While the abundant rains are needed to fill up wells and creeks farmers are hard put to get their root crop in and corn cutting done.

Cain Married-His Sister
The Sacred Scriptures names three children of Adam and Eve—Cain, Able and Seth. In addition there were other children as we learn from the Book of Genesis, chap. 5:4, "And the days of Adam, after he begot Seth, were eight hundred years; and he begot sons and daughters." To provide for the continuation of the race God permitted, in this one instance, marriages between brothers and sisters. Many secular movies are softening up the public to pave the way for Aesthetic Communism.
