The September meeting of the Garrett Evening Auxiliary met in the church on Wednesday evening, Sept. 14. Miss Gladys Brooks led in the worship service and Mrs. H. Lee offered prayer. Mrs. K. A solo by Mrs. C. Brillinger was much appreciated. Mrs. C. Nolan and Miss Anne Lehman rendered two beautiful numbers on the piano and organ. Mrs. J. M. Storey presided.

Scott Fall Fair at Uxbridge on Wednesday, Sept. 23, is a live stock event very popular with the farmers and attracts big crowds. Note the day and write W. O. Webster, Uxbridge, secretary, for any particulars.

The big silo on the farm of Roy Robertson in the Oshawa-Whitby district cracked open a few days ago when the fodder weight proved too much. Steel bands were obtained in an effort to stop further bulging. Being of cement the silo is rather difficult to repair.

Weekend friends at the Maurice Shupe, Main St. East, were Mr. Wes Steckley, Bethesda, Mr. and Mrs. Robt. Coleman, Galt and Mr. and Mrs. Leighton Coleman, Kitchener.

The Mothercraft Advice Room will be open in the United Church basement on Tuesday, Sept. 27, from 11.30 p.m. to 5 p.m. All mothers and babies welcome.

The reason women outlive men is that they wear ill-fitting shoes and the ensuing constant pain keeps their minds off their troubles.

Visitors this week at Spruce Villa were Mr. and Mrs. John Richard and Phyllis from Fordwich, Mr. John Honsberger from Hamilton, Mr. W. Reaman, Richmond Hill, Mr. and Mrs. Willis Stouffer of Mount Dennis, Mr. and Mrs. C. Woodward, Jimmie and June of Baby Point, and Mr. Gordon Barkey, Toronto.

Rev. and Mrs. H. S. Hallman left on Monday for New Dundee to attend the annual conference of the United Missionary Churches in Ontario. Likewise, Mr. Isaac Lehman, the alternate delegate, will represent the Stouffville church in lieu of Mr. Lambert Stouffer who is unable to attend. The conference opened on Tuesday and will continue through the week.

Friends will be pleased to learn that Miss Ruth Badger who was injured in a motor accident weeks ago was removed from the Brierbush Hospital on Friday to her home in the west end of town. One lower limb and one arm are still useless but it is expected that in a couple of weeks the patient may be able to move about by the aid of crutches.

Mrs. Frank Tate, Guelph, was visiting her parental home (Mr. and Mrs. Frank Riches) over the weekend. Both Mrs. Tate and her husband are on the Guelph teaching staff, and Mrs. Tate has morning classes only because of the tremendous overcrowding. After Christmas the big new school in Guelph is expected to be ready, when all such inconvenience is likely to end in Guelph at least.

Next Tuesday evening, Sept. 27, will be the final open night for stores in Stouffville until another season at least. This arrangement is the established custom in town in recent years. The open Tuesday night during the summer must have been greatly appreciated by the farmers judging by the big crowds in town during these evenings, and in addition merchants tell the press that sales were usually good.

Gospel Preachers Get Around

Two ministers of the gospel reached home here in Stouffville last week from long journeys abroad. Rev. D. Davis returned from England and Rev. Wm. A. Rae, missionary, returned from Japan where he had gone on a hurried trip a year ago. This missionary pastor when he returned from Japan three years ago purchased a residence on O'Brien Avenue, when he was called out of furlough to make another journey to the Orient.

At the United Church Sunday morning the congregation would have overflowed the main part of the church, only an untimely downpour of rain halted many from being present who wished to be on hand for the first service on the return of their pastor, Rev. D. Davis who had spent six weeks in England. On Monday evening members of the congregation and Mr. and Mrs. Davis enjoyed a social evening in the church basement when lunch and a program filled a happy few hours, with a talk by Mr. Davis on his overseas trip.

The Lintner Home

Home of the Edward Lintner family in town for 35 years on Main Street east end, has been sold to Henry Dyck who intends to remodel the house. Mr. Lintner and his youngest son George intend to make their home with an elder son Harry who lives in the west end of Stouffville. Mr. Lintner is away much of his time, and George will continue his education in town. The Lintner home is a well known stopping place for many friends and relatives who always found a cordial welcome. Mrs. Lintner's sudden death brought about the great change at this time. The house is one of the oldest in town standing on one of the best lots on Main Street. It was once the residence of the late Dr. S. Freil and is capable of being remodelled into a highly desirable structure. The dispersion of the Lintner family through the march of years is regrettable to the neighbors who had known them so long. This home gave three sons to the last war, one of them being a Dieppe prisoner and one was wounded.

