CARDS OF THANKS

I wish to thank all my friends, neighbors, and relatives for the cards, fruit and flowers, also the men who so willingly cut and drew my wood with their tractors and for the use of their cars in taking Jean to the hospital or helped me in any other way since having my leg broken. Words will never express my thanks to you all.

James Morrison.

I gratefully acknowledge the kind expressions of sympathy and offers of aid from friends and neighbors; also the lovely cards from the W.A. of the United Church. These kind acts were deeply appreciated and greatly helped in my recent bereavement.

Dorothy Barry.

SANITARY METAL HEN NESTS

Hens prefer these sanitary easy-to-clean metal nests, to the old mite-infested wood kind. Nests are hinged so that they may be swung upward for quick easy cleaning. Wood perches across opening to prevent pullets from roosting in nests at night.

Also complete line of Hock feeders and waterers.
