Uxbridge Man County Assessor

Gordon McLean, 58, of Uxbridge, has been appointed supervising assessor for the county of Ontario. He was selected from nine applicants, three of whom council found hard to choose between. Salary will be \$3,000 per annum and seven cents per mile will be allowed for travel as there is much required with this job. Mr. McLean succeeds Ralph Wilson. Gordon McLean is most experienced and suited for the job. He is thoroughly familiar with Ontario County and for the past two years has been assessor of Uxbridge village and Brock Township. Previous to that he was with Defence Industries at Ajax during the war, in charge of maintenance work on Line 3. Mr. McLean's appointment finds wide approval.

Give Warden Watch
County Council wound up its session last week with a formal presentation of the traditional gold watch to Warden William H. Westney. Reeve Duncan McIntyre read an address in which he praised the work of the warden and said that the confidence which council expressed in giving him an acclamation, has been well placed. Mr. Westney has earned himself the respect of every member of council and has maintained the dignity of the office at a high level. Reeve Ernest Hayes of Port Perry presented the watch.

DICKSON HILL

The usual Christmas Cheer prevailed in this district. The teacher, Miss Milligan, and her pupils entertained the mothers with a program and afternoon tea. Sunday evening, under the auspices of the Young People's Society, a special service, presided over by Pastor Berry, with pictures and music, presented the Christmas message in an effective manner.

Home coming parties brought many into the community, among whom were Mr. and Mrs. Harley Wideman and family, Mrs. Wendell Knight, Mrs. Lott and Miss Doris, all of Toronto, Mr. and Mrs. Bruce Wideman, Collingwood, Eleanor Moyer, Port Arthur; Mr. and Mrs. Lorne Tindall, Goodwood, and Blanche Hoover, Kitchener. Mr. Philip Fockler who died at the Western Hospital was laid to rest in the family plot in the cemetery. The McKuen family spent Monday with his brother in Toronto.

Uxbridge Township Nomination Ends With Acclamation

The largest crowd to attend a nomination meeting in recent years assembled at the township hall at Goodwood on Monday to nominate candidates for the incoming council, and to hear matters of interest to the ratepayers.

At the close of nominations the following persons had been named as candidates for election to council:

For Reeve: Stuart Ball, Walter Beach and Isaac Catherwood. For Deputy-Reeve: Berton Tindall. For Council: Wendell Alcock, Bruce Beach, Luther Booth, Ralph Faulkner, and Russel Feasby.

A public meeting was held after nominations closed, and the members of the present council gave an account of their stewardship, during the year. Although taxes have reached an all-time high for this township very little criticism was offered, as most ratepayers realize that municipal councils have not much control over expenditures. After the county, public and high school levies are paid there is not very much left for the council to expend on the needs of the municipality. The township balanced its budget with a tidy surplus remaining.

Mr. Lorne Tindall who is the township representative on the High School Board, addressed the meeting on high school matters, and while some were inclined to criticize this new move, he explained that when the plans for the future were fully developed he did not think that the expense to the municipality would be any greater than under the old system.

The following candidates qualified for election:

For reeve, Isaac Catherwood; for deputy-reeve, Berton Tindall; for council, Wendell Alcock, Ralph Faulkner and Luther Booth.

THE SALMONS AT SEA

Mr. and Mrs. Cliff Salmon and the two children are now in mid-Pacific bound for Australia. In a letter dated at Vancouver on Dec. 20, Cliff promises The Tribune there will be more of his widely read letters. Our readers will be delighted, and will be looking forward to the letters appearing in print.

Mr. Salmon's mother informs us that the family sailed at Christmas, (Dec. 22) and so it will mean a delay before we can receive mail back, but it will be packed with interest.

We have received favorable comment on Mr. Salmon's letters from as far away as California.

DROP IN PRICE NOT DISASTER

The current drop in egg price will not bring about any major economic disturbance in Canada. Finance Minister Abbott said Tuesday night.

Speaking at the annual meeting of the suburban Westmount Young Liberal Association, he said he could not foresee any serious economic downswing in the immediate future.

"True it is more difficult for us to dispose of some of our surplus production than in the past," Mr. Abbott said, "but we're living in a great country."
