Hockey Club, was in Stouffville last week for a conference regarding hockey plans here. Mitchell, representing the interests of owner Tobin of the Hawks told the Stouffville men that Chicago was ready to operate a Junior 'B' farm club in Stouffville, as a feeder

well developed throwing arm in her games with Elgin Mills and it was certainly no fault of hers that Stouffville lost.

Wally Corner, who played Junior hockey with Markham during the war years was in the softball line up at the Exhibition Park on Friday night. The Toronto team on which Wally plays defeated St. Catharines 6-1. Many will remember the stalky little player who with the Forgie brothers kept up the hockey interest during the player shortage. After leaving the Markham team he stepped up a rung and starred with Stratford in the Junior 'A' ranks.

Stan Stiver who was one of the officials on the Unionville Junior team last year claims that Unionville is definitely planning for an Intermediate 'B' hockey team this year. They are holding a meeting in a few days to learn the details and talk over the facts. Stan says that they expect to play at Stouffville where the ice will be smooth and fast, an asset to both the players and fans.

for their Galt Red Wings, if the right financial arrangements could be made. Just what would be required of Stouffville, and how far the Chicago company would go with putting up the necessary cash for such an undertaking has not yet been revealed.

The church was decorated with baskets of pink and white gladioli, when Betty Aileen Story, daughter of Mr. and Mrs. Cecil Story, Claremont, became the bride of Donovan Rodney Appleby, son of Mr. and Mrs. Rodd R. Lloyd Pegg, Myrtle Station. Mrs. J. Lloyd Pegg, aunt of the groom, was organist. During the signing of the register, Mrs. J. Lloyd Pegg sang "Because" accompanied by Mrs. Glynn Eastwood, cousin of the groom.

Given in marriage by her father, the bride wore an ivory satin gown and a floor length veil held in place by a flowered headdress. She wore a string of pearls, gift of the groom, and carried a cascade of red roses and white gladioli. Miss Jean Story, sister of the bride, was maid of honor and wore yellow faille taffeta. Misses Betty and Marjory Appleby, sisters of the groom were bridesmaids. They wore blue and yellow faille taffeta respectively. They carried nosegays of mixed flowers. of the bride's parents, the bride's mother received in a blue crepe dress, and corsage of pink gladioli. The groom's mother assisted in a flowered dress, and corsage of mauve gladioli. The happy couple left on a motor trip to points north, the bride wearing a navy blue suit with pink accessories. On their return they will reside in St. Catharines.