With the sale of the house Mr. Lintner intends to hold a public auction sale of furniture shortly and which will be announced probably elsewhere in this issue by Auctioneer Walter Atkinson.

Dr. S. T. Bodendistel left Monday evening on a trip to Winnipeg and expects to be away about a week. The local vet will be accompanied by a member of his profession from Guelph since they will be attending a convention in the western city.

WEDDINGS

IRWIN-ALLEN
A very pretty wedding took place in Toronto at the home of the bride's parents on Saturday, Sept. 10, when Fanny Ada, eldest daughter of Mr. and Mrs. Frank Allen, was united in marriage to Stanley Oswald, son of Mrs. Bertha Irwin and the late Samuel Irwin of Stouffville. Rev. Fred Nicholson officiated.

Given in marriage by her father the bride looked lovely in a street length gown of turquoise blue crepe and wore a corsage. The bride's only attendant was her sister, Mrs. Frank Galloway, who wore a gown of pink taffeta and a corsage. The groom was attended by Mr. Frank Galloway.

At the reception the bride's mother received wearing navy figured silk crepe dress with corsage who was assisted by the groom's mother wearing navy figured silk crepe and corsage.

Amidst showers of confetti the happy couple left on a trip to the States. On their return they will reside in Toronto.

MARKHAM MAN CHOOSES STOUFFVILLE BRIDE

The home of Mrs. John O'Boyle, Stouffville, was decorated with pink and white garden flowers for the wedding of her daughter Margaret Elizabeth Glover and Allan Thomas Paterson of Markham on Sept. 17th, at 3 p.m. Rev. Douglas Davis officiated at the ceremony.

Given in marriage by her brother, Mervin Glover of Dundas, the bride wore a pale blue gabardine suit and navy blue accessories with a corsage of gardenias and sweetheart roses. She wore a brilliant choker and earrings, a gift of the groom. Mrs. Bruce Hazlewood of Toronto, cousin of the bride, was bridesmaid, wearing a navy blue taffeta suit and pink accessories with a corsage of sweetheart roses. Miss Gail Glover, niece of the bride, was flower girl wearing a royal blue rayon gabardine suit and matching accessories, carrying a nosegay of yellow and white mums and pink roses. Murray Graham of Markham was best man and Walter O'Boyle, usher.

The reception was held at the home of the bride's mother. The bride's mother received in a navy blue faille crepe dress and corsage of American Beauty roses. Receiving for the groom was his aunt, Mrs. F. Wright of Woodbridge, wearing a wine suit and corsage of Talisman roses.

For travelling to the U.S.A. the bride wore her wedding suit and carried a navy blue top coat. The happy couple will reside in Markham.

One nice feature was a telegram of congratulations received from the MacDonald family of Barrhead P.O., Scotland, who were real friends to the groom while overseas.

BRIDE UNATTENDED BECAUSE OF FATHER'S DEATH

Amid baskets of autumn flowers a quiet wedding took place at the home of Mrs. Beach and the late Wm. Beach when their daughter Evelyn Ruth became the bride of James Newton Rae, son of Mr. and Mrs. Stewart Rae of Lemonville. Rev. Norman Rowan officiated.

Due to the recent bereavement in the bride's family, the bride entered the living room alone to the strains of the wedding march softly played by Mrs. David Clarke. The bride wore a white slipper satin gown with fitted bodice and full skirt with lace peplum. Her finger-tip veil was held in place by a seed pear coronet. She carried a cascade of red roses with fern and wore a strand of pearls, the gift of the groom. Miss Laura Beach, sister of the bride, was maid of honor, wearing pink taffeta gown with matching headdress and carrying pink gladioli with blue cornflowers. Miss Dorothy Beach, youngest sister of the bride, was bridesmaid, wearing a blue taffeta gown with matching headdress and carrying pink gladioli with blue cornflowers. Mr. Garnet Rae, cousin of the groom, was best man. During the signing of the register Mrs. Ivan MacLaughlin sang "Because," accompanied by Miss Jean Harrison, niece of the bride.

For the reception held at the home, the bride's mother received wearing dark navy crepe with black accessories and corsage of yellow roses. She was assisted by the groom's mother wearing wine crepe with black accessories and corsage of yellow roses. A buffet luncheon was served to about fifty guests after which the bride and groom left amid showers of confetti and good wishes for a wedding trip to Ottawa and the Thousand Islands. For travelling the bride chose a grey suit with navy accessories. When leaving, the bride wished her cascade of roses be placed on her father's grave. After their return the couple will reside at Lemonville.

