Had Operations Today Doctor Allowed Bail

Because he had operations scheduled for Friday, a Toronto doctor was released on \$2,000 bail following his arrest on dangerous and careless driving charges, according to Harold Sanders, crown attorney for York County.

The doctor was arrested on Thursday night following a three-car crash on No. 7 highway near Markham. Provincial police said no person was injured in the crash but traffic was tied up for some time until they were able to get a tow truck to the scene and pull two of the vehicles apart. Police said the other drivers were Charles Clapworth, 17, and George Lee, both of Locust Hill.

The crown attorney said he was called by Provincial Constable T. H. Craig of Richmond Hill and advised that the doctor was being held and a bondsman had turned up to post bail for him. Mr. Sanders said he consented and instructed the doctor be bonded to appear in Newmarket court Jan. 20th.

Clippers Stop Millionaires In 4-4 Tie at Newmarket

(Jim Thomas)

Stouffville Clippers stopped the high-flying Markham Millionaires 4-4 at Newmarket on Tuesday night in a regular OHA Senior B game. It was undoubtedly one of the Clippers' best performances this year, and came at a very opportune time when the local club had just skidded three points behind Markham in the league race.

Stouffville had a margin in territorial play in both the first and second periods, and peppered Norm Stunden from all angles. The final twenty minutes saw play slow down considerably, and as regulation time approached, neither team chose to take too many chances.

Although there were twelve penalties, eight to Markham and four to Stouffville, they were all of a minor nature, and the game was quite cleanly played.

Brennan started the scoring for Markham at 2:43 of the first period slapping in a rebound on a close in play around the net. Determined to get this back the Clippers put on terrific pressure and only some spectacular stops by Stunden kept them off the score sheet. Markham's casualty list was extended to three as G. Scott was accidentally cut over the eye by the stick of Drummond. He was taken to the hospital for stitches and will be out of action for five or six days.

At 19:15 of the first period Hochberg who played an outstanding game all night broke through on passes from Clarke and Couch to beat Stunden with a hard shot. This put the teams on even terms to start the second period.

Markham opened the scoring in a matter of seconds as Baker let go a bullet shot from the blue line to beat Mulholland cleanly. Hochberg evened the count again on a nice angle shot from the side which Stunden fanned on.

It was centreman Gord Lewis who broke the tie from Couch at 5:03 and Clarke put the locals two up taking the pass from Couch to beat Stunden.

The line of Forgie, Jewitt and Runney combined on a perfect passing play around the net, with Forgie banging the rubber home to help keep up Markham's hopes at 5:30. Bert Baker let go with a bullet drive from the blue line which Mulholland had no time to save to tie the score once more. This goal was scored with the Clippers shorthanded. The third period sea-sawed back and forth with both goalies tested time after time but to no avail as Mulholland and Stunden warded off the opposition on many dangerous occasions. With only seconds remaining Bradbury had the best chance to sew things up as he coasted in alone on the unprotected net minder but Stunden proved himself equal to the task and out-guessed the speedy winger. The boys tired and worn out from the hard checking game were willing to call it quits until Saturday night when they'll go at it again. This will be their last meeting of the schedule.

Hochberg was by far the best player on the ice with two goals while B. Baker also played well for Markham with an equal number of tallies to his credit. The boys seemed to show an extra zip and spirit which kept the game in doubt from the drop of the puck. Austie Baker did not dress for the game but will probably be in uniform on Saturday. Perry, H. Forgie and G. Runney were absent from the Millionaire lineup. About 1300 paid customers filed into the arena to see the two local rivals battle it out and it will be a sell-out in Stouffville on Saturday night. Reserved seats are now on sale.

EDITOR'S MAIL

Dear Sir,
You will find in this letter \$2 for my renewal to The Tribune. My grandson sent it to me four years ago, and I have continued it ever since, as many of the names or families I know are mentioned in The Tribune. I have many relatives in the district of Stouffville.

I read the word from Mr. E. A. Quantz with great interest, and it probably inspired me to write this note. The school house he mentioned stood on Uncle Christian Barkey's farm, and in later years when I moved here to Brooklin my neighbors were Mr. and Mrs. Jos. Garbutt, and wonderful neighbors they are. They raised Mr. Quantz's son, Daniel Ernest, born in Oct., 1912, and died in 1939, at Schomberg. He had been married three years and had two children.

I pass my Tribune on every week to the Garbuts.

Signed,
G. J., Brooklin, Ont.

"Yes.....I Condemned the Catholic Church"

"And you would, too," wrote a non-Catholic recently, "if all the things I heard about it were true." For years I heard the Catholic Church was opposed to the Bible and tried to suppress it. I was told that the Church had changed Christ's teaching and proclaimed pagan forms of worship. It was told to me that Catholics worship statues and images and that the Catholic Church defied God's law and changed the Sabbath. But now I have learned that these stories and many others about the Catholic Church are not true—and never were! Every day, thousands of our non-Catholic friends and neighbors, are discovering as this man did.....that the Catholic belief, worship and history are widely misrepresented and misunderstood. That is why we publish these advertisements, and invite you to write for free explanatory pamphlets.