Over 400 students attend the Markham-Stouffville high school area, with schools at Stouffville and Markham villages.

Miss Wendy Workman, late of Toronto, now of Ballantrae, and her guests from Philadelphia, were guests at the Granite Club on Wednesday afternoon.

Mr. Ira Aldred of Port Perry was in town on Tuesday. Mr. Aldred will be remembered as manager of the Goodall Seed Co. which operated here until the firm moved to the Scugog lakeside.

Keep in mind the annual Toggery sale of the Stouffville Nursery School to be held Saturday, Sept. 24 and Oct. 1, in the Municipal Hall from 1.30 to 9 p.m.

About seventy neighbors and friends gathered at the home of Mrs. Bertha Irwin (Island Lake) on Friday evening to tender a shower for Mr. and Mrs. Stanley Irwin in honor of their recent marriage. A number of lovely and useful gifts were received for which they thank all the kind friends. Following the shower lunch was served, also a chivaree was witnessed.

At the Horticultural Society meeting on Friday, Sept. 23, in the United Church basement, Mrs. Win Timbers will show slides of Horticultural interest, and other local talent. Mr. Russell Wideman of Markham will judge the exhibits. The prize money for the August show will be given out.

Rev. and Mrs. W. H. Fuller of Jarvis, Ontario, were in town this week staying with Mr. and Mrs. William Morris, east of town. It was the occasion of the 21st wedding anniversary for the former Presbyterian pastor and his wife and the 20th anniversary for Mr. and Mrs. Morris. It has been the custom for these friends to spend this special occasion together now for some years.

With hen fruit at a stiff price, according to the Toronto dailies, "The Egg and I" are parting company, and the sale is reported sharply down, since housewives feel they cannot use them in the same proportion they have been accustomed to. Everything else is up of course, yet when items like butter and eggs that are daily fare on the menu rise to present scale costs, it is perhaps felt more keenly, than the fact a suit of clothes once selling for \$24 now costs \$60 and \$70, it is not just the same. Articles that one buys once a year may soar without much complaint but when articles that are in great consumption show the same increase it does mean more. Produce dealers say eggs have reached the top, so let's still enjoy our bacon and eggs for breakfast.

ANNOUNCE MARRIAGE BANS

The bans were read in the United Missionary Church on Sunday morning by Rev. H. S. Hallman for the approaching marriage of Norma Stover, second youngest daughter of Mr. and Mrs. Ambrose Stover of Stouffville, and Donald Brown of Hamilton, son of Mr. and Mrs. A. V. Brown of Aldershot. The announcement was an interesting event of the morning worship period, since it is perhaps the first occasion in which the contracting parties of this church in Stouffville have chosen to announce the bans in preference to the common custom of using the marriage license form. The Brown-Stover wedding will be solemnized on Saturday, Oct. 1, at 5 p.m.

Delightful Holiday Ended

Mr. and Mrs. Ira Rusnell and Mr. and Mrs. Stanley Lewis returned over the weekend from an extended motor trip to the west coast covering 7,500 miles during their holiday. They made their first stop at Port Arthur where they visited with Percy Rusnell whom his brother had not seen in 33 years. They would not have recognized each other on the street it was admitted, since their general appearance runs in quite the opposite direction. Percy is tall slim, and those who know Stouffville's constable will know at once he does not conform to such specification. Pushing on to Flin Flon they visited Harold Rusnell another brother, spent some time with a sister at Trout Creek and on a bright July day landed in Edmonton. From here they went to Calgary, with side trips to Lake Louise and Banff. From Vancouver they tripped to Port Kell to see a cousin Gilford Lewthwaite. At Edmonton it might have been mentioned they met Heber Rusnell who was in Stouffville 11 years ago for his mother's funeral.

On the return journey the party headed south into Washington, Idaho and Montana turning north to Swift Current and Pitman, Regina, then to Reverse about 40 miles north of the Manitoba-U.S. border. Soon they found themselves in the States again heading for Sarnia and home. Despite the well loaded car and the long journey Mr. Rusnell's Chev. stood up splendidly without engine trouble of any kind. Two new tires were required. During his absence law and order had been maintained in town by the able assistance of Markham Township police force, Constables Wideman and Shepherd.

"It was a delightful holiday, probably the only one of its kind we shall ever experience," said Mr. Rusnell describing his vacation from town.

When a machine is well oiled it makes the least noise. With humans it's just the opposite.
